FRATERNITIES PLAN ATHLETIC PROGRAM FOR ENSUING YEAR

Yearling Numeral Men Allowed To Participate in Greek Letter Sports

FEE TO BE COLLECTED FOR EACH HOUSE TEAM

Members Lay Down New Rulings on Eligibility—Cups To Be Awarded This Season

After a lengthy discussion at the combined meeting of the Inter-fraternity and Intra-Mural Councils last Tuesday night it was decided that fraternity freshmen who received their numerals be allowed to participate in Greek Athletics and all letter men be permitted to play on any house teams other than the sport in which they won their "M."

This action followed the recommendation of the Fraternity Committee on Athletics, appointed to meet with R G Leonard coach of soccer wrestling and lacrosse

Must Pay Fee

Following arguments pro and con, the combined councils voted that one dollar assessment for each house team be paid to the manager of the fraternity sport and that he be ready at any time to make a report to the Council on the state of his finances Coach Leonard offered the assistance of the department of Athletics in collecting the fees He stated that the payments could be left at the Athletic office in the Armory where they would be collected by the manager of that fraternity sport

Cups to be awarded to the winners of the different tournaments won in the future be purchased early in the season instead of waiting until they have been played as has been the case in the past Coach Leonard stated that the Athletic Association would in all probability continue to purchase the trophies Details concerning the awarding of prizes will be further discussed next Tuesday night at the meeting of managers selected by the various fraternities

Rules Passed

A number of general rules for the regulation of house teams were adopted at the meeting and fraternities breaking the regulations in any sport will be forbidden from further participation in that line of athletics The following rules were unanimously passed on

One point gained toward a letter in varsity track will make a man ineligible for participation in fraternity, under sports The failure to appear for a scheduled game will mean the forfeiture of the game to the opposing team or if neither team appears both will be credited with defeats No one fraternity will be allowed to enter more than eight men in basketball, wrestling and boxing

No Tennis Cup

As the tennis tournament last spring was not completed, no cup will be awarded However, a committee was

(Continued on last page)

YEARLING PASSERS END FIRST WEEK'S PRACTICE

More Than Ninety Freshmen Sign Up for Squad—Candidates Urged To Turn Out

More than ninety yearlings have reported for the 1924-25 basketball squad and try-outs and eliminations have been in order during the past week Practice sessions are being held each night at seven o'clock under the tutelage of Coach Glenn Killinger, and present indications point toward a successful season

The first week of practice will end tomorrow, and with the first game on the yearling schedule slated for January tenth, strenuous work-outs are planned for the cubs The Carnegie Tech plebes will furnish the opposition in the opening encounter and it is expected that the Nittany freshmen will meet a red test at this time

Several Show Up Well

Several of the new men have shown ability in the drills of this week, and next week the work of building up the yearling five will begin All men who wish to try out for the first year squad are urged to report at the Armory on Monday night at seven o'clock, or to call A W York at Alpha Chi Sigma to register their names

The 1925 schedule for the freshmen tossers has not been completed to date, but it will consist of approximately twelve games Chief among the teams which will meet the Blue and White cubs are the Pitt freshmen, Carnegie Tech plebes, the Syracuse freshmen, York Collegiate Institute, the Dickinson junior varsity and the Gettysburg yearlings.

Post Office Box Rules Explained

Numerous complaints were forthcoming when the local post office authorities insisted on the strict enforcement of the rules pertaining to the rental of boxes to fraternities and clubs The condition has received attention and the post office will allow three keys to each fraternity, although only one was issued

The report of the Inspector, who recently visited State College, showed that many of the patrons of the box service had the habit of leaving their keys sticking in the boxes This habit is a violation of the Postal Law and Regulations and if persisted in, will result in the closing of the box against the holder.

According to the ruling laid down by the Department a lock box is limited to an individual, family, firm or corporation, while fraternities may receive the mail in boxes in the name of the organization or its officers But owing to the quasi-family relations sustained in the fraternities mail for the members will be delivered in the box

Bulletins will be posted in the lobby of the post office stating the approximate time that the mail will be in the boxes and schedules can be prepared by the fraternities in receiving the mail and in this way eliminating the crowded conditions in the lobby

NITTANY BOOTERS FACE NAVY TEAM

Clash With Middies at Annapolis Tomorrow Ends Season For Leonard's Proteges

RESULT OF LEHIGH TILT IS LATE FOR PUBLICATION

With four victories to their credit the Blue and White soccerites left Penn State last Wednesday for Bethlehem to meet the strong Lehigh combination in the Lion's final game away from New Beaver this season The encounter was played yesterday afternoon, but results were received too late for publication in this issue of the COLLEGIAN

Tomorrow in the last game of a stiff schedule, Coach Leonard's proteges will encounter the Naval Academy eleven on its own field at Annapolis The Mid-shipmen have shown up well in all their contests so far this year, defeating Lehigh and being the Lafayette aggregation

Lions Confident

The Nittany players are confident of adding another victory to their record of five years without a defeat, but they will enter the contest tomorrow prepared to put up a strong fight to oppose the characteristic spirit and hard playing of the future rulers of the sea The Penn State team will take the field as the decided favorites according to the "dope," but as many predictions during the past football season have failed to come true, the Middies may cause a similar upset tomorrow However, no matter which team emerges victorious, it must show championship form

A heavy, muddy field at Annapolis will prove the strongest kind of opposition to the Blue and White booters and should give Navy a big advantage The Lion eleven is composed of light fast men and the wet field may be their Waterloo The Nittany style of play has consisted of fast passing and clever dribbling the effectiveness of which will be greatly lessened by a sluggish field

If the same sterling form is shown at Annapolis tomorrow as was displayed by the Lions in the Swarthmore contest, Coach Leonard's men will either emerge victorious or Navy will prove to be one of the best soccer teams in the country

SPANISH CLUB WILL GIVE MUSICAL ENTERTAINMENT

During the past week various units of the "South American Troubadours" have been conducting rehearsals in preparation for the musical program to be presented by the Spanish Club in Old Chapel on Wednesday evening, December seventeenth, at seven-thirty o'clock

"Symphony Espanola" the new orchestra will meet in Old Chapel tonight at eight o'clock for practice of the following popular dance songs which will be presented during the first program, "Savannah," "Red Nose Pete," "Charlie My Boy," "Spain," and "Havana" The orchestra is composed of twelve men with J I Michlan '26 as director

The "Estudiantina Espanola," under the leadership of H L Schlimpff '26 will sing the Spanish translation of "Red Nose Pete" and "Charlie My Boy" This group has had several rehearsals and will continue practice the latter part of this and next week.

STUDENT COUNCIL RULINGS TO CURB ARMORY DISORDERS

Whistling and Razzing at Indoor Sport Meets Will Become Tribunal Offense

BODY PLANS CHANGE IN WEEK-DAY CHAPEL HOUR

Method of Collecting Class Dues With Fees To Be Laid Before College Authorities

Student Council meeting on last Tuesday night, decreed that undergraduates guilty of unruly conduct during indoor meets in the Armory, should be reported to the Student Tribunal There was considerable discussion on other campus problems and steps were taken to insure definite action in the collecting of class dues

In the discussion of conduct at indoor meets, whistles directed at women visitors entering the Armory catcalls and throwing pennies on the floor were included among the disturbances that should be banned It was pointed out that these misdemeanors are similar to razzing the referee and hooting at visiting teams offenses punishable by the Student Tribunal A motion was then passed that such offenders should be brought before Student Tribunal

R H Sudds '25 reported that the committee on the collection of class dues was in favor of a plan by which class dues will in the future be paid at the same time as the regular College fees Student Council authorized Sudds to bring this proposition before the College authorities

Another matter brought before Student Council was a proposal to change the week-day chapel hour to the end of the first hour in the morning Action was deferred until the members have been able to sound out student sentiment on this suggestion

Student Council gave its hearty support to a plan for a freshman pilgrimage on some Saturday afternoon to Shingletown Gap for the purpose of aiding in the construction of a road leading to the Andy Lytle Memorial Cabin The plot of land upon which the cabin will be built must be cleared and a roadway must be built Freshmen will not be compelled to take part in this event but the endorsement of Student Council makes the pilgrimage

(Continued on last page)

1928 DEBATING SQUAD DISCONTINUES PRACTICE

On account of an illness which has made it necessary for the freshman debating coach, Harry Mountjoy, to go to the hospital, the yearling team will not do any more work before the Christmas vacation If Mr Mountjoy's condition is still weak after the holidays the team may be abandoned entirely

If any freshmen are interested in carrying on their work in debating they can do so by making arrangements with Professor Gates to practice with the varsity team As there is no one year rule in debating any freshman with ability will be put on the squad

FRESHMEN ELECT FIRST FIVE TRIAL PRESIDENTS

At the freshman class meeting held in the Ball Pen Wednesday night, the trial presidents were elected from the eight chosen at the first 1928 session Arthur J Anderson W J Gumm J L Wilson R Evans and P McWilliams will preside in the order named as the next five meetings of the class P Atkinson was elected treasurer as the result of a vote taken to break the tie with J M Thomas Jr

"Buck" Taylor announced that "razzing" of referees of opponents at athletic contests has been made a tribunal offense He asked the freshmen to refrain from unsportsmanlike conduct at athletic games, because such actions are a violation of both Penn State spirit and freshman rules

THESPIANS SELECT TICKET SALE DATE

Cards of Admission for "Wooden Shoes" To Be Sold at Co-op Wednesday Night

INITIAL PERFORMANCE IS SET FOR NEXT WEEK-END

Announcement that the advance ticket sale for Wooden Shoes will take place in Co-op corner next Wednesday evening was made by the manager of the Thespian Club at the close of a heated first Tuesday night The show will be given on the evening of December thirteenth, one week from tomorrow and tickets may purchase beforehand at the door of the Auditorium

The curtain will rise at eight-fifteen that night upon one of the most attractive student productions ever witnessed by a Penn State audience The show from start to finish is a fast-moving and laugh-provoking affair, being full of that college wit and humor which makes such productions so successful

Portray Interpretive Roles

J D M Leon '25 as "Jimmy" a detective, and S C Sankle '27 as "Nancy," a mentally gifted girl, furnish some clever comedy in a remarkable picture of the life of the typical New York cafe set An especially funny scene takes place in a famous hotel in the big city where bell-hops are defined violating the Volstead Act The searching party accompanied by Jimmy and Nancy unearths more timely gags than I don't believe

The chorus numbers not only have suitable lyrics but also compare favorably with popular pieces now being sung from the professional stage Hummel Fishburn '22 musical director of the Thespians has completed the final song number which together with "Get Your Gun and Topper" promises to be the hit of the show

Many Dancing Numbers

Mr Darcy the representative of the Weyburn Studios of New York has incorporated many different steps of foot-work into "Wooden Shoes" Soft-shoe dancing finds its place in one of the most important positions that of the pre-finale where it is bound to leave a deep impression in the minds of the on-lookers

(Continued on last page)

Notre Dame Heads Gridiron Opponents for Blue and White Eleven Next Year

Notre Dame, together with Knute Rockne and his Four Horsemen of South Bend looms up as the biggest attraction on Penn States 1925 grid card which was released by Graduate Manager of Athletics N M Fleming Tuesday morning and published in the COLLEGIAN The schedule which includes nine encounters has been approved by the Faculty Committee on Athletics as well as by the Alumni Advisory Committee

The Fighting Irishmen who gained the greatest reputation of any gridiron team in the country this year will appear on New Beaver Field Alumni Day Saturday October twenty-fourth In addition to Notre Dame, other newcomers on next year's schedule are Franklin and Marshall, Michigan Aggies and West Virginia

Penn Not On

Regret was expressed that the University of Pennsylvania does not have a place on next years Nittany gridcard. Relations between Penn and Penn State have always been of the best but on account of the fact that the Quakers will meet two Western Conference teams, Chicago and Illinois, next year, as well as renew relations with Yale it was impossible for the two Pennsylvania eleven to arrange a game

The Michigan Aggies, who will appear here on Pennsylvania Day, defeated Penn State 6-3 in 1914, the last time these two teams met Franklin and Marshall another newcomer has not been pitted against the Lions since 1891 when the Lancaster lads were defeated 26-6 In 1899, F and M came through with a 10-0 victory over Penn State

Dedicate New Stadium

Penn States clash with West Virginia on November fourteenth will mark the dedication of the Mountaineers new stadium which is now under construction According to Harry Stansbury Graduate Manager of Athletics at West Virginia, preparations for this contest will be made with the plan of making it the greatest grid fete Morgantown has ever witnessed

The Penn State season opens on September twenty-sixth with Lehigh Valley follow of the next Saturday by Franklin and Marshall On October tenth the Lions travel to New York City where they will lock horns with General Pesh In the Yankee Stadium Then comes a let-up before the Notre Dame game, Mirletta Ling scheduled for a contest here on October seventeenth

Notre Dame

Following the Mountaineer game the Irishmen come to Penn State to help make the 1925 Alumni Day the greatest in the history of the College The following Saturday Penn State travels to Syracuse and on Pennsylvania Day the Michigan Aggies appear here November fourteenth marks the dedication of West Virginia's stadium with Penn State as the attraction November twenty-first is an off date and on Thanksgiving Day, the traditional rivals Pitt and Penn State, meet in Pitt's new stadium

UNDERCLASS GRID TEAMS CLASH IN SCRAP TOMORROW

Annual Tilt Called for One-thirty on Freshman Field—Teams Work Out Today

FINAL LINE-UPS TO BE PICKED AFTER PRACTICE

"Ray" Baer and "Dick" Schuster Rival Coaches—"Bas" Gray Will Referee

In their annual scrap for underclass football supremacy freshman and sophomore gridmen will clash at one-thirty tomorrow afternoon on Old Beaver Field

Calling out the yearlings yesterday on the first scrimmage session since the California Normal game three weeks ago, "Dick" Schuster put the first eleven through a stiff work-out in an attempt to mold them into the same smooth-working machine that came through the seasons schedule with only one defeat The squad of sophomores will report this afternoon to Ray Baer for signal practice and will go into the fray as tomorrow with but a few hours of group practice since the Tuesday before the Pitt game Bas Gray has been secured to referee the scrap

Sophomores Strong

With eleven 27 men who have filled varsity berths at some time during the season Coach Baer is confident of putting a team on the field that will force the yearlings to show some good football if they want to carry home tomorrow night as the present sophomores did after the scrap last year when the defeated the second year men by a score of 14 to 6

Although no definite selections can be made until tonight the sophomore line-up probably will for either Mellon Neal and Sigmund at the end positions and Mun Rosberry Hunsicker or Schmidt at tackles Glenn Weiko Wieland and Baker are the candidates for the guard posts while Bowche will snap the ball from the center position Page who plays the same position on the line is out for basketball and will not be allowed to play in tomorrows fray Pritchard and Palm is at quarterback on the attack, and Palmer calling the signals while the men in the backfield White Hoff of the sophomores have had season experience on the varsity squad and should use it to good advantage the team has a serious weakness in the lack of substitutes An injury to any one of the men slated for the backfield post will handicap the entire aggregation

Yearling Line-up

After putting the yearlings through their paces yesterday Coach Schuster

DR. THOMAS ADDRESSES FRATERNITY CONFERENCE

Undergraduate Division of Body Is Organized at Recent Greek Letter Meeting

President John M Thomas delivered one of the main addresses at the International Conference held at the Hotel Pennsylvania in New York last Thursday and Friday The object of the conference was to bring together the heads of the various Greek-Letter organizations with representatives from the fraternity undergraduate body in colleges throughout the country Penn State was represented by "Buck" Taylor and Dr William S Dye, who was present as head of the Acacia fraternity

The most important action taken at the gathering was the organization of an undergraduate division of the conference A constitution and by-laws for the new section were adopted Then were general discussions during which problems confronting fraternity groups in all parts of the country were worked out Delegates representing fifty-seven fraternities were present from one hundred colleges

In the course of his speech President Thomas stated that the geographical center of education is moving westward and no national fraternity can afford to ignore state colleges and universities Then he continued

"The tendency is strongly toward increase in public education and comparative decrease of education under private control"

"The fraternity would cannot afford to be indifferent to the expansion of higher education No fraternity claiming to be national can keep the geographical center of its chapters east of the Alleghanies or ignore the State colleges and universities If the organization adopts such a provincial and prejudiced policy it will find in a few years that it is outside the main stream of the educational life of the nation"

Penn State Tossers Hold Initial Practice Sessions

Two Veterans Remain From Last Year's Team---First Game Slated for December Seventeenth

BRYN MAWR MINISTER WILL ADDRESS CHAPEL

Reverend Andrew Much pastor of the Bryn Mawr Presbyterian Church, will address both chapel services at Penn State this Sunday The eastern minister is one of the most interesting speakers in the pulpit today and his talks this week should meet with the approval of the entire student body

Born and raised in Scotland Reverend Much had the advantage of receiving his education at the best universities of the day He has occupied the pulpit at Bryn Mawr for several years and is one of the most respected pastors in the Philadelphia district

NITTANY DEBATERS MEET W-J TONIGHT

Blue and White Affirmative Team To Face Presidents at Eight O'clock

LION NEGATIVE SQUAD GOES TO PITTSBURGH

That Congress should have power by a two-thirds vote, to declare effective a Federal law previously pronounced unconstitutional by the Supreme Court will be the subject discussed by the Penn State affirmative and the Washington and Jefferson negative debating teams tonight in the Auditorium at eight o'clock

The three judges for the debate are as follows Professor Gilbert M Mead Head of English Department at Westminster College, J S Hoffer, coach of debating at Elizabethtown College and George L Swank Superintendent of Schools in Northumberland County

Negative Team at Pitt

While the Blue and White affirmative team is debating with W and J in the Auditorium the negative for-

HORTICULTURE WEEK TO BEGIN HERE ON MONDAY

Crabapple Club Arranges Novel Program—L. M. Marble is Principal Speaker

Following extensive preparations the first Penn State Horticulture Week sponsored by the Crabapple Club and faculty members of the department of Horticulture, will begin here next Monday and continue until the following Saturday Commercial fruit and vegetable growers from every section of the State are expected to be in attendance

One of the features of the program arranged for the visitors will be the Crabapple Club entertainment in Room 100 Horticulture Wednesday evening at seven o'clock H A Wahl '25, accompanied by L W Gouger '25 and H S Witt '25 will sing a number of popular selections while a short play featuring C V Shope '25 J M Elsler '25 and E J Fisher '25 is scheduled for later in the evening G Rhodes '25 will render one or two readings

Spelling Bee

This will end upon the completion of an old fashioned spelling bee in which the students and faculty will be pitted against their visitors Words and terms dealing with the science of Horticulture will be used and it is thought by M R Ward '25, who has general supervision over the affair, that this part of the program will provide plenty of fun and experience for every participant

The Horticulture Banquet will be provided for by the College products only and will be given in cafeteria style H H Sudds '25 who has charge of this affair has appointed four men to sell the tickets in their respective classes Professors C E Myers and F N Fagan are cooperating with Sudds to make a success of the affair An address, "The Importance of Farm Storage to Pennsylvania's Agriculture," will be given by L M Marble of Canton, Pennsylvania, as the closing night event of the week.

Round table discussions dealing with the specific problems which face the growers accompanied by inspection tours of the College orchards, experimental plots, and greenhouse will be the general routine for the week The faculty, research and extension men and students of the Horticulture Department will suspend classes for the time in order to take full part in the program

From evidence displayed the first week of practice, prospects are fair for the 1924-1925 basketball season at Penn State, according to a statement made recently by Coach L M Hermann With only two regulars remaining from last year's varsity five less than two weeks remain in which to build a combination to meet the fourteen tossers on December seventeenth

By the graduation of Captain Loeffler Reed and Fixter from the 1924 team only "Pipe" Gerhardt the new leader and "Norm" McVicker are left as a nucleus around which to build the 1925 aggregation Hood Shimer Stuckeman Neff McDonald Lamon Lowe Mensch and Houck have returned from last years squad and may be given opportunity to display their wares at any time Shimer Neff and Stuckeman have had considerable experience and it is expected they that they will make a strong bid for the new men for varsity berths

Beginning last Monday six matches have been held every day and Coach Hermann has been looking over the men during the play Nothing is definite as yet but the best working combination discovered thus far consists of Hood and Humes forwards Gerhardt center and McVicker and Neff guards Hood shows marked improvement over last year and Humes Penn High star has been working well on the opposite wing

The pivot position will in all probability be the hardest position to fill McDonald who was kept out of play for the greater part of last season on account of illness has been working out at this post but again has found hard luck in the form of an injured heel which bars him from practice for the time being Gerhardt has been shifted to center and has been showing up well in the position which he played in high school

From last years yearling team three men have returned to college and are eligible for basketball namely Humes forward, Page center and McPhillips guard Of these Humes is falling in position on the temporary five team and it is probable that Page and McPhillips will get a chance soon Saylor Shimer and Wilson, who played a right end during the recent football season are expected to show up with the tossers soon

Varsity Not Chosen

In discussing the work-outs he claims Coach Hermann stated that no permanent selections have been made and that the Pitt eliminations held during the week have been merely for the purpose of looking over the new men The Nittany mentor hopes to uncover some promising material from the men who failed to make the freshman squad last year and several likely candidates are being considered Nothing has been settled yet as to

(Continued on last page)

GLEE CLUB COMPLETES SEASON'S INITIAL TRIP

Penn State Organization Presents Concerts at Brookville, Kane and Emporium

Following successful concerts in Kane and Emporium last night and Wednesday the Penn State Glee Club will close its first road trip of the season this evening with a program at Brookville In both Kane and Emporium the Blue and White songsters were tendered large receptions and received invitations to return to those towns next season

The personnel of the Club for this trip was selected by Director Grant early after members of the organization had gone through a long series of intensive practices The men making the trip were as follows First Tenors H D Ash '25 C M Grill '28 R W Graham '26 H W Kilby '25 W W McCombs '26 M P Nicklin '28 H W Tennington '26 F M Swab '27 Second Tenors, D P Bush '26 W K Gilbert '25 L L Linders '27 F L Nelson '27 J E Uff '27, L R Potts '27 J O Willis '25

Baritones, W H Bender '26 J L Dickson '27 C E Mcguigle '26 H D Uplinger '26, J H Vance '26 H A Wahl '25, Second Basses R Butler '26 E H Coleman '27 J W Later '25 A R Fink '26 J E Green '25 D P Jenkins '26 W C Linale '26 C W Mentzer '25 D M Dowd '28 The club was also accompanied by Miss Betty Croll '25 Soprano Miss Dorothy Brandon '25, Contralto, Reginald Fink '26 Violinist, Mrs Irene O Grant Accompanist, and Richard W Grant, Director

The club will make the return trip from Brookville in the new bus "Miss Nittany" The program for the road concerts was similar to the one presented here by the Glee Club on Pennsylvania Day
