Chlorine Teeth Wash.

The well known qualities of the Chloride of Soda, in purifying generally, have induced this establishment to prepare a Teeth-wash, in which it forms an important ingredient. As a general cleanser of the teeth and gums, it has no equal. It prevents the accumulation of tartar, and by destroying all adhesive matter in the teeth, prevents an unpleasant breath. One great quality this article possesses over every preparation for the same purpose is, that it keeps the tooth-brush clean while in use. Price 37½ cents per bottle.
