A Parody.

(Tune.—The Old Oaken Bucket.)

[Written by one of our Brush Creek township readers.—Ed.]

How dear to my heart is the News (Fulton County),
As fresh from the press it spreads out to my view.
Not a full blushing "daily" can tempt me to leave it,
'Till I have persued it—have read it "clean through."
In the large city papers which come to our hand,
We read the home, foreign and "scandalized" news.
Their head-lines are glowing, their pictures are grand:
But they tire us—we long for our own Fulton News.
Its weekly appearance we hail as a treasure,
All freighted with happenings of the past week:
Its columns we scan with the greatest of pleasure,
In the "Items" we find just the news that we seek.
Though the writer who sends in the news from "The Corners,"
Informs us "Si Plunkett has killed a fat hog,"
"Josh Brown is unwell," "we have fine sleighing weather."
And "John Henry Jones was chased by a mad dog."
But when far removed from our loved Fulton County,
"The News" comes to us like a letter from home,
We anxiously read it—it's all right—we know it,
And long may OUR PAPER continue to come.

Dreadful Attack of Whooping Cough.

Mrs, Ellen Harlison, of 300 Park Ave., Kansas City, Mo., writes as follows: "Our two children had a severe attack of whooping cough, one of them in the paroxysm of coughing would often faint and bleed at the nose. We tried everything we heard of without getting relief. We then called in our family doctor who prescribed Foley's Honey and Tar. With the very first dose they began to improve and we feel that it has saved their lives." Refuse substitutes. Sold by all dealers.

Full of Tragic Meaning.

are these lines from J. H. Simmons, of Casey, Ia. Think what might have resulted from his terrible cough if he had not taken the medicine about which he writes: "I had a fearful cough, disturbed my night's rest. I tried everything, but nothing would relieve it, until I took Dr. King's New Discovery for consumption, coughs and colds, which completely cured me." Instantly relieves and permanently cures all throat and lung diseases; prevents grip and pneumonia. At Trout's the druggist; guaranteed; 50c and $1.00. Trial bottle free.

Don't Borrow Trouble.

It is a bad habit to borrow anything, but the worst thing you can possibly borrow, is trouble. When sick, sore, heavy, weary and worn-out by the pains and poisons of dyspepsia, biliousness, Bright's disease, and similar internal disorders, don't sit down and brood over your symptoms, but fly for relief to Electric Bitters. A Temperance Declaration.

Perhaps it may not be generally known that twelve former Presidents of the United States, at the earnest solicitation of Edward Cornelius Delevan, of New York, appended their names to the following temperance declaration: "Being satisfied from observation and experience, as well as from medical testimony, that ardent spirits and drink is not only needless, but hurtful, and that the entire disuse of it would tend to promote the health, the virtue and the happiness of the community, we hereby express our conviction that should the people of the United States, and especially the young men, discountenance entirely the use of it, they would not only promote their personal benefit, but the good of our country and the world." The Presidents so signing were: Andrew Jackson, James Madison, John Quincy Adams, Martin Van Buren, John Tyler, Millard Fillmore, Franklin Pierce, James Buchanan, Abraham Lincoln, Andrew Johnson.

Forget About Your Stomach.

If your digestion is bad the vital organs of your body are not fed and nourished as they should be. They grow weak and invite disease. Kodol Dyspepsia Cure digests what you eat, cures indigestion and all stomach troubles. You forget you have a stomach from the very day you begin taking it. This is because it gets a rest—recuperates and gradually grows so strong and healthy that it troubles you no more. E. L. Babcock, Amherst, Minn., says: "I have taken a great many remedies for indigestion but have found nothing equal to Kodol Dyspepsia Cure." Kodol digests what you eat, cures indigestion, dyspepsia, sour stomach, belching, heartburn and all stomach troubles. Its preparation is the result of many years of research. Sold at Trout's drug store.

Last Friday afternoon the Loyal Temperance Legion of Bedford planted a maple tree in the public square in Bedford, which was a gift to the Legion from Hon. Philander C. Knox, United States Senator, and formerly Attorney General of the United States. The tree was grown on the historic grounds at Valley Forge where Washington and his army were encamped during the winter of 1776-'78. Interesting exercises took place and the gift is highly appreciated.
