SPECIAL NOTICES.

APPOINTMENT EXTENDED TO

JUNE FIRST.

DRS. C. M. FITCH & J. W. SYKES,

Will remain at their office,

No. 191 PENN STREET,

OPPOSITE ST. MARY'S CHURCH, PITTSBURGH,

TILL JUNE FIRST, 1858,

And may be consulted daily, (except Sundays) for CONSUMPTION, NATIONAL DEBILITY, and ALL OTHER CHRONIC COMPLAINTS connected with, or causing pulmonary disease.

Catarrh, Heart Disease, Affections of the Liver, Dyspepsia, Gastric Female Complaints, &c.

DRS. FITCH & SYKES are satisfied that their treatment of Consumption is based on a fact that has been established, namely, that the disease results in the deposition of tubercles in the lungs, and that these tubercles may be thrown off by the blood, strengthened by the system. By adopting the MEDICAL INHALATION, which they value highly, but only as *Palliative*, which used alone have no *Curative* effects, and Invalids are earnestly cautioned against wasting the precious time of curability on any treatment based upon the plausible, but fallacious idea that the seat of the disease can be reached in a direct manner by Inhalation.

☞ No charge for consultation.

A list of questions will be sent to those wishing to consult us by letter. Address

DRS. C. M. FITCH & J. W. SYKES,

mr29 191 Penn street, Pittsburgh, Pa.

☞ INVALIDS, HAVE YOU TRIED HOOFLAND'S GERMAN BITTERS? If not, read the following

LANCASTER, April 30, 1855.

Respected Sir—I have been for a long series of years afflicted with Dyspepsia, Inactivity of the Liver, and Nervous Debility. My mental powers have been so reduced as to render me quite unfit for the transaction of any kind of business. After consulting many eminent physicians, and using their prescriptions, and after using the most potent remedies of the day, supposed to be applicable to my case, I always failed to have a permanent relief. A friend with much persuasion, induced me to try a bottle of your celebrated Bitters. I have used one bottle, and this day commenced the second. I can, with a clear conscience, state that it has happily proved me. My appetite and spirits have astonishingly improved, and I begin to feel as though I had grown (suddenly) ten years younger, and really, I am almost prepared to say that I now consider myself calculated for any business, while, to do damage, I would as soon have under taken to "square the circle," as to have attempted it.

Yours, respectfully, A. B. KAUFMAN.

To Dr. C. M. Jackson, Philadelphia.

Miss Maggie Mitchell—This lady appears [illegible] to night at the Theatre, taking her farewell leave of Pittsburgh. She has written, it is said, a play for her last visit here, and if we mistake not, will be given this night for the last time. She appears tonight in an Indian drama entitled "The Wept of the Wish-ton-wish," and will act the principal character, and also a Katy O'Shell. The celebrated drama by Dion Boucicault, entitled "Jane Brown, or the Relief of Lucknow," is in rehearsal, and will shortly be produced at this establishment.

A NEW STATION ON THE PENNSYLVANIA RAILROAD.—A new station was established on the 11th inst. on the Pennsylvania Railroad at the point where the Braddock's Field and East Liberty road crosses said railroad, on the farm of William G. Hawkins, in Wilkins township. It is said to be the only station between Turtle Creek and the Nine Mile Run, to and from which there is access by a public road from the plank road on the river, and is regarded by the citizens of its vicinity as a great accommodation to the people thereabouts.

THE MAYOR, in company with Mr. Fortune, clerk to the Board of Health, visited the alleged nuisance in the vicinity of Wood's Brewery, in the Ninth Ward, on Tuesday morning. The swill from the brewery runs off and is deposited in a pond on some vacant lots in the vicinity, and has become an intolerable nuisance to the dwellers in the vicinity. Under these circumstances, the Mayor and the Board of Health will take prompt measures to have the nuisance abated.

PIANOS.—Mr. Mellor, on Wood street, who has for years been engaged in the sale of Pianos in Pittsburgh, advertises this morning, several of Chickering's Grand and Pedal Pianos. Mr. Thalberg, during his last visit here, paid a high encomium to the fine quality of these pianos, which, coming from such an acknowledged master, must carry with it great weight. If any desire to purchase an instrument, they should call on Mr. Mellor and examine his stock.

CARPETS.—Our neighbors below, Messrs. Robinson & Co. have just received a fine and extensive assortment of new carpets. A good quality of carpet is difficult to procure at all times, but this house has the permanent of furnishing a good article at reasonable prices. The stock now arriving has been lately purchased in the East, and they will sell on very low terms. It will be well for persons about furnishing their houses to call and examine the stock.

IMPROVEMENT ON FIFTH STREET.—Yesterday morning, workmen commenced operations on the old second Presbyterian Church, by tearing it down, preparatory to the erection of the banking houses which are intended to occupy its place. H. H. Ryan advertises his furniture for sale, as he intends vacating the building soon, and the winter sets in we may expect to see a block of fine buildings for business purposes on this ground.

CARPETS.—Persons who wish to purchase carpets from fashionable manufactures should pay a visit to A. McCLURG & Co., corner of Grant and Fifth streets, where the choicest assortment of those goods to be found in the city may now be seen. McClurg's has always been headquarters for carpets, and it he continues in the carpet trade, his store will soon be head quarters for those goods also.

MRS. CECILE ROSE, who made such an impression on the Pittsburgh public during her stay here, has been giving readings in Steubenville, in company with Miss Agnes Sutherland, a vocalist of some talent. The combined reading and concert has been successful in that place, and the citizens have expressed themselves highly gratified with the entertainment.

WILLIAM SMITH, who is accused of stealing iron from the Pittsburgh, Fort Wayne and Chicago Railroad at Sewickley, has been held to bail in the sum of eight hundred dollars for his appearance at the next term of Court.

J. B. D. CLARK, No. 4 Girard House, Smithfield street, has received Godey's Lady's Book for June, an excellent number, with fine plates; also, Harper's and Graham's Magazines for June, and the Eastern weeklies so far as published. Call and supply yourselves with good reading.

CARRIAGES, Brouches and Buggies, an extensive assortment, Eastern made, will be sold this Wednesday morning, at 11 o'clock, by Mr. Davis, at his salesroom, Fifth street.

CAPITALISTS seeking investments are referred to the advertisement of Messrs. O'Connor Bro & Co., in this morning's *Post*. They have for sale a great variety of bank, insurance and railroad stocks of a description which pay.

WE would advise our readers to go to Joe. H. Culbertson's No. 95 Market street, and buy a pair of boots, as he keeps a good stock. See his advertisement in another column.

THE case of Hood vs. Hood et. al., which has occupied the attention of the District Court for a week past, is still on trial.

FIRST CLASS clothing, suited to the season, for both men's and boys' wear, will be found at Cunningham's Old Establishment, Allegheny City. Shirts, gloves, scarfs, ties, hosiery, &c., always on hand, at close rates for cash.

DR. KENNEDY'S

THE GREATEST

MEDICAL

DISCOVERY

OF THE AGE.

MR. KENNEDY, of Roxbury, has discovered in one of our common pasture weeds a remedy that cures

Every kind of Humor,

FROM THE WORST SCROFULA DOWN TO A COMMON PIMPLE.

He has tried it in over seven hundred cases, and failed in only two cases, (both children.) He has tested the powers in over one hundred consecutive cases of Pimples, all within twenty days of its use.

Two bottles are warranted to cure the worst case of Scrofula.

Pamphlets containing testimonials of some of the most respectable citizens will accompany the medicine, which will contain directions for its use.

Prepared only by DR. DAVID KENNEDY, ROXBURY, MASS.

Dear Sir:—The medicine of your Medical Discovery has done for me what no other medical preparation in the country was able to do, it has cured me of Scrofula. I feel it my duty to make this public, that others may know where to find a remedy for this disease, as the most skillful physicians have failed to do with me. Yours, with gratitude, JOHN F. GERRY, Firm of Gerry, Peck & Co., Cor. Broad and Hanover sts., Boston.

DEAR SIR:—I feel in duty bound to inform you of the wonderful effect your Medical Discovery has had on my little boy. He was afflicted with a humor in his mouth, which we had tried many of the best medical men in this city to cure, but it only grew worse under their treatment, and we had given up all hopes of his recovery, when we were induced to try your Medical Discovery, and before he had taken one bottle we could see a change for the better, and before he had taken three bottles he was entirely cured. Yours, respectfully, JOHN S. CLARK, Firm of Clark, Moore & Co., Cor. Washington and Washington sts., Boston.

DEAR SIR:—Your Medical Discovery has proved to me a most valuable medicine. I was afflicted with a humor in my eyes, which was so bad that I was obliged to leave my business for a time. I tried many of the best medical men in this city, but received no benefit from their treatment. I was induced to try your Medical Discovery, and before I had taken one bottle I was sensible of its good effects, and before I had taken three bottles my eyes were entirely cured. Yours, respectfully, JOHN H. WHITE, Firm of Wm. Parker & Co., Cor. Washington and Beach sts., Boston.
