Then why this fuss and bluster over the carcass of what was once smouldering ruius. The worst feature a live controlling element in American of the fire, and indeed a most lamentapolitics? Slavery was at one time the ble occurance was the burning to death life and soul of the Democratic party when that went under every thing upon which the party relied for power disap. peared. The orators and oracles of the party could no longer wax eloquent about this peculiar institution as the gift of the fathers of the Republic' to the people. They laid much stress on the word "peculiar," in using it, in regard to slavery, as if it ment more when so used, and as though it relieved the institution of one whit of its barbaric meanness. Well slavery being dead, the skeleton carcass of the Democracy, now and then utters a groan over what it once was, to wit, a great, a very great political party, and would like to make believe that it is yet But when did Gen. ENDED AT LAST .-- On Saturday evening at a few minutes after eleven o'clock the Jury in the celebrated Stokes case came into court having agreed upon their verdict, of "murder in the first degree." The Judgment of the Court, which is the death penalty was pronounced on Monday, the 6th inst. Thus it happens that in just one year from the day that make you comfortable and happy. And Fisk was murdered, his murderer is sencheap tenced to be executed by hanging. It seems there was some sensation in the court room which was densly packed when the jury returned with their verdict, and Stokes demonstrated the viol. ence of his nature in menacing Mr. Beach one of the Atty's for the people; simply because he done his duty well to tools and chains.
