I became so ill that I was much alarmed, and fortunately my attention was called to

THE ALABAMA LYNCHING

The Atrocious Murder That Led to the Quintuple Crime.

THE VICTIM'S BODY INCINERATED.

Women Built a Fire and Kept It Burning Until All Had Been Consumed but the Heart and Liver, Which Were Taken Away and Buried.

GREENVILLE, Ala., April 23.—Regarding the murder of Watts Murphy, which occurred a few days ago near his home, about fourteen miles west of this place, and which was the prelude to the quintuple lynching late Saturday night or early Sunday morning, already reported, the facts are meager. Sheriff Bargainer and G. W. Hinson left for the scene of the crime as soon as they received the news that the remains of the murdered man had been discovered. The suspected parties, four men and two women, all negroes, had been arrested in the meantime by the neighbors of the murdered man. The men on being questioned acknowledged the crime and gave a detailed account of the horrible butchery, which is revolting in the extreme.

The parties were all in the field together when a dispute arose, ending by one of the negro men striking Murphy on the head with a limb of a tree. The other men then jumped on him and beat him into insensibility, after which they carried his body to a log hut. The women hastily gathered brush and sticks, piled them upon the body and fired the heap. One of the women says that their victim turned over after the hair had been burned off his head. Wood was added to the pile until everything was consumed but the heart and liver. They refused to burn, and were taken away and buried.

The first clew as to the whereabouts of the missing man was obtained by the finding of the teeth and a few bones, which resulted in the arrest and confession. The murderers were: Cal Johnson, Fred Douglas, Jim Calhoun, Sim Jernigan, Mary Davis and a woman called "Jenny." Sim Jernigan, it is said, was the one with whom the quarrel began and who struck the blow which felled Mr. Murphy, and is the negro who escaped after being taken into custody.

Sheriff Bargainer and Mr. Hinson went to the Buckalew place, where they were told the prisoners were being held. On arrival, however, neither the negroes nor their captors were to be found. A search was made of the surrounding woods, and in a short time the three men were found hanging from one tree and the women from another near by. The sheriff began an investigation, but was unable to get any facts as to who composed the mob.

Riotous Negroes Capture a Town.

RALEIGH, April 23.—News has reached here that a large mob of negroes on Saturday night attempted to take possession of the town of Bath. They are employes at sawmills near there, and were angry because some of them had been arrested by town officers for disorderly conduct. They entered stores and barrooms, helped themselves and threatened people with death. They wounded four deputy sheriffs and so terrorized the people that they locked themselves in their houses to save their lives. A telegram was sent to Washington, this state, sixteen miles away for aid, and a company of troops was put at the disposal of the sheriff. Sunday morning the people of Bath started out to arrest the leading rioters. They captured five. One named Lanier resisted and fired at the posse and was shot twice and mortally wounded. The other prisoners were taken to Washington in a boat. An attempt by the negroes to release them by a boat attack was foiled.

Elected on the Recount.

QUEBEC, April 23.—In the bye election for the house of commons for Quebec west constituency, of April 17, R. R. Dabell was declared elected by a majority of seven votes. Hon. Thomas McGrevy, the conservative candidate, demanded a recount, which was held yesterday, the result being that McGrevy was declared elected by a majority of five votes. McGrevy formerly represented the constituency, but was unseated and imprisoned in connection with the Quebec harbor works scandal. It is now claimed by some authorities that McGrevy cannot re-enter parliament after having been expelled.

Forest Fires in West Virginia.

WHEELING, April 23.—Dispatches from several points report that forest fires are raging in the mountains in the interior of this state. Fully 3,000 acres of timber land have been burned over in the region of the Poca river and along Kelly's creek. No lives have been reported lost, and no buildings are known to be burned, but many fences are down. The flames are moving in two divisions about ten miles apart, and the country is lighted up for miles around. A traveler from a burning region reports that he was overtaken by the flames and forced to make a dash through the fire for his life.

Thinks Mrs. Parnell Will be Deranged.

PHILADELPHIA, April 23.—Dr. Thomas S. K. Morton, of this city, who was in consultation with Dr. Shipps on Sunday, stated today that if Mrs. Parnell lives she will be permanently deranged. He said that this almost invariably follows concussion of the brain accompanied by insensibility. In his opinion it is not unlikely that the old lady's wonderful vitality will save her life. She is 80 years old, but had he not known otherwise he would not have taken her to be more than 56.

Woman Charged with Incendiarism.

BALTIMORE, April 23.—Mrs. Annie Lewis is locked up at the Central station charged with having set fire to the house of Henry Warthen, 507 Colvin street, at 3 o'clock in the morning. Had it not been for the prompt action and heroic efforts of Officer Albin Ryan the entire Warthen family—two adults and six children—would have been suffocated and burned to death. It is alleged that Mrs. Lewis had a violent quarrel with Mrs. Warthen on Sunday.

Forged His Brother's Name.

WHEELING, W. Va., April 23.—Harry H. Dawson, a well known traveling man for a New York house, whose home is in Ellenboro, this state, was arrested in Parkersburg, charged with forging the name of his brother, J. M. Dawson, to a check. In default of bail he was sent to jail. Dawson is highly esteemed, and his friends claim that he is innocent of any wrong intent.

Suicide from a Bridge.

WILKESBARRE, Pa., April 23.—An unknown man leaped from the iron bridge into the Susquehanna river, and was drowned. It was a case of suicide.

Local Physicians Puzzled.

SOUTH PETERSBURG, N. Y.—For two months Melvin Church, of this town, was confined to his bed, suffering with lumbago, rheumatism and kidney complaint. The regular treatment was prescribed by his physicians without benefit. Dr. David Kennedy's Favorite Remedy was then used with the most satisfactory results.

In speaking about his case Mr. Church said: "After taking about two thirds of a bottle, I began to get relief, and when I had taken three bottles, I was well and strong."

Dr. David Kennedy's Favorite Remedy will build up a person suffering from debility quicker and better than any preparation known. For dyspepsia, biliousness, liver complaint, neuralgia and rheumatism, it has again and again succeeded where everything else has failed.

INDIANS BELLIGERENT.

Their Grievance Against a Land Company in Nebraska.

A SERIOUS UPRISING IMMINENT.

The Land Company Appeals to the Courts to Restrain Captain Beck, Agent of the Winnebago Indians, from Ejecting Settlers from the Reservation.

OMAHA, April 23.—Two hundred and ten Thurston county settlers have been summoned to appear in the federal court at Omaha in the case wherein the Flournoy Land company asks a permanent injunction restraining Captain Beck, agent of the Winnebago Indians, from ejecting the settlers on the reservation who have subleased the Indian lands from that company. The case has been a feature of disturbance on the reservation for months. United States District Attorney Sawyer, who has charge of the case for the government, asserts that there is danger of serious trouble from the Indians. He is inclined to think an outbreak may occur at any moment.

Captain Beck said the Indians had good cause for grievance. Even the money collected for Indian children had not been paid. It was a clear violation of guardianship confidence, and when an Indian's child is wronged it generally found resentment in the hearts of the tribe. The Indians, he said, were now developing a keen interest in the case. They have lately established a relay of couriers, and as soon as information is obtained it is transmitted quickly, and in a few hours all the Indians are posted on current events.

When asked why the two Indian police now in jail were not released on bail Captain Beck said he wanted them to remain in jail in order to cinch a suit for false imprisonment which he will bring against Sheriff Mullin and others. As an example of the temper of his redskin charges the captain said one chief volunteered a hundred men to prevent the arrest of the two Indian police.

Buchanan to Die Tomorrow.

SING SING, N. Y., April 23.—Warden Sage has decided that the execution of Buchanan, the wife poisoner, shall take place at 11 o'clock tomorrow forenoon. Buchanan, who two weeks ago showed signs of breaking down, is now displaying wonderful nerve. He still has hope that his wife's final appeal to the governor may save him, and told her so when she called on him on Sunday. Mr. Gibbons, Buchanan's counsel, stated this morning that he did not see that he could do anything more for the condemned man.

Protesting Against Mexican Cattle.

EUREKA, Kan., April 23.—Excitement here over the attempt to import Mexican cattle into this country for grazing is still intense. The state sanitary board meets today and will decide as to the admission, and for the present the case is in statu quo. Should the board decide to permit the cattle, which are now in quarantine, to be unloaded it is thought trouble will surely follow. Hundreds of cattlemen who have come to town declare the animals shall be deported at any cost.

Schulze's Big Defalcation.

TACOMA, Wash., April 23.—Additional facts show that Paul Schulze's defalcation as Northern Pacific land agent reach much larger sums than has heretofore been stated. The St. Paul syndicate of Spokane is known to have paid him between $400,000 and $500,000 for Spokane property for which no account was made. P. A. O'Farrell, of Spokane, is here to protect the syndicate's rights.

Followed by a Spanish Warship.

NEW YORK, April 23.—The Pacific mail steamer City of Para, just arrived from Colon, reports that from midnight Wednesday until daybreak Thursday morning she was followed by a Spanish warship. The Para at the time was off Cape Maysi and in the vicinity of the place where the Alliance was fired upon by a gunboat some weeks ago. The Para was not molested.

Each Had an Arm Blown Off.

WAKEFIELD, Mass., April 23.—A dynamite explosion occurred in Charles street, in which John Glynn and Charles R. Rooney lost an arm each, and their injuries may result fatally. They were heating some dynamite, holding it on a shovel over a fire, when it suddenly exploded. Glynn has a wife and two children.
