College exercises for seniors will close Thursday, May 22, 1913, at 5:20 p. m.

All persons having conflicts in their examination schedules must, in order to have them adjusted, report them to the undersigned at the Registrar's Office not later than May 19, 1913.

R. A. Caughey,
Assistant Registrar.

Band Concert.

Director Moyer, of the Cadet Band, last Sunday evening gave the first of several spring band concerts to be held in the Auditorium. The program was varied, consisting of both classical and popular music,and provided a very pleasant hour's entertainment far a large audience of students and townspeople, as well as many week-end guests.

Dr. Stecker at Liberal Arts Society.

Dr. H. F. Stecker will address the Liberal Arts Society at his home Friday night on "Jean Francois Millet and the Barbizon School of Painting". Dr. Stecker spent last summer near Millet home and has interesting photographs, besides some valuable copies of famous paintings.

Mandolin Club.

All those having any ability whatsoever on the mandolin, banjo, etc., are urged to report Tuesday at 6:30 p. m. in the Auditorium. College spirit is as essential in this as in other important activities and those able to play should give their support by coming out.

Mr. Kreutzpointer, chairman of the Committee of Industrial Education, National Foundrymen's Association, has visited the college in the interests of the association. He has written a report of his visit to the officers of the association at Pittsburgh and Philadelphia, in which he has expressed himself especially pleased with the work of the Industrial Engineering Department, and also with the manner in which the department is investigating the industrial education situation in Pennsylvania, and the methods of training teachers at the college. He has urged the members to use their efforts in behalf of the college appropriation bill.

What Profession are You Choosing ?

If it is either MEDICINE, DENTISTRY, PHARMACY or CHEMISTRY, do not fail to learn the advantages of

The Medico-Chirurgical College

of Philadelphia

It is in the City which has been and still is the American Center of Education in these Sciences. It has Departments of and grants Degrees in all four of them It has its own Buildings, comprising well-planned and well-equipped Laboratories, a large and modern Hospital, and the finest clinical Amphitheatre extant. GREAT DOCTRINES OF THE BIBLE. By William Evans, D.D.
Director, Bible Course, The Moody Bible Institute of Chicago
"The Great Doctrines of the Bible" is a book that every Christian should read at least once a year, and then at intervals throughout the year should be read and studied with its fundamental facts in mind, so that we may have a deeper and clearer knowledge of the doctrines of the Christian faith and find all the help he needs in the book." —The Author "Admirably suited to the object in view. I have found nothing to which I could take exception, and very much which I can heartily commend." —Wm. G. Moorehead, D.D. 275 pages. Cloth, $1.50 Net 15c post extra

How to Master the ENGLISH BIBLE. By James M. Gray. The Record of an Experience and a Method
Dr. Gray's success in giving Bible instruction in his study has been such as to lend an interest international in scope. The clear directions of this volume make it possible for anyone to go into the Bible and find the master key to all its essentials, and with no confusion of ideas caused by a multiplicity of rules and comments. The author of the Bible of Dr. Gray's Bible teaching is already the book. 16mo, cloth, 40 cents net. [illegible]
