SPECIAL NOTICES.

APPOINTMENT EXTENDED TO JUNE FIRST.

DRS. C. M. FITCH & J. W. SYKES,

Will remain at their

191 Penn street,

OPPOSITE ST. CLAIR HOTEL, PITTSBURGH, PA.

TILL JUNE FIRST, 1858,

And may be consulted daily, (except Sundays) on CONSUMPTION, ASTHMA, BRONCHITIS and ALL OTHER CHRONIC COMPLAINTS complicated with, or leading pulmonary disease, including

Catarrh, Heart Disease, Affections of the Liver, Dyspepsia, Gastritis, Female Complaints, &c.

DRS. FITCH & SYKES would state that their treatment of Consumption is based upon the fact that *the disease exists in the blood and system at large, both before and during its development in the lungs*, and they therefore employ Mechanical, Hygienic and Medical remedies to purify the blood and strengthen the system. *Will Disease*, they use MEDICAL INHALATION, which they value highly, but only as *Palliatives*, which used alone have no *Curative* effects, and Invalids are earnestly cautioned against wasting the precious time of curability on any treatment based upon the plausible, but false idea that the seat of the disease can be reached in a direct manner by Inhalation.

☞ No charge for consultation.

A list of questions will be sent to those wishing to consult us by letter. Address

☞ WHY WILL YOU SUFFER?—Read the testimony of Dr. H. P. LEONARD, Druggist, Fayette C. H., Ala., January 15, 1853.

Dear Sir—Hoofland's German Bitters have done wonders in this section. A youth, a son of G. H. Hubbert, Esq., of this county, had been for several months under the care of our best practitioners without relief, and the case reported doubtful, and the young man although scarcely able to get about, commenced with the Bitters. He found so much relief from the first bottle, he continued to take, until a complete cure was effected. He is now perfectly well and stout.

☞ A RECIPE THAT RARELY EVER FAILS TO CURE A COLD.—Now, while winter, with its burthens of Colds and Coughs, is with us, we think a remedy that will relieve such visitations should be highly prized, and all who know the worth of this remedy, will do as we do—prize it doubly. Take a double dose of *Dr. Sanford's Invigorator*, and it will give greater relief than any other medicine we ever tried, for we have rarely to repeat the dose to be entirely free from Cough, and as soon as the lungs have time to throw off the collected matter, the cure is complete. As a family medicine, for the cure of Bowel Diseases, Worms, Derangement of the Stomach and Liver, we can recommend it knowingly.

THE MOUNTAIN HOTELS at CRESSON, on the Pennsylvania Railroad, are offered for lease for a term of years. These buildings which are large and commodious, are situated near the Summit of the Allegheny Mountains, in Cambria county. The salubrity of the climate—the pure water—the beauty of the Mountain Scenery—the facilities for fishing and hunting, and all those enjoyments and recreations which give health and vigor, have rendered Cresson a popular place of Summer Resort for visitors from all parts of the United States. The Pennsylvania Railroad furnishes means of access daily, from all the principal cities of the Union, and visitors while enjoying all the pleasures of country life, can communicate with the cities every few hours.

The Hotels belong to "The Allegheny Mountain Health Institute," with all the furniture and fixtures belonging to the Company. They are in a suitable condition for the comfortable accommodation of over TWO HUNDRED guests.

LOCAL AFFAIRS.

Important Arrests for Counterfeiting.

The Mayor's police have for some time been aware that certain parties in Allegheny city were engaged in passing counterfeit money. Yesterday afternoon a posse of officers went over into the Third Ward, Allegheny city, and instituted a search on the premises of Robert Arnold, who lives in that vicinity. They found concealed in the top of a cupboard in his house a quantity of counterfeit American and Mexican quarter dollars. They also succeeded in obtaining some more coin of the same character from the wife of Arnold. Mr A. was not at home, and two officers were detailed to watch the house until his return and arrest him. About five o'clock he drove up in a wagon, and was immediately captured and taken to the Mayor's office. He is now maintained in custody, and will have a hearing today. The amount represented by the coin found on his premises is twenty-five dollars.

Arnold is a man who has hitherto borne a good reputation among his acquaintances. He has married a comfortable fortune, and has been engaged in the manufacture of vinegar. He is a Justice of the Peace, and a church member. When brought to the Mayor's office he expressed great penitence for his crime.

Another party near Minersville being suspected, the officers proceeded to that vicinity, and made a search in the house of Henry Moore. Here they found a large number of moulds for making American half dollars, quarters and dimes, also zinc and other materials. Moore was arrested, and on his person was found several dollars in counterfeit coin, and some fifteen dollars in good money. The coin is very well made, and bears a close resemblance to genuine. The weight corresponds exactly with that of good money. A large club was found concealed in Moore's bed, and a hatchet, pistol, and other weapons found in the house.

The police deserve much praise for their expertness in finding out these offenders. They will be tried at the next term of the United States Court, in June.

Theatrical.

Miss Maggie Mitchell, who made such an impression while playing an engagement here, seems to be quite as great a favorite in other localities. The Baltimore "Republican" in speaking of her says:—"This talented young lady and great Baltimore favorite, terminates one of the most brilliant engagements she has fulfilled in our city, on Saturday evening next. During her stay she has appeared in a numerous round of characters, in all of which she has acquitted herself in a manner entirely faultless, and to the great satisfaction of the large audiences nightly congregated to witness her unequalled personations."....The Martinetti and Blendin Troupe are now performing at the Louisville Theatre..... The report that Miss Maggie Mitchell has been married to Mr. Paddock, of Cleveland, is denied by her agent, Mr. S. W. Glenn.....Bateman, of St. Louis, has purchased the lease of the Broadway Theatre, New York, for $10,000..... Col. James S. Wallace, formerly of the Philadelphia "Sun," has become Manager of the Louisville Theatre.....Mr. Couldock is playing with John Elleler at Columbus, Ohio.

THE PIONEER FESTIVAL IN CINCINNATI.—The seventieth anniversary of the settlement of Ohio was celebrated at the Burnet House, in Cincinnati, on Monday evening. Extensive preparations had been made to secure the enjoyment of all in attendance. The festivities were under the direction of the Pioneer Association, and it is said to have been a very pleasing reunion. Old associations were reviewed, old scenes were recalled, and the few remaining veterans who remember when the site of the city of Cincinnati was a dense forest, talked over the eventful scenes of the past. The exercises of the evening consisted of a number of short, pithy speeches, appropriate for the occasion, songs, sentiments &c., the whole concluding with a "hop." Some six or seven hundred persons were present.

FATAL ACCIDENT AT LANCASTER, OHIO.—We extract the following particulars of a shocking accident from the Lancaster (Ohio) "Eagle":

"On Monday evening of this week, Miss Sarah Jane Nisely, aged fifteen years, in company with her little brother, were engaged in burning brush upon their father's farm, some distance from the dwelling, when her clothes caught fire, and she was fatally burnt. It appears that finding her efforts to extinguish the flames unavailing, she started for the house, and, after running about one hundred yards, was compelled to yield to the burning element in which she was encompassed, and sank to the ground. Her little brother ran to the house and alarmed the family, who hastened to her aid, but, alas! came too late—came only in time to see one of their family group struggling in the solemn embrace of death, her clothing being entirely consumed, and the whole surface of the body completely blistered. She endured the most excruciating pain for five hours, when death came to her relief."

AVERAGING ACCOUNTS.—J. W. Worthen is at present in our city, and has rented Iron City College Hall, in which he proposes to teach teachers, book-keepers and accountants his system of averaging accounts. He offers to teach this science thoroughly in half an hour, or to charge nothing. We know nothing of his system, and consequently cannot speak advisedly, but little could be lost by calling upon him and taking a lesson.

THE LUTZ CASE.—It seems that the Governor has revoked the death warrant recently forwarded for the execution of John Lutz. It appears that he had not been apprised of the writ of error. This will be argued on the first of May, when, if it is sustained, Lutz will be released; if not, a new death warrant for his execution will issue.

STEALING RIBBON.—On Thursday afternoon, a young woman residing in Allegheny was before Mayor Stockerth on a charge of stealing a bolt of ribbon from the store of Joseph Beck, of Ohio street. The girl was quite penitent, and as she said this was her first offence, she was discharged on paying for the ribbon, after receiving a severe reprimand.

GODEY.—We have received Godey's Lady's Book for April, from the publisher. This work is always a welcome visitor at our table, and the present number is particularly attractive—containing some very fine plates. We observe the editor complains of not receiving notices from his exchanges. We have noticed every number we have received, though our paper may not have reached the proprietor.

MERCANTILE AGENCY.—We call attention to the advertisement of R. Douglass & Co. in another column. The Mercantile Agency has branches in all the principal cities of the Union, and agents in every little town. Their facilities for the collection of debts and furnishing information to business men are very great, and the Mercantile Agency is consulted by merchants all over the country.

BRUTAL.—A poor woman made her appearance at the Mayor's office last evening with five children, some of them very young, and stated that her husband, John Wissert, had turned them out of the house. The Mayor sent some watchmen to his house in the Eighth Ward, who arrested Wissert and brought him to the watch house. He was locked up for safe-keeping, and his family were restored to their home.

HARSH SENTENCE.—A special term of Court has been in session at Washington this week. George Harper, recently convicted of forgery, on oath of Leverton Thomas, and who had been granted a new trial, was convicted a second time, and sentenced to three years imprisonment in the Western Penitentiary.

THEATRE.—The new sensation drama of "The Mormons or Life at Salt Lake City," was presented at the Theatre for the first time last evening to a fair audience, and was well received. It will be repeated this evening for the last time.

THE NEW THEATRE.—The workmen are still plying their trade day and night at the New National Theatre. A number of upholsterers are at work studding the seats, and the work so far advanced that it can be opened for dramatic representation on next Monday evening.

MALICIOUS MISCHIEF.—Mr. J. H. Walter made complaint against S. Schallenberger, yesterday, for malicious mischief in cutting off his horse's tail, and also stealing twenty-five chickens from him. Schallenberger was committed to jail.

EXECUTION AT LANCASTER.—The telegraph informs us of the execution of the two negroes, Anderson and Richards. They both confessed their guilt on the scaffold. The execution took place yesterday morning at about half-past eleven o'clock.

ADULTERY.—Jane Whelen and Leonard Thompson, colored, residents of the Sixth Ward, were committed to jail on Thursday, on a charge of adultery by Alderman Rogers. The charge was preferred by Mary Whelen.

THE SWISS BELL RINGERS.—This company gave their second concert at Masonic Hall last evening to a good audience. This evening they repeat the entertainment for the last time.

ASSAULT AND BATTERY.—A man named Redman was sent to jail yesterday for an assault and battery committed on John Workman.

SANFORD'S OPERA TROUPE will give their first concert in Masonic Hall on Monday evening.

A WRIT OF ERROR has been granted in the Kelly case, returnable at Harrisburg on the 7th day of May.

CARNAGHAN'S CUSTOM DEPARTMENT.—Carnaghan, Allegheny city, who has laid the foundation of a heavy trade in Ready Made Clothing, appears to be no less successful in his custom department. To this branch he pays special attention, by keeping on hand the latest styles of fine piece goods for both men's and boys' wear, and having his cutting executed with great taste and skill. He furnishes a good article at a reasonable price, by keeping a fine grade of goods, and selling for cash. Buyers will do well to examine his stock and prices.

EMPORIUM OF FASHION.—The latest Paris, London and New York fashions will be received and reproduced in tissue paper as soon as they appear in New York, being a branch of Demorestes' Emporium of Fashion of New York. I am prepared to supply full trimmed and plain patterns of every article of Ladies and Children's garments. Mantua makers, Milliners, and ladies of private families, will be supplied at wholesale and retail prices patterns from ten cents up. Emporium of Fashion at CLARK'S, No. 4 Girard House, corner Third and Smithfield streets. Sent to any part of the country by mail.

CHOICE BOOKS BY CATALOGUE.—This evening, on the second floor of Davis' New Auction Building, Fifth street, is to be sold by catalogue a special collection of English and American books. This sale is one of those opportunities for obtaining rare works and excellent editions, which enables readers of taste and research to make valuable additions to their Libraries. The volumes are now arranged for examination, and comprise the best authors in English and American literature, history, science and the arts, with the best translations of standard ancient classics.

We are requested to remind our readers that the sale of the extensive stock of Furniture, &c., of the Perry Hotel, on Duquesne Way, will be commenced this morning at ten o'clock, by P. M. Davis, auctioneer.

DULL.—Yesterday was decidedly the dullest day we have experienced this spring. Local news could not be found. At the Aldermen's offices everything was quiet, and there was large office transacting at the Mayor's office. Mayor Weaver had five common cases, three of which were committed to jail and two paid their fines. Mayor Stuckrath, of Allegheny, had only a few ordinary customers. The Court of Common Pleas was not in session, and the business in the District Court was of but trifling importance. We should like to see an excitement—as much for the benefit of our readers as ourselves.

LIVERPOOL, March 26.—Cotton:—The sales of Cotton during the week have been 65,000 bales, including 4,600 bales to speculators and 9,500 to exporters. The market opened at an advance of ⅛@¼; but the American advices received by the Anglo Saxon caused a decline of ⅛ in middling and lower qualities. The closing quotations are ⅛d lower, for inferior grades than the sales quoted at the sailing of the Persia. The estimated sales to-day are 7000 bales, including 1000 to speculators and 1200 to exporters. The market closed quiet at the following quotations. To Carpenters Wishing to Visit the West.

A GENTLEMAN, NOW IN WASHINGTON, has sent to the Editor of this paper, the Plan and Specifications for finishing a Church, in the town of Plattsburg, Missouri, where he resides. Circumstances have prevented him from visiting this city, as he designed to do, with a view of submitting his references and contracting for the work. They may be seen at this office, however, where proposals will be received for one week. The opportunity is deemed a favorable one—especially to any good workman, who may have an inclination to look at "the Great West," whom we will cheerfully recommend. [apdlw
