Query.—Will publishing the names of street loafers abate the nuisance? We have a mind to try it. The nourishing rays of the spring sun brings them out in all their strength and good for nothingness.

Broke Loose.—We understand that some ten or more rafts broke loose at Marietta, on Monday last, owing to a sudden rise in the North Branch, which, in all probability, will prove a total loss to the owners.

Look out for Them.—Horse thieves are said to be numerous in some of the lower counties. In view of such scamps being at large, we caution our readers to lock their stable doors before their horses are stolen.

The "Mansion."—This old and well known hotel, lately changed hands. The new proprietor, Mr. John Dougherty, is extensively known—is a clever and affable landlord, and will use his best endeavors to render entire satisfaction to all who may favor him with their custom.

Base Ball.—The season for this popular and exciting game is upon us, and base ball promises to be a more popular game this year than ever before. The ballists of several of our neighboring towns are already organizing their clubs and practicing, in order to get their "muscle up," and their "wind in," ready to meet all challenges. Clearfield county boasted several good clubs last year, and we hope they will be "on time" this season. Hurry up the' Chinks," Al.

Reprehensible.—In passing along our streets, on several occasions, within the past two weeks, we observed squads of boys, and some of them quite small, engaged in tossing and matching pennies—a species of petty gambling, that has a tendency to lead boys to commit other and greater crimes. We call the attention of parents to these facts, well knowing that they are not aware of their children being engaged in such debasing and immoral practices, when out on the streets. A word to the wise is sufficient.

In Luck.—We learn from the Lawrenceburg *Independent*, that the "Clearfield" well, No. 1, at Parker's Landing, owned by Messrs. Scofield, McCullough, Colburn, Haines, McGaughey, Shaw, etc., is pumping from 20 to 25 barrels per day. And from a private source we learn that the well is improving and will in all probability increase to 40 barrels per day. It gives us pleasure to announce this success on the part of our neighbors, and hope that their fondest "oily" anticipations may be fully realized.

Sales of Real Estate.—Below we give a list of the Deeds, as entered of record in the Recorder's office in this county, for the week ending Monday, April 18th, 1870, together with the consideration named, where located, and the names of the grantors and grantees:

Millwrighting.—By reference to our advertising columns, persons, interested in either Grist or Saw Mills, will gain information that may prove valuable to them. Mr. H. T. Farnsworth, a practical mechanic, gives notice that he is prepared to do work in his line, in a satisfactory and workmanlike manner. Read his advertisement.

"Cheapest Goods."—Messrs. Arnold & Hartshorn, Curwensville, Pa., would inform the public and their old customers, that they have just received a complete stock of seasonable goods, which they will sell "cheaper than the cheapest." Persons desirous of saving money, are respectfully requested to give them a call before making purchases, as they are confident of giving entire satisfaction both as to quality and prices of goods. See advertisement in another column.

Lady's Friend.—The May number of this Magazine is a beautiful one, and breathing of the Spring. Its large, double Fashion Plate is as fresh and richly colored as a tulip bed—and we observe that this magazine is often one and even two months ahead of its contemporaries in the fashions. Then there is a beautiful cottage scene, "The Return of the Swallows," and another appropriate engraving called "Gathering Snowdrops." The literary matter of this Magazine is also of a superior character. The stories this month are both varied and absorbing. Price $2.50 a year in advance.

ROSADALIS

THE GREAT AMERICAN HEALTH RESTORER, purifies the blood and cures Scrofula, Syphilis, Skin Diseases, Rheumatism, Diseases of women and all Chronic Affections of the Blood, Liver and Kidneys. Recommended by the medical Faculty and many thousands of our best citizens.

Read the testimony of Physicians and patients who have used Rosadalis; send for our Rosadalis Guide to Health Book, or Almanac for this year, which we publish for gratuitous distribution; it will give you much valuable information

Dr. R. W. Carr, of Baltimore, says:
I take pleasure in recommending your Rosadalis as a very powerful alterative. I have seen it used in two cases with happy results—one in a case of secondary syphilis in which the patient pronounced himself cured after having taken five bottles of your medicine. The other is a case of scrofula of long standing, which is rapidly improving under its use, and the indications are that the patient will soon recover. I have carefully examined the formula by which your Rosadalis is made, and find it an excellent compound of alterative ingredients.

Dr. Sparks, of Nicholasville, Ky., says he has used Rosadalis in cases of Scrofula and Secondary Syphilis with satisfactory results—as a cleaner of the Blood I know no better remedy.

Samuel G. McFadden, Murfreesboro', Tenn., says:
I have used seven bottles of Rosadalis and am entirely cured of Rheumatism; send me four bottles, as I wish it for my brother, who has scrofulous sore eyes.

Benjamin Bechtol, of Lima, Ohio, writes, I have suffered for twenty years with an inveterate eruption over my whole body; a short time since I purchased a bottle of Rosadalis and it effected a perfect cure
