A HUMAN LIFE SAVED!

DOWAGIAC, Mich, March 11, 1856.

J. A. RHODES, Esq: Dear Sir—As I took your medicine to sell on consignment, "no cure no pay," I take pleasure in stating its effects as reported to me by three brothers who live in this place, and their testimony is a fair specimen of all I have received:

W. S. CONKLIN told me—"I had taken nine bottles of Christie's Ague Balsam, and continually ran down while using it until my lungs and liver were Congested to that degree that blood discharged from my mouth and bowels, so that all thought it impossible for me to live through another chill. The doctors too did all they could for me, but though I must die. Nothing did any good until I got Rhodes' Fever and and Ague Cure, which at once relieved me of the distress and nausea at my stomach and pain in my head and bowels, and produced a permanent cure in a short time."

H. M. CONKLIN says: "I had been taking medicine of as good a doctor as we have in our county, and taken any quantity of quinine and specifics without any good result, from 25 August to 17th December. But seeing how nicely it operated on my brother, I got a bottle of RHODES' FEVER AND AGUE CURE, which effected a permanent cure by using two thirds of a bottle."

S. M. CONKLIN was not here, but both the other brothers say his case was the same as H. M's. I sold the medicine to both the same day, and the cure was as speedy from the same small quanti y, and I might so specify. Yours with respect. A. HUNTINGTON.

The above speaks for itself. Good proof as it is, it is of no better tenor than the vast number of like certificates I have already published, and the still greater amount that is continually pouring in to me.

One thing more. Last year I had occasion to Caution the Public in these words:—

"*I notice one firm who have taken one of my general circulars, substituted the name of their nostrum for my medicine, and then with brazen impudence end their pamphlet with the exclamation, 'Let the proprietor of any other medicine say as much if he dares.'*" &c.

Now I take pleasure in saying that the Caution referred to the same "Dr. Christie's Ague Balsam" that is mentioned in the above certificate.

There are several other industrious people who are applying to their poisonous trash all that I publish about my Fever and Ague Cure, or Antidote to Malaria, except the certificates of Cures, and the Certificate of the celebrated Chemist, Dr. James. R. Chilton of N. Y., in favor of its perfectly HARMLESS CHARACTER, which is attached to every bottle. These will always serve to distinguish my medicine from imitations.

FITS! FITS!! FITS!!!

THE VEGETABLE EXTRACT PILLS.

FOR THE CURE OF

Fits, Spasms, Cramps, and a Nervous and Constitutional Diseases.

PERSONS who are laboring under this most distressing malady, will find the Vegetable Epileptic Pills to be the only remedy ever discovered for

Curing Epilepsy or Falling Fits.

these pills possess a specific action on the nervous system, and, although they are prepared especially for the purpose of curing Fits, they will be found of especial benefit for all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered from any cause whatever. In chronic complaints, or diseases of long standing, superinduced by nervousness, they are exceedingly beneficial.

Testimony in favor of the Vegetable Extract Epileptic Pills.

In the publication of the following certificates of cures, the names have been suppressed, as the testimonials were voluntarily offered, and it would be improper to publish them without the consent of the parties, and who would be unwilling to publish to the world that they or their children or friends, ever had fits, when the circumstance is always regarded as one of the family secrets.

READING, Berks County, Pa.
December 22d, 1852.

To Seth S. Hance:

Dear Sir—The Pills my brother bought of you in November, I mean the Vegetable Epileptic Pills, are out, and I get a friend to enclose you five dollars, for which I wish you to send me immediately two boxes more. I have been troubled many years with FITS, and have tried the skill of many physicians, but nothing which I have taken appears to have met the requirements of my case, so well as your Epileptic Pills.

ANOTHER CASE OF FITS.

CLARKSBURG, Va.
November 15th, 1852.

To Seth S. Hance, Baltimore, Md.

Dear Sir—Having been afflicted for some years past with Falling Fits, I saw your advertisement, and determined to give your pills a trial, and I am happy to say that since I commenced the use of them, I have not had an attack. I believe them to be a first rate article, for, as I have written to you in a former letter I was attacked every two weeks, but since I have been using them I have not had an attack.

Yours, respectfully,

LETTER FROM A DRUGGIST.

New York, Oct. 10, 1852.

Dear Sir—Please send me two boxes more of your Vegetable Epileptic Pills. The person of whom I procured them, is much pleased with their effects. They seem to have an excellent effect.

A PERFECT CURE OF EPILEPSY.

Pittsburg, November 22, 1853.

Dear Sir—It is now ten months since my wife had any of those nervous attacks. She thinks she is cured. She has not had any symptoms of the disease for the last nine months. She took your Vegetable Extract Pills for about four months, and discontinued them four months since. Mrs. S. was treated by the best old school physicians in the State for ten years, then by the best Homœpathic for eighteen months, without a cure. It is to your Vegetable Extract Pills, and with strict regard to diet, that we ascribe her cure of the most dreadful disease that ever afflicted the human family. I wish every person afflicted with Epilepsy had this medicine, and would give it a thorough trial.—It may not cure in all cases, but in this it has performed wonders.

A VERY REMARKABLE CURE.

Milledgeville, Ga.
December 17, 1852.

Dear Sir—I wish to inform you that one of my family has been afflicted with FITS for a number of years, and seeing an advertisement in a news paper, concerning your Vegetable Extract Epileptic Pills, I came to the conclusion after trying almost every physician in my reacht and all having failed in relieving my child of the disease, to send for six boxes of your pills, which proved an effectual cure for my daughter, who is now about 18 years of age. I think there is no other medicine in use equal to them, and I will be forever grateful to you for the use of them for my daughter whom it has cured.

Yours, respectfully.

Nervous and Constitutional Diseases.

These pills possess a specific action on the nervous system, and although they are prepared especially for the purpose of curing Fits they will be found of especial benefit to all persons afflicted with weak nerves, or whose nervous system has been prostrated or shattered, from any cause whatever; in fact it is almost impossible to convey an adequate idea of the speedy and almost miraculous results which these pills effect in the diseased, broken down or unstrostrated nervous systems. Persons who were all lassitude, weaknesss and debility, before their use, at once become robust and full of energy. No matter whether the constitution has been broken down by excess, weak by nature, or debilitated by sickness, their effection the unstrung and shattered nervous organization is equally certain and apparent. In cases of neuralgia, headache, vertigo, pain in the nerves of the face, and the various train of nervous affections, palpitation of the heart, periodical headaches, cold and shivered state of the frame, frequent fits of abstraction, total inability, dislike to society, melancholy, religious monomania, heats and flushes of the face on the slightest occasion, a desire that existence should terminate: they will produce a cure in an astonishingly short period of time, and it will also remove depression, excitement, a tendency to blush, restlessness, sleeplessness, incapacity for study or business, loss of memory, confusion, giddiness, blood to the head, mental debility, hysteria, indecision, wretchedness, thoughts of self destruction, fear of insanity, &c., &c.—They will increase and restore the appetite strengthen the emaciated, renew the health of those who have destroyed it by excesses, and induce continual cheerfulness and equanimity of spirits, and prolong life.

Persons of pale complexion and consumptive habits are restored by a box or two, to bloom and vigor, changing the skin from a pale, yellow sickly color, to a beautiful florid complexion.

☞ As these Pills are composed of some of the most expensive materials in the Materia Medica, it will be impossible to leave them around the country on agency, as common Patent Medicines usually are. But in order to let the afflicted in the most remote parts of the country have a chance to obtain them, they will be sent by mail free of postage, to any part of the United States, or any country with which the United States has postal arrangements, on the receipt of a remittance.

PRICES.—Vegetable Extract Epileptic Pill $3 per box, two boxes for $5, or $24 per dozen.
