This embodies bad grammar and worse sentiment. If the writer of this wish-wash is so anxious to elect the soldier element, how does it come that his party went in body and soul to effect the defeat of one of the most worthy soldier's Snyder county ever produced, giving the seat of associate judge of this county, to a man who never smelt powder? Besides our man was only eleven years old when our country called its men to arms.

Far be it from us to say one disrespectful word of the democratic candidate for prothonotary. He was a soldier and was wounded. Our country recognized his services and pensioned him. He is a democrat and holds the office of post-master in his town. Our man had the benefits of the post-office in this place and lost it because he was a republican. We could not all be soldiers, but we all strive to get rich.

Is the Best

TABLE SAUCE.

Thousands of articles are now manufactured that in former years had to be imported, paying high import duty as it is now being done on Lea & Perrins table sauce; the QUAKER TABLE SAUCE takes its place; it has been pronounced by competent judges just as *good* and *even better*. The QUAKER SAUCE has Slowly but surely gained great importance and is replacing the *very best* imported sauce on the shelf of the grocer, the tables of the restaurant and the tables of the rich and poor men, greatly prized and relished by all on account of its piquancy, aroma, taste, strength and pureness. By manufacturing this sauce here, heavy import duties and freights are saved, and it is sold at a lower figure to the dealer, who making a better profit on Quaker Sauce can sell it to the consumer cheaper than the very best imported article ...
