A Newspaper That Speaks Out.

On February 2 The Pittsburg Times was 25 years old. Its owners claim that its undiminished popularity is demonstrated by the fact that it has a larger circulation than any other morning paper in Pittsburg. During the past few years it has attracted a great deal of attention by the frankness with which it has discussed subjects of public interest. Whenever there is before the people some question of absorbing importance, newspaper readers are on the qui vive to know what The Times has to say, and what The Times says is right to the point. It hews to the line. That, however, is only one of the merits claimed for it by its publishers. Its general news service is comprehensive and complete. It is accurate in its financial department and up to date on its sporting page. Its serial stories are by the best modern authors. It pays especial attention to the news and views of all the churches, and in this respect has won the admiration of the best people. Its editorial page is a daily feast of the best and brightest thought. It endeavors to avoid the "yellow" and caters only to the people of the home and the family. It has no Sunday issue. Six cents a week, $3 a year. tf

My Dolls.

My dolls can do most anything,
Can walk and talk and sleep,
And turn their heads and arms and legs,
And some of them can creep;
And then there is my baby doll,
Why, she can even drink,
The only thing I would like to know,
Is how to make 'em think.

When I asked Pa if he knew how,
He smiled and looked so funny,
And said he guessed that if he knew
'Twould save him lots of money;
He says a lot of grown up folks
Can talk and eat and drink,
But he don't think there's any way
They can be made to think.

POISONS IN FOOD.

Perhaps you don't realize that many pain poisons originate in your food, but some day you may feel a twinge of dyspepsia that will convince you. Dr. King's New Life Pills are guaranteed to cure all sickness due to poisons of undigested food—or money back. 25c. at E. H. Miller's drug store. Try them. 3-1

Ideals.

He dreamed of a lady with jewels rare,
On a bosom of pulsing snow;
With eyes of blue and with golden hair,
That shown in the moonlight's glow;
With teeth that smiled with a pearly glint;
With a slim patrician waist—
He married a girl with a downright squint
Who dressed in shocking taste.

She dreamed of a man of mighty mold,
With a high and noble brow;
A hero such as in days of old
Made many a foeman bow;
Whose lips were eloquent with the truth;
Who had courage to do and dare—
She married a narrow-chested youth
Who says "this here" and "that there."

AFRAID OF STRONG MEDICINES.

Many people suffer for years from rheumatic pains, and prefer to do so rather than take the strong medicines usually given for rheumatism, not knowing that quick relief from pain may be had simply by applying Chamberlain's Pain Balm and without taking any medicine internally. Banking Code out West.

Apropos of the recent bank robbery at Cody, it may be of interest to know that most of the Wyoming banks display the following sign:

"Member American Sharpshooting association.

"Patrons thinking an error has been made are requested not to shoot the cashier before investigation.

"Strangers must enter the bank holding their hands above their heads, or they will be fired on by the staff.

"Deposits of persons killed on the premises remain the property of the bank.

"The bank will not be responsible for lost guns or bowie knives.

"Patrons desirous of keeping in practice are requested to shoot the pens from the clerks' hands and to leave the cashier undisturbed.

"Persons desirous of transacting business quickly will please remember that shooting out the lights tends to delay rather than hasten the work of the staff.

"Undertakers—This bank will not be responsible for the funeral bills of persons killed by the staff in the course of business."—Portland Oregonian.

THAT TICKLING IN THE THROAT.

One minute after taking One Minute Cough Cure that tickling in the throat is gone. It acts in the throat—not the stomach. Harmless—good for children. A. L. Spofford, postmaster at Chester, Mich., says: "Our little girl was unconscious from strangulation during a sudden and terrible attack of croup. Three doses of One Minute Cough Cure half an hour apart speedily cured her. I cannot praise One Minute Cough Cure too much for what it has done in our family." It always gives relief. Sold by E. Never Saw a Letter Without "Pa." on It.

A friend tells us a good story on a German in this vicinity who recently asked another person to address a letter for him. The letter was intended for a person residing in Maryland, and after the address was plainly placed on the envelope and the same handed to the German, the latter scrutinized the writing closely and remarked:

"Mine frendt, you forgot somedinks here—you forgot to put 'Pa.' on dish letter."

The friend replied: "You don't write 'Pa.' on letters addressed to postoffices outside of this state."

To this the German answered, "Vell, dot may be all right, but py chimminy if dat ain't de first letter effer I seed mitout 'Pa.' on it!"

THE SUNSHINE OF SPRING.

The Salve that cures without a scar is DeWitt's Witch Hazel Salve. Cuts, Burns, Boils, Bruises and Piles disappear before the use of this salve as snow before the sunshine of spring. Miss H. M. Middleton, Thebes, Ill., says: "I was seriously afflicted with a fever sore that was very painful. DeWitt's Witch Hazel Salve cured me in less than a week." Get the genuine. Sold by E. H. Miller. 3-1
