Two persons for Auditors of the county of Potter.

I also make known and give notice, as in and by the 12th section of the aforesaid act I am directed, that every person excepting Justices of the Peace, who hold any office or appointment of profit or trust under the Government of the United States or this State, or of any city or incorporated district, whether a commissioned officer or otherwise a subordinate officer or agent, who is or shall be employed under the legislative, judiciary, or executive departments of this State or the United States, or of any city or incorporated district and also that every Member of Congress and of the State Legislature, and of the select and common council of any city, or commissioner of any incorporated district, is by law incapable of holding or exercising at the same time the office or appointment of Judge, Inspector or clerk of any election in this commonwealth.

Also, that in the fourth section of the Act of Assembly, entitled "An Act relating to elections and for other purposes," approved April 16, 1860, it is enacted that the aforesaid 12th section shall not be so construed as to prevent any Military Officer or Borough officer from serving as Judge, Inspector, or Clerk of any General or special election in this Commonwealth.

Also, that in the 1st section of an Act of Assembly entitled "An Act Regulating the mode of voting at all Elections in the several counties of this Commonwealth," approved March 30th, 1860, it is enacted: That the qualified voters of the several counties of this Commonwealth at all general, township borough and special elections, are hereby, hereafter, authorized and required to vote, by tickets, printed, or written, or partly printed and partly written, severally classified as follows: One ticket shall embrace the names of all Judges of courts voted for, and to be labelled, outside "judiciary;" one ticket shall embrace the names of all state officers voted for, and be labelled, "state;" one ticket shall embrace the names of all county officers voted for, including office of senator, member, and members of assembly, if voted for, and members of congress, if voted for, and be labelled, "county;" one ticket shall embrace the names of all township officers voted for, and be labelled, "township;" one ticket shall embrace the names of all borough officers voted for, and be labelled, "borough;" and each class shall be deposited in separate ballot-boxes.

SECTION 2. That if any such judge and inspectors of election, or any of them shall receive or consent to receive any such unlawful ballot or ballots from any such disqualified person, he or they so offending shall be guilty of a misdemeanor, and upon conviction thereof in any court of quarter sessions of this commonwealth, he shall, for each offence, be sentenced to pay a fine of not less than one hundred dollars, and to undergo an imprisonment in the jail of the proper county for not less than sixty days.

Purify the Blood.—If the blood be pure the body which is born of it can and by the blood cannot be diseased. But if there be in any part of the body any affection, such as a bad ordinary even a bruise, indolent ulceration through that part takes up impurities from the blood, inflammation and carries it to the general system. This is the cause often of sudden death to persons of full habit afflicted with boils and other eruptions, and who use no medicine; the matter goes to the circulating system and chokes up the fine vessels which supply the brain with vitality, and kills as if

Bereft by Lightning.

Now this can be prevented by BRANDRETH'S PILLS taken to purify the blood from the circulation, and save the general health, and curing local affections also. BRANDRETH'S PILLS protect from the tedious times of sickness and often save life. Sold by all Druggists.

PENSIONS.

ALL who have any interest in war claims will find it to their advantage to read the following Acts of Congress which have recently become law:

SEC. 1st of an act of June 6, 1865, provides for all soldiers or sailors who have lost the sight of both eyes, or both hands, so as to require constant attendance, the sum of $25.

SEC. 2. To those who have lost both feet, or are totally disabled in the same so as to require constant attendance, the sum of $20.

SEC. 3. Those who have lost one hand or one foot, or are so disabled as to render them unable to perform manual labor equivalent to the loss of a hand or a foot, the sum of $15

SEC. 4. Persons who have been deprived of their pensions under Act of March 3, 1865, in consequence of being in the civil service of the United States Government are restored.

SEC. 5. Pensions are extended to dependent fathers and brothers, as well as to mothers and sisters.

In addition to the above act, to such persons as are embraced by it, Congress, before its close July 25, 1866, passed a bill increasing the pension to widows and orphans, and extending the benefits of the pension laws to the heirs and representatives of certain invalid applicants, to wit:

SEC. 2 of the act of July 25, 1866, provides for pensions to widows of deceased soldiers or sailors having children by such soldiers or sailors, at the rate of two dollars per month for each child of soldier or sailor under the age of sixteen years. To derive benefit from this act is necessary to make new application, surrendering the old certificate.

SEC. 3 gives an increase of pensions to those widows now receiving a pension of less than eight dollars per month, except Revolutionary widows.

Applications for Pensions must be made before the Prothonotary.

BOUNTIES.

THE BILL TO EQUALIZE BOUNTIES HAS BECOME A LAW. The following is an analysis of its provisions:

1. $100 to three years' men who served their time.

2. $100 to three years' men discharged by reason of wounds received in service.

3. $100 to the widow, minor children, or parents, in the order named, of any such soldier who died of wounds or disease contracted in service.

4. $50 to each soldier not included in the foregoing classes who enlisted for two years or more, and discharged after serving two years.

5. $50 to every soldier enlisted for two years, and discharged by reason of wounds received in the line of duty.

6. $50 to the widow, &c., as above, of every soldier enlisted for less than two years, who died in service, or of wounds or disease contracted in the army.

No additional bounty is allowed to three years' men who have received, or have heretofore been entitled to receive, more than $100 national bounty, and none to two years' men who have received or are entitled to more than $50. The law only applies to honorably discharged soldiers of the late war, and to none who have sold or transferred their discharges or rights to bounty.

The undersigned will attend promptly to the collection of all such claims, at reasonable rates. Where parties reside at a distance, the business may be done by letter. Address,

NEW PHYSIOGNOMY, or "SIGNS OF CHARACTER," as manifested through Temperament and External Forms, and especially in the "HUMAN FACE DIVINE." One elegant volume, with nearly 800 pages, and 1,000 illustrations. By S. R. WELLS, Editor PHRENOLOGICAL JOURNAL. Price, post paid, $5. Address FOWLER & WELLS, No. 389 Broadway, New York.

"New Physiognomy" is eminently practical, fully illustrated, and well suited to the wants of all. In the study of "the face" the reader soon learns to read each and every feature. Noses are classified as the Roman, Greek, Jewish, Snub and Celestial. The eyes speak all languages, whether black, blue, brown or hazel. In a like manner, cheeks, neck, ears, hands, feet, walk, voice, laugh, etc., are shown to be "signs of character."

In no other work is so much light thrown upon the character and destiny of mankind as in this, or the distinctive traits of nations and tribes so clearly pointed out. Portraits of distinguished persons of ancient and modern times, with biographical sketches and delineations of character, are given. DIVINES, ORATORS, STATESMEN, WARRIORS, ARTISTS, POETS, PHILOSOPHERS, INVENTORS, SURGEONS, DISCOVERERS, ACTORS, MUSICIANS, etc., are included. It is an "Encyclopædia" of biography, acquainting the reader with the career and character of many great men and women of the past 1,000 years, and of the present—such, for instance as Aristotle, Julius Cæsar, Shakspeare, Washington, Napoleon, Franklin, Bancroft, Bryant, Longfellow, Irving, Rosa Bonheur, Theodosia Burr, Cobden, Bright, Lawrence, Bolivar, Whately, Thackeray, Dow, Knox, Richelieu, Hopper, Buckle, Dickens, Victoria, Wesley, Carlyle, Motley, Mill, Spencer, Thompson, Guthrie, Alexander, and hundreds of others.
