Important to Raiload Men!

A. E. Smith has been for forty-nine years road master on the Boston & Maine system, and is now residing at Great Falls, N. H. He says trackmen, brakemen, firemen, engineers and conductors, as well as baggage masters and expressmen, are subject to kidney disease above all others. All, therefore, will be interested in the statement of his experience. "I have used Brown's Sarsaparilla for kidney and liver troubles, and can truly say it has done more for me than all the doctors I ever employed, and I have had occasion to require the services of the best physicians in the State. My wife also has been greatly benefitted by its use.
A. E. SMITH,
Road Master B. & M. R. R."

The kidneys have been labored hard all winter, as the pores of the skin have been closed, but now the springtime has come, and they need some aid. May be you have chat pain across the back; that tired feeling; those sreadtic down pains. If so, you can get immediate relief by following the example of Mr. Smith and his wife, and use that never-failing and grand corrector of the kidneys, liver and blood.

BROWN'S Sarsaparilla.
