Proposals for Naval Supplies.

NAVY DEPARTMENT,
Bureau of Construction, Equipment, &c.,
May 13th, 1858.

SEALED PROPOSALS to furnish naval supplies for the fiscal year ending 30th June, 1859, will be received at this Bureau until 3 o'clock, P. M., of the 10th June next. These proposals must be endorsed "*Proposals for Naval Supplies, Bureau of Construct'n, &c.*" that they may be distinguished from other business letters.
The articles to be proposed for are embraced in the classes named and are particularly described in printed schedules any of which will be furnished to such as desire to offer, on application to the commandants of the respective yards, or to the navy-agent at Boston, Philadelphia, and Pensacola.
The materials and articles enumerated in the classes named are particularly described in printed schedules any of which will be furnished to such as desire to offer, on application to the commandants of the respective yards, or to the navy-agent at Boston, Philadelphia, and Pensacola.
No more than the quantity of each article required for the service of the year will be purchased from any one person.
The usual place of delivery for the articles of all the classes named is at the navy-yards at Boston, Philadelphia, and Pensacola, but proposals may be made for the delivery of the articles at any other navy-yard, or at such other place as may be deemed most advantageous to the interests of the service.
Bids are invited for the whole of a class of any yard, upon one of the printed schedules, or the strict conformity therewith, as they will not be considered.
The contract will be awarded to the lowest *bona fide* bidder who gives proper security for its fulfilment. The Department will reserve the right to reject all the bids for any class, if deemed exorbitant.
Any article found to be of the very best quality, to be delivered in good order, and in suitable vessels and packages, as the case may be, at the expense and risk of the contractor, and in all respects adapted to the inspection, measurement, count, weight, etc., of the navy-yard where received, and to the satisfaction of the commandant thereof.
Bidders are referred to the schedules annexed to the respective classes of supplies, for more particular description of the articles required, and, other things being equal, preference will be given to articles of American manufacture.
Every offer is required to be in the form of a bid, signed by the party or parties making the same, with a written guarantee, the form of which is annexed to each schedule.
Blank offers, if any be accepted, will be no bind, and the contract will be forwarded as soon thereafter as practicable, when they will be required to execute within ten days after receipt at the post office or navy-agency named by them.
Bids for the full amount will be required to sign the contract, and their responsibility certified to by a United States district judge, United States district attorney, collector, or navy-agent. As additional security, twenty per centum will be withheld from the amount of the bills until the contract shall have been completed, and eighty per centum of such bill, approved as to quality and price, and pay to the United States a sum of money not exceeding twice the amount of such claim, which may be recovered from time to time, from any person, according to the act of Congress in that case provided, approved March 3, 1843.
Classes 1, 2, 4, 6, 7 to be delivered one-fourth part on or before the 10th July, one-fourth part on or before the 20th of September, and the remainder by the 1st December, 1859. Classes 3 and 5 to be delivered one-fourth part on or before the 1st September next, one-fourth part on or before the 1st December next, one-fourth part on or before the 1st April, and the remainder on or before the 30th June, 1859, unless earlier required with a notice of twelve days, comprising at each delivery a fair proportion of each article. Class 10 and all following classes to be delivered one-fourth part of any of the articles named therein are demanded, they are to be furnished on like terms and conditions previous to the expiration of the first year, upon receiving a notice of fifteen days from the bureau, the commandant of the yard, or navy-agent.
