Habitual Constipation.

HOW TO EFFECT A CERTAIN AND PERMANENT CURE.

Some occupations of life predispose to Costiveness, especially those which allow but little exercise. Persons who contract this unfortunate habit of body, under such circumstances, might possibly be relieved by changing their sedentary employments for others of a more active kind; but this is by no means certain. Habitual constipation is a very obstinate disorder. All the ordinary so-called remedies invariably aggravate it. Nothing can be more injurious than the continued use of strong aperients. They at first irritate, and finally almost paralyze the bowels—rendering them so torpid that enormous doses of cathartic medicines have no effect upon them. A mild aperient, combined with a gentle stimulant, is the true remedy; and a combination in the happiest proportion, of these ingredients, is found in HOSTETTER'S STOMACH BITTERS. This famous Stomachic invigorates the whole intestinal canal, while quietly removing from its convolutions all impediments to a free passage through them. No mere purgative has this double operation. No ordinary stimulant effects the desired object. Cases of Constipation abandoned as hopeless by distinguished medical men have been cured in a few weeks by the Bitters. To those who have tried all the medicines of the dispensary in vain, we say try this irresistible stimulant and aperient. There is no sufficient reason why Constipation should be the consequence of sedentary habits, HOSTETTER'S BITTERS, by supplying the vigor which would otherwise be derived from exercise, will in all cases enable the system to perform its excretory functions regularly and healthfully.

Ayer's Cherry Pectoral.

FOR THE RAPID CURE OF

Coughs, Colds, Influenza, Hoarseness, Croup, Bronchitis, Incipient Consumption, and for the relief of Consumptive Patients in advanced stages of the disease.

So wide is the field of its usefulness and so numerous are its cures, that in almost every section of the country are persons publicly known, who have been restored by it from alarming and even desperate diseases of the lungs. When once tried, its superiority over every other expectorant is too apparent to escape observation, and where its virtues are known, the public no longer hesitate what antidote to employ for the distressing and dangerous affections of the pulmonary organs incident to our climate. While many inferior remedies thrust upon the community have failed and been discarded, this has gained friends by every trial, conferred benefits on the afflicted they can never forget, and produced cures too numerous and too remarkable to be forgotten.

We can assure the public, that its quality is carefully kept up to the best it ever has been, and that it may be relied on to do for their relief all that it has ever done.

Great numbers of Clergymen, Physicians, Statesmen, and other eminent personages, have lent their names to certify the unparalleled usefulness of our remedies, but space here will not permit the insertion of them. The Agents below named furnish gratis our American Almanac in which they are given, with also full descriptions of the complaints our remedies cure.

Those who require an Alterative Medicine to purify the blood will find AYER'S COMP. EXT. SARSAPARILLA the one to use. Try it once, and you will concede its value.

Prepared by Dr. J. C. AYER & Co., Lowell, Mass., and sold by all Druggists and dealers in medicines everywhere.

Allcock's Porous Plasters.

BEST STRENGTHENING PLASTER IN THE WORLD.

Allcock's Porous Plasters resolve and assuage pain by casting forth the morbid humors from parts internal to the skin and general circulation—thus, in many cases, positively evaporating the disease. JAMES LULL, M. D.

There is nothing equal in the way of a plaster, to the Porous Plaster of Mr. ALLCOCK. *Everything is pleasant about them. They are the plaster of the day, and a fit type of our present advancement in science and art.* In Asthma, Cough, Kidney Affections, Gout, Rheumatism, and local deep-seated pains, they afford permanent relief.

J. F. JOHNSON, M.D., on "Topical Remedies."

From a personal knowledge of these plasters, we can state that they are decidedly preferable to any other in use. Wherever relief is to be obtained by the use of a plaster, we should recommend them.

JOUVEN'S KID GLOVE CLEANER

ESTABLISHED 12 YEARS.

This article has been used in Paris for many years, and is what the manufacturers of gloves use to impart to them the delicate finish after they have left the hands of the sewers. It was introduced into this country over 12 years ago, and it is at this day the ONLY REALLY GOOD KID GLOVE CLEANER. It is perfectly inodorous, and the glove can be cleaned with it while upon the hand, and worn immediately. One bottle costing 35 cents will clean 25 pairs; thus for ONE CENT a pair, any lady can clean her gloves in a few moments and have them looking like new. Most dealers in Fancy Goods keep it for sale, but when they do not and will not send for it, ladies may club together for a dozen bottles and send us $2 50, and we will send them the dozen packed in a wooden box. This is our lowest wholesale price to dealers. Address,

Lyon's Periodical Drops!

The Great Female Remedy for Irregularities. These drops are a scientifically compounded fluid preparation, and better than any Pills, Powders or Nostrums. Being liquid, their action is direct and positive, rendering them a reliable, speedy and certain specific for the cure of all obstructions and suppressions of nature. Their popularity is indicated by the fact that over 100,000 bottles are annually sold and consumed by the ladies of the United States, every one of whom speak in the strongest terms of praise of their great merits. They are rapidly taking the place of every other Female Remedy, and are considered by all who know aught of them, as the surest, safest, and most infallible preparation in the world, for the cure of all Female complaints, the removal of all obstructions of nature, and the promotion of health regularity and strength. Explicit directions stating when they may be used, and explaining when and why they should not, nor could not be used without producing effects contrary to nature's chosen laws, will be found carefully folded around each bottle, with written signature of JOHN L. LYON, without which none are genuine.

THE subscribers have opened a Music Store in the new buildings recently erected by the

ALLEGANY ACADEMY OF MUSIC!

in the village of Friendship, where they keep on hand as extensive an assortment of

Melodeons, Organs, and Pianos,

as can be found in any Music Store in New York or Boston.

There is scarcely anything in which there is so much deceit as in the manufacture of these Instruments. The outside is the work of Cabinet-makers. Any one who will reflect how much difference twenty five dollars will make in the appearance of a bureau or table, can readily understand how a few dollars expense may improve the outside of an instrument, while the inside may be utterly worthless. Any one can judge of the outside appearance, but only experienced *judges can decide the value of the inside.*

The great advantage which the subscribers offer to buy an Organ, or Melodeon, or a Piano, is that every instrument they have on hand is very carefully selected from the best makers, by

ONE OF THE PROFESSORS

OF THE

ALLEGANY ACADEMY OF MUSIC

thus rendering it certain that the instrument is perfect. They warrant every instrument, and will exchange or refund the money for every instrument that proves defective. They can also sell at less prices than city Music Stores as they do not have to pay the enormous city rents.

Our firm is composed of those who own the

Allegany Academy of Music.

As this Institution is permanently established in Friendship, those wishing to purchase Melodeons, Organs, or Pianos, will readily understand the value of purchasing from a responsible house located near them.

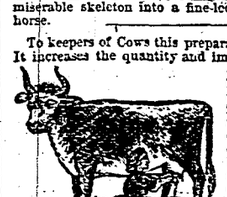
FOUTZ'S CELEBRATED Horse and Cattle Powders.

This preparation, long and favorably known, will thoroughly reinvigorate broken-down and low-spirited horses, by strengthening and cleansing the stomach and intestines.

It is a sure preventive of all diseases incident to this animal, such as LUNG FEVER, GLANDERS, YELLOW WATER, HEAVES, COUGHS, DISTEMPER, FEVERS, POUNDER, LOSS OF APPETITE AND VITAL ENERGY, &c. Its use improves the wind, increases the appetite—gives a smooth and glossy skin—and transforms the miserable skeleton into a fine-looking and spirited horse.

To keepers of Cows this preparation is invaluable. It increases the quantity and improves the quality of the milk. It has been proven by actual experiment, to increase the quantity of milk and cream twenty per cent and make the butter firm and sweet. In fattening cattle, it gives them an appetite, loosens their hides, and makes them thrive much faster.



In all diseases of Swine, such as Coughs, Ulcers in the Lungs, Liver, &c., this article acts as a specific. By putting from one-half a paper to a paper in a barrel of swill the above diseases will be eradicated or entirely prevented. If given in time, a certain preventive and cure for the Hog Cholera.

Price 25 Cents per Paper, or 5 Papers for $1.
