Court of Quarter Sessions.

Before President Judge William B. M'Clure, and Associate Judges Adams and Parke.

FRIDAY, June 15.

Commonwealth vs. John Berry, indicted for assault and battery with intent to kill, on oath of Leopold Sahl, Jr On the 18th of May last, Mr. Sahl went, with his wife and mother, to a pic nic on Troy Hill. On their return he was, without any provocation, struck with a brick or stone, in the face, knocking him down in the road. It was proven that Berry threw the stone, that Mr. Sahl was confined to his bed for ten days, unable to eat, and that the physician was fearful of inflammation of the brain from the wound. The prisoner offered no palliating evidence, and the jury found him guilty, with a recommendation to the mercy of the Court. He was remanded for sentence.

Commonwealth vs. Marshal M'Combs, W. J. Wilson, George Cochran, Samuel Leehm, Charles Bay and James Patchell; Commonwealth vs. William T. Barclay, on oath of Samuel Leehm, and Commonwealth vs. the same defendant, on oath of Marshal M'Combs. All these charges serve for assault and battery. Barclay alleges that he was arrested by the night watch on the night of the 23d of May, and that on being taken to jail by the officers in the meeting, they used unnecessary force, and abused him in various ways. On the other hand, the watchmen stated that he had resisted them in the discharge of their duty, and that they were obliged to use all the force they did. After able argument by the counsel on both sides, the case was submitted to the jury in the afternoon, who had not found a verdict at the time of adjournment.

Commonwealth vs. James G. Saint and Moses Hawthorn, indictment conspiracy to defraud James Blair, and secreting their property for the purpose of defrauding their creditors. The indictment charges the defendants with secreting their share, six-tenths, of the steamer Minnetonka; also, with secreting three-tenths of the steamer by means of certain false writings, and with fraudulently assigning and conveying to Henry S. Barker and Johnson Gurley the six tenths mentioned, and causing it to be entered and enrolled. The case was on trial when Court adjourned.

Country Items.

On Monday last, as Mr. Mustin, of this city, was descending a hill at Brownsville, Mercer county, with a span of horses and a buggy, owned by Perdee & Fowler, of New Castle, the futtering which held the tongue up broke, and let the tongue fall to the ground. The horses then became unmanageable, ran down the hill, and capsized the buggy, causing him to turn a couple of somersets before he rose. Said *terra firma*. He was not much injured—the horses were rescued, the buggy repaired, and he proceeded on his journey.

Two men and a horse were drowned in Beaver creek on last Sunday morning. They were in a carriage, and attempted to cross, but the swollen condition of the stream would not permit, and in endeavoring to extricate themselves the men and horse were drowned. The men were natives of Ireland. We did not learn their names.

A young man named Hunter was pitching cotton into a dye vat at Worthington's wadding manufactory at Steubenville last week, when he tripped and fell into the boiling liquid. Mr. John Worthington, who was six feet distant, on another corner of the vat, instantly sprang over and succeeded in keeping the young man's head above water until assistance arrived. He was badly scalded.

On last Wednesday a young son of Mr James Nicholson, living a short distance below Stephenville, accidentally upset on himself a tub of boiling water. He was so badly injured that death resulted the following day.

MR. AND MRS. JOHN DREW.—These talented artists appeared for the first time last night on the boards of our New National, to a good house. The performance was of a superior character, and all present were delighted. Mrs. Drew, (who, by the way, we recognized as an old Pittsburgh favorite,) formerly Mrs Hunt, was charming as Francine, the "Widow of the Mill." She has lost none of her delightful and sprightly manner that won so many friends for her when she last appeared amongst us. Mr. John Drew as "Hansy Andy," in the drama of that name, gave us what we so seldom see on the stage—a true picture of the real unadulterated Paddy. His personation of the Irishman is perfection itself. Those who want to laugh heartily must see him as the stupid, blundering Andy. We already look upon him as a great favorite of our city. This evening they will appear in the comedy of "The Irish Ambassador" and "Handy Andy."

ANOTHER BOY DROWNED.—As is usual in time of high water, the cases of drowning we are called upon to report are numerous. On Monday evening, a little fellow named Cline, about ten years of age, son of a moulder, residing in the Ninth Ward, was playing on a raft in the Allegheny river, near the Mechanic street bridge, when, reaching over too far, he fell into the water, was drawn under the raft, and was drowned.

SALES OF STOCKS.—The following stocks were sold last evening at the Commercial Sales Rooms, No. 54 Fifth street, P. M. Davis, Auctioneer:—

30	shares Bank of Pittsburgh	$68 00
6	" Exchange Bank	66 00
20	" Allegheny Bank	25 00
6	" Mor. and Man. Bank	55 00
42	" Citizens' Bank	51 00

CORRECTION.—In our Court report of yesterday the compositor, by the omission of a word, made us say that John Fehl had been found guilty of assault and battery with intent to kill. This was not the case, as he was acquitted, the evidence showing clearly that the wound was given accidentally, while the boys were at play. The boy is the son of Mr. Valentine Fehl, a respectable Hotel keeper.

BROKEN UP.—A party of colored ladies and gentlemen were enjoying themselves at a house in Prospect street on Monday night, at a ball, when they became rather noisy, and the police made a descent upon the house, captured the whole party, numbering some sixteen, and took them to the lock-up. In the morning they were taken before the Mayor, when some of them paid a fine, and others were sent to jail.

BETTER.—We are informed by Dr. Wm. M. Kearn, the physician in attendance on Professor Backer, who was assaulted on Duquesne way last week, that he is not in as bad a condition as announced yesterday. He will probably be in a condition to give testimony before the Mayor at ten o'clock this morning, when M'Kee is to have a hearing.

DR. LAMBERT, author of Lambert's Physiology, who lectures before upwards of one hundred colleges and seminaries, lectures this morning from 9 to 12 o'clock, at Iron City College Hall. Persons can attend at any hour of the morning.

THE SHAW CASE.—The case of Commonwealth vs. George E. Shaw indicted for conspiracy and kidnapping, will come up before the Court of Quarter Sessions on Thursday two weeks, that time having been decided upon by the counsel.

EXAMINATION.—The annual examination of applicants for admission to the High School will be held on the 24th and 26th of the present month, in the High School Building. See advertisement in another column.

RUNAWAY.—A frightened horse ran off on Pennsylvania avenue this morning, broke loose yesterday afternoon, and ran toward the city at a fearful rate. A small child who was standing in the road was knocked down and quite seriously injured.

UNSEATED LANDS.—A sale of unseated lands by the County Treasurer is going on at the Court House. Quite a number of persons were in attendance yesterday, and the bidding was spirited. Here is an excellent field for speculation.

THE DISTRICT COURT was engaged yesterday on the argument list, which it will take them ten days at least to get through with.

THE Duquesne Greys turned out on parade last evening in full force, presenting a very fine appearance.

WE are indebted to Messrs Hunt & Miner for Nix Nax and Graham's Magazine for July.

NOSTRUMS AND DISEASES.—That class of diseases most common among the inhabitants of our latitude is undoubtedly that known as Lung and Throat complaints—Consumption and its kindred disorders—for the cure of which hundreds of nostrums have been called into existence, but too often without benefit to the victim. We would say to the afflicted, try BOWMAN'S VEGETABLE COMPOUND, a medicine of whose virtues many who have been saved from the most virulent attack of Sore Throat, Asthma, Bronchitis and Hemorrhage, solemnly vouch.

☞ WE HEREBY CAUTION THE PUBLIC against the many frauds perpetrated on our article, HOSTETTER'S CELEBRATED STOMACH BITTERS, in which there is no imitation except the label, which, for a time, may sell under our name, and when, to the detriment of health, the fraud is discovered, and the sale of the noxious preparation ceases, another name is substituted and new energy applied to sell it at low prices, while other parties trump up names sounding similar to that of the subscribers, with an imitation label, are able in many instances to palm it off on the unsuspecting at a low price for the genuine "Hostetter Bitters." We, therefore, caution the public against all such outrages; and request them when purchasing, to see that our autograph signature is attached to the label, and the name of "Dr. J. Hostetter's Stomach Bitters" blown in the glass of the bottle; also, pressed in the metallic cap, covering the cork. All others not having these marks are counterfeit or at frauds. HOSTETTER & SMITH,

jel12 58 Water and 68 Front streets.

☞ AS A MEDICINE, AS A BEVERAGE, AS AN Appetizer, as a restorative, as a solace, as a gentle exhilerant, as a stay in manhood and a help in age, there is nothing like J. M. OLIN'S CELEBRATED STOMACH BITTERS, they are pronounced by all who use them, to be far superior to any preparation of the kind now in use. They are a sure cure for Dyspepsia, Costiveness, General Debility, Weakness of the Stomach, etc., and a preventive of most of the prevailing diseases of the day. They should be kept and used by every family, especially at this season of the year, when loss of appetite is so prevalent. No family consulting their own interest can afford to do without them. As many spurious articles are put up and sold as genuine, be sure and call for J. M. Olin's Celebrated Stomach Bitters, and see that the article purchased bears the name of J. M. Olin as manufacturer.

For sale by J. M. OLIN, sole proprietor and manufacturer, No. 267 Penn street, Pittsburgh, Pa., and by druggists and dealers generally. ul2

DRS. FITCH & SYKES would state that their treatment of Consumption is based upon the fact that *the disease exists in the blood and system at large, both before and during its development in the lungs*, and they therefore employ Mechanical, Hygienic and Medical remedies to purify the blood and strengthen the system. *With these*, they use MEDICAL INHALATIONS, which they value highly, but only as *auxiliaries, (having no Curative effects when used alone,)* and have kindly cautioned against wasting the precious time of curability on any treatment based upon the plausible, but false idea that the seat of the disease can be reached in a direct manner by Inhalation," for, as before stated, the *seat of the disease is in the blood and its effects only* in the lungs.

They are impostors!!* Apply, personally or by letter, directly to Dr. S. at his office, 714 Broadway, New York, where all the treatment can be had. Remedies sent to any part of the country, and treatment conducted successfully by letter. A visit from the patient preferred. His "SIX LECTURES," on the Lungs, and explaining the method by which he cures the above diseases (100 pages, bound) sent by mail, post paid, for 12 cents. je5:1m-wod—ac

☞ CAUTION TO INVALIDS—BEWARE OF IMPOSTORS.—Dss. CALVIN M. FITCH & JOHN W. SYKES, (office 191 Penn street, Pittsburgh,) notice with much pleasure the above card of Dr. S. S. Fitch, of New York, and feel it to be *their* duty also to caution the invalid public against impositions which seem daily increasing. Recent developments in New York, of the frauds practiced by "old Dr. H. James," the "retired physician, whose ends of life have nearly run out," and of "Dr. Uncas Brant," and others, seem to render it a more suitable time than usual, to expose such trickery, and vindicate our own character; and it is the more incumbent upon us to do so, inasmuch as the opinion prevails that the dishonesty is confined to the eastern cities;—so far from this being true there are scores of itinerant doctors in this and the States further West, who literally rob invalids, not only of their money, but of their very lives, for they prevent them from procuring proper treatment *in time*.

Most of these traveling doctors take advantage of the prevalent but erroneous belief that lung disease can be cured by inhalation; and either profess to be connected with ourselves, (some even having assumed our very names,) or some eastern physician of great repute, or else with some far off (and mythical) Hospital or University; and invalids in their anxiety to regain health forget to examine *proofs* and *results of treatment*, but are persuaded by bare assertions to place their health and lives in charge of incompetent and unprincipled men.

We have for some time been shrinking from this unpleasant duty, but can do so no longer, and trust this card may be the means of saving some from being deceived.

In conclusion, it is proper to repeat, as we have so often done formerly, THAT WE HAVE NO PRESENT CONNECTION WITH DR. S. S. FITCH, OR WITH ANY OFFICE IN NEW YORK.

DRS. CALVIN M. FITCH & JOHN W. SYKES

☞ INVALID, HAVE YOU TRIED HOOFLAND'S GERMAN BITTERS? If not, read the following:—
LANCASTER, April 30, 1858.

Respected Sir:—I have been for a long series of years afflicted with Dyspepsia, Inactivity of the Liver, and Nervous Debility. My mental powers have been so reduced as to render me quite unfit for the transaction of any kind of business. After consulting many eminent physicians, and using their prescriptions, and after using the most popular remedies of the day, supposed to be applicable to my case I always failed to have a permanent relief. A friend, with much persuasion, induced me to try a bottle of your celebrated Bitters. I have used one bottle, and this day commence the second. I can, with cheerfulness, state that it has happily improved me. My appetite and spirits have astonishingly improved, and I begin to feel as though I had grown (suddenly) ten years younger; and really, I am almost prepared to say that I now consider myself calculated for any business, while, ten days ago, I would not have felt under taken to *square the circle*, as to have attempted it.

Yours, respectfully,
To Dr. C. M. Jackson, Philad'a. A. B. KAUFMAN.
