THE PEOPLE'S Monthly for December 1877, for some unaccountable reason is just received. It is a splendid number both for its engravings and its reading matter.

SCRIBNER'S MONTHLY.—The December and January numbers of this excellent monthly are on our table. There need be no cavil about Scribner's for it ranks among the best monthlies of the world.

GODEY'S Lady's Book for January contains the following handsome illustrations: "Going to School in Winter," a superior steel engraving; a steel plate title-page, containing several pictures; an elaborate colored fashion plate; a colored plate of fancy work; "Happy New-Year," one of Godey's original designs on colored paper; and an abundance of novelties for the toilet.

THE NEW YEAR.—We have now fairly entered upon that period of time designated as the year 1878. The same sun shines upon us as before, and the same influences are felt in every avenue of life.

ARTHUR'S Home Magazine has been making its monthly visits to the homes of the American people as a power for good. With the January number it takes its new departure for a higher level and a broader field for useful labor.

HOW TO GO WEST. This is an inquiry which every one should have truthfully answered before he starts on his journey, and a little care taken in examination of Routes will in many cases save much trouble, time and money. The "C. B. & Q. R. R." running from Chicago, through Galesburg to Burlington, and the "L. B. & W. Route," running from Indianapolis, through Bloomington to Burlington, have achieved a splendid reputation in the last two years as the leading Passengers Routes to the West. At Burlington they connect with the B. & M. R. R. and from the great Burlington Route, which runs direct through Southern Iowa to Nebraska and Kansas, with close connections to California and the Territories; and passengers starting from Elk County, on their way westward, cannot do better than to take the BURLINGTON ROUTE. This Line has published a pamphlet called "How to go West," which contains much valuable information; a large correct map of the Great West, which can be obtained free of charge by addressing the General Passenger Agent of the B. & M. R., Burlington, Iowa.

ONE MILLION OF LIVES PAID

It is one of the most remarkable facts in this remarkable age, not that so many persons are the victims of dyspepsia or indigestion, but its willing victims. No one would be understood to say that any one regards dyspepsia with favor, or feels disposed to rank it among the luxuries of life. Far from it. Those who have experienced its torments would scout such an idea. All dread it, and would gladly dispense with its unpleasant familiarities.

Of all the multifarious diseases to which the human system is liable, there is perhaps no one so generally prevalent as dyspepsia. There are diseases more acute and painful, and which more frequently prove fatal, but none the effects of which are so depressing to the mind and so positively distressing to the body. If there is a wretched being in the world it is

A CONFIRMED DYSPEPTIC. We have said that dyspepsia is perhaps the most universal of human diseases. This is emphatically the case in the United States. Whether this general prevalence is due to the character of the food, the method of its preparation, or the busy manner in which it is usually swallowed, is not our province to explain. The great fact with which we are called to deal is this: DYSPEPSIA PREVAILS almost universally.

Nearly every other person you meet is a victim, an apparently willing one; were this not the case, why so many sufferers, when a certain, speedy and safe remedy is within the easy reach of all who will avail themselves of it? But says a dyspeptic: What is the remedy to which we reply: This great alleviator of human suffering is almost as widely known as the English language. It has allayed the agonies of thousands, and is to-day carried and encouragement to thousands of others. This acknowledged panacea is none other than

DR. HOOFLAND'S GERMAN BITTERS. Would you know more of the merits of this wonderful preparation than can be learned from the experience of others? Try it yourself, and when it has failed to fulfill the assurance of its efficacy given by the proprietor, then abandon faith in it. LET IT BE REMEMBERED.

First of all, that HOOFLAND'S GERMAN BITTERS is a pure vermifer. They are composed wholly of the pure juice of vital principle of roots. This is not a mere assertion. The extracts from which they are compounded are prepared by one of the ablest of German chemists. Their effects can be beneficial only in all cases of the biliary system. Hoofland's German Bitters stand without an equal, acting promptly and vigorously upon the liver; they remove its torpidity and cause healthful secretion of bile—thereby supplying the stomach with the most indispensable elements of sound digestion in proper proportion.

They purify the blood, cleansing the vital fluid of all hurtful impurities and supplanting them with the elements of genuine healthfulness. Now, there are certain classes of persons to whom extreme Bitters are not only unpalatable, but who find it impossible to take them without positive discomfort. For such Dr. HOOFLAND'S GERMAN TONIC has been specially prepared. It is intended for use where a slight alcoholic stimulant is required in connection with the known tonic properties of the pure German Bitters.

HOOFLAND'S TONIC acts with almost marvelous effect. It not only stimulates the flagging and wasting energies, but invigorates and permanently strengthens its action upon the Liver and Stomach thorough, perhaps less prompt than the Bitters, when the same quantity is taken is none the less certain. Indigestion, Bilio-nousness, Physical or Nervous prostration, yield readily to its potent influence. It gives the invalid a new and stronger hold upon life, removes depression of spirit, and inspires cheerfulness. But Dr. Hoofland's benefactions to the human race are not confined to his celebrated GERMAN BITTERS, or his invaluable Tonic. He has prepared another medicine, which is rapidly winning its way to popular favor because of its intrinsic merits. This is HOOFLAND'S PODOPHYLLIN PILLS, a perfect substitute for mercury without any of mercury's evil qualities.

These wonderful Pills, which are intended to act upon the Liver, are mainly composed of Podophyllin, or the vital principle of the mandrake root. It is the medicinal virtues of this health-giving plant in a perfectly pure and highly concentrated form. The Podophyllin acts directly on the Liver, stimulating its functions and causing it to make its biliary secretions in regular and proper quantities. The injurious results which invariably follow the use of mercury is entirely avoided by their use. But it is not upon the Liver only that their powers are exerted. The extract of Mandrake contained in them is skillfully combined with four other extracts, one of which acts upon the stomach, one upon the upper bowels, one upon the lower bowels, and prevents any gripping effect, thus producing a pill that influences the entire digestive and alimentary system, in an equal and harmonious manner, and its action entirely free from nausea, vomiting or gripping pains common to all other purgatives.

Possessing these much desirable qualities the Podophyllin becomes invaluable as a FAMILY MEDICINE. No household should be without them. They are perfectly safe, require but two grains for an ordinary dose, are prompt and efficient in action, and when used in connection with Dr. Hoofland's German Bitters, or Tonic, may be regarded as certain specifics in all cases of Liver Complaint, Dyspepsia, or any of the disorders to which the system is ordinarily subject. The PODOPHYLLIN PILLS act upon the stomach and bowels, carrying off improper obstructions, while the Bitters or Tonic purify the blood, strengthen and invigorate the frame, give tone and appetite to the stomach, and thus build up the invalid anew.

Dr. Hoofland, having provided internal remedies for disease, and for use in the world one mainly for external application, in the wonderful preparation known as

DR. HOOFLAND'S GREEK OIL. This Oil is a sovereign remedy for pains and aches of all kinds. Rheumatism, Neuralgia, Toothache, Chills, Sprains, Burns, Pain in the Back and Loins, Ringworms, etc., etc., all yield to its external application. Taken internally, it is a cure for Heartburn, Kidney Diseases, Sick Headaches, Colic, Dysentery, Cholera Morbus, Cramps, Pains in the Stomach, Colds, Ac, hma, etc. These remedies will be sent by express to any locality, upon application to the PRINCIPAL OFFICE, at the GERMAN MEDICINE STORE, No. 631 ARCH ST., PHILADELPHIA

CHAS. M. EVANS, Proprietor. Formerly G. M. JACKSON & CO. These Remedies are for sale by Druggists, Storekeepers, and Medicine Dealers every where. vln24y1
