There is more Catarrh in this section the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, Ohio, is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly on the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials.

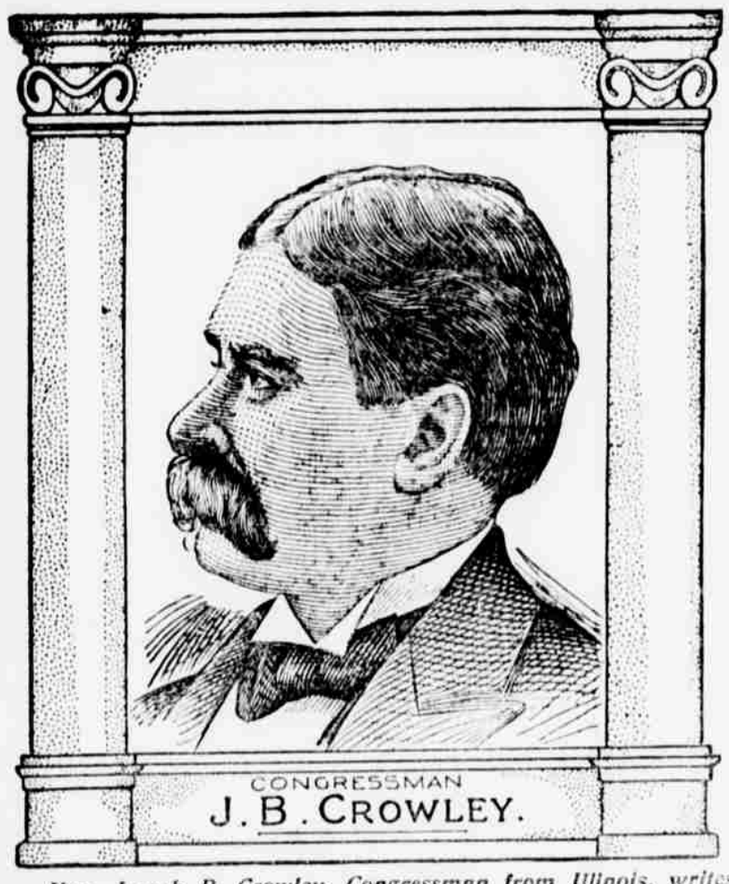
CONGRESSMAN CROWLEY

Uses Pe-ru-na in His Family For Catarrhal and Nervous Affections.



Hon. Joseph B. Crowley, Congressman from Illinois, writes from Robinson, Ill., the following praise for the great catarrhal tonic, Peruna. Congressman Crowley says:

"After giving Peruna a fair trial I can cheerfully recommend your remedy to anyone suffering with coughs, colds and la grippe, and all catarrhal complaints.

"Mrs. Crowley has taken a number of bottles of Peruna on account of nervous troubles. It has proven a strong tonic and lasting cure. I can cheerfully recommend it."—J. B. CROWLEY.

No other remedy invented by man has ever received as much praise from men of high station as Peruna. Over forty members of Congress have tried it and recommended it to suffering humanity. They use it themselves to guard against the effects of the intense strain of public life; to ward off the ill effects of the changeable climate of Washington. They keep it in their homes for family use. They recommend it to their neighbors, and they do not hesitate in public print to declare their appreciation and endorsement of this greatest of modern remedies.

It is exactly as Congressman Crowley says: "Peruna is a swift and sure remedy for coughs, colds and la grippe and all catarrhal complaints. It is an excellent remedy in all nervous troubles. It never fails to prove itself a powerful tonic and a lasting cure." This is what Congressman Crowley says, and this is what thousands of other people are saying all over the United States.

Congressman Romulus Z. Linney from Taylorsville, N. C., writes: "My secretary had as bad a case of catarrh as I ever saw, and since he has taken one bottle of Peruna he seems like a different man."—Romulus Z. Linney.

Congressman A. T. Goodwyn, Robinson Springs, Ala., writes: "I have now used one bottle of Peruna and am a well man today.—A. T. Goodwyn.

U. S. Senator W. N. Roach from Larimore, N. D., writes: "I have used Peruna as a tonic. It has greatly helped me in strength, vigor and appetite."

Congressman H. W. Ogden from Benton, La., writes: "I can conscientiously recommend your Peruna."—H. W. Ogden.

Congressman H. W. Smith from Murphysboro, Ill., writes: "I have taken one bottle of Peruna for my catarrh and I feel very much benefited."—Geo. W. Smith.

Congressman David Meekison from Napoleon, O., writes: "I have used several bottles of Peruna and feel greatly benefited thereby from my catarrh of the head."—David Meekison.

Senator Mallory, of Pensacola, Fla., writes: "I have used your excellent remedy, Peruna, and have recommended it both as a tonic and a safe catarrh remedy."—Stephen R. Mallory.

Senator M. C. Butler, ex-Governor of South Carolina, writes: "I can recommend Peruna for dyspepsia and stomach trouble."—M. C. Butler.

Senator W. V. Sullivan from Oxford, Miss., writes: "I take pleasure in recommending your great national catarrh cure, Peruna, as the best I have ever tried."—W. V. Sullivan.

Senator J. M. Thurston from Omaha, Neb., writes: "Peruna entirely relieved me of a very irritating cough."—J. M. Thurston.

Congressman H. C. Worthington from Nevada, writes: "I have taken one bottle of Peruna and it has benefited me immensely."—H. C. Worthington.

Congressman Howard from Eufaula, Ala., writes: "I have taken Peruna for la grippe, and I take pleasure in recommending Peruna as an excellent remedy."—M. W. Howard.

Congressman Willis Brewer from Haynesville, Ala., writes: "I have used one bottle of Peruna for la grippe, and I take pleasure in recommending it."—Willis Brewer.

If you desire derive prompt and satisfactory results from the use of Peruna, write at once to Dr. Hartman, giving a full statement of your case and he will be pleased to give you his valuable advice gratis.

Address Dr. Hartman, President of The Hartman Sanitarium, Columbus, Ohio.
