Lewisburg, Pa.

FRIDAY MORNING, DEC. 30, 1853.

ADVERTIZE!——Executors, Administrators, Public Officers, City and Country Merchants, Manufacturers, Mechanics, Business Men—all who wish to procure or to dispose of anything—would do well to give notice of the same through the "Lewisburg Chronicle." This paper has a good and increasing circulation in a community containing as large a proportion of active, solvent producers, consumers, and dealers, as any other in the State.

☞ See New Advertisements.

☞ Editor still absent. 'F.' next week.

***The Telegraph will be open on New Year's (Monday next) from 8 to 10 o'clock in the morning, and from 4 to 6 in the afternoon.

☞ For *two years* past, our CARRIER has not asked, from the 175 patrons he waits upon weekly, any 'New Year's gift.' This year, however, he will wish to be remembered, when transmitting his Annual Message. He desires us to state, that neither the National nor State Administration, nor yet the Office of the Chronicle, are to be held accountable for his views and his sentiments. Jackson-like, "he takes the responsibility"—like Columbus, launches forth into the great ocean of passing events; and those who have courage to accompany him, will probably get safe home again, although they may be a little frightened now and then at the boldness of his navigation among the straits and rocks and shoals and hurricanes of many "exciting subjects."

GODEY'S LADY'S BOOK for January, is the commencement of the XLIX. Volume—the 25th year under its Pioneer Editor, who seems determined to maintain a position at the head of the Magazines devoted to polite literature. We copy on the first page a most amusing story from the "Book."

GRAHAM'S MAGAZINE for January has a very interesting sketch of ROBERT MORRIS, the illustrious Financier of the Revolution, to whose sacrifices and extraordinary efforts in the department of material aid, our Independence is as much indebted, as to the exertions of Washington in the field. An Illustrated Life of Gen. WASHINGTON, words by the poet-painter Headley, is forthcoming.

☞ We will furnish either of the above Magazines (single copies $3) and the *Chronicle* one year, for $3.50—Cash in Advance. ☞

The indefatigable GRAHAM has also begun the publication of a quarto weekly journal—*The Saturday Evening Mail*—designed as a family journal, and also to awaken general attention to the great subject of Temperance. Price, $2 per single copy, 11 copies for $19. Address R. H. See Co. 106 Chesnut St. Phila.

ARTHUR'S HOME GAZETTE, we have repeatedly recommended as a Family Journal of much excellence. The Editor seems to appreciate that every printed thought leaves its influence upon the minds of those who read it, or hear it read; and seems to desire not to leave no line which, dying, he would wish to blot."

THE PROHIBITIONIST is the title of a new Temperance paper, issued at Albany N.Y. under the auspices of Edward C. Delavan and others who made the "Temperance Recorder" so efficient in former years. Oliver Scoville, Publishing Agent.

☞ A Club for the Musical Review advertised in another column, is desired to be raised in Lewisburg. Any wishing to join, will please leave their name at the Chronicle office.

UNION COUNTY COURT.—Wm. Geisweit found guilty on two indictments for Forgery. Motion pending for new trial.

Wm. Geisweit and Elijah Gemberling, tried for Larceny, and acquitted.

Elijah Gemberling tried for passing Counterfeit money, and acquitted.

Benj. F. Stone, indicted for Arson. The prosecution was abandoned after trial commenced, on account of the contradictory statements of some of the Commonwealth witnesses, (differing also from evidence on which the Deft was committed.)

True Bill on two indictments for Forgery against Geo. W. Kantz. Bound over to next Court.

Some action was had in the cases of alleged Bribery, which were not disposed of at our latest date.

In the Civil list, the action of Hartman use of Adams, vs. W. F. Wagenseller, verdict for Deft.

Weed, vs. Wm. Wilson, tried—verdict for Deft.

☞ The Pennsylvania Legislature will assemble on Tuesday of next week. Gen. M'Caslin of Greene is most prominent for Speaker of the Senate, and Barrett of Dauphin, Blair of Center, and Maguire of Blair county, for Chief Clerk. Struthers of Carbon is proposed for Speaker of the House—and Jack (of course) for Clerk... all on the Democratic side of the field.

☞ Hon. Andrew Parker of Mifflintown and Franklin Bound Esq of Milton, have been admitted to practice in the Courts of Union county.

☞ The *Star* and *Times* of New Berlin have, since the Election, ceased all their encomiums upon the lofty patriotism and unspotted integrity of their patron-saint, George Heimbach, and are now showering the saponaceous compound upon the devoted head of the new District Attorney.

☞ Philadelphia is still "going to" subscribe $2,000,000 to the Sunbury & Erie Railroad. "Hope springs eternal," &c.

WHO CAN BEAT IT?—Mr. Saml Swengel of Hartley Tp killed a hog on Monday week which weighed 501¼ lbs.—*Star.*

☞ The Methodist chapel in Lewisburg is so far completed that the congregation are now enabled to worship in the neat and commodious basement.

☞ Judge Grier—*the* Judge Grier—has decided that a German translation of Uncle Tom's Cabin is no infringement upon the copy-right!

Bennett, of the "Satanic Press," (New York *Herald*,) has to foot a bill of $10,000, and costs of prosecution, for a libel—recovered by the manager of an Opera troupe named Fry.

☞ *Holloway's Pills, for the cure of Nervous Debility and Derangement of Book to the Head*—Extract of a letter from Mr. John Lloyd, of Erwson, Harlech, Merionethshire:—"To Professor Holloway—Sir: I think it my duty to inform you, that for a long period I was afflicted with giddiness and swimming in the head and eyes, attended by a loss of appetite and generally impaired health. Every means had failed to give me relief, and at length it became so alarming that I was afraid of going out without an attendant. Mr. Hughes, chemist, of Harlech, advised me to try your Pills, which I immediately did, and am happy to say they effected a perfect cure, and restored me to health and strength."

ALL HAIL THE TRIUMPH THAT

FICKART'S CATTLE POWDER

HATH ACHIEVED.

Thousands are testifying to its Efficacy!

"*The merciful Man is kind to his Beast.*"

AFTER years of study and experiment by the inventor, to compound from *pure vegetable materials* a Powder that should and were take the place of the thousand and one nostrums gotten up and palmed upon the public as "cattle diseases" for the cure of all diseases which the Brute creation are "heir to," he has produced the one bearing this advertisement. None can be genuine unless bearing our ex. signature. The demand has been such that its sale has been chiefly confined to the State of Pennsylvania; but we have now consummated such arrangements that we are prepared to supply the demand in other towns now on hand as well as those we may hereafter receive from other States of the Union.

Knowing this Powder to possess all the curative properties here set forth, we deem it future trade of needs unnecessary to dilate here that those who once use it will secure for it a ready sale. Being composed of pure vegetable ingredients, it can be safely and judiciously given to that noble animal the HORSE, at all times in need of a tonic. Horsemen are in fact prone to give their horses a preventive against sickness, but with a premature shoeing, get the hide, fat on the other hand it will greatly aid the digestive, purify the Blood, regulate the Urinary organs, thereby improving and preserving the animal in a healthy condition of the animal even when in an apparently healthy state, and a certain and infallible cure when he has contracted the

Distemper	Grease	Rheumatism	Mangrums
Shortness	Heaves	Worms	Colds
Irritable Losses		Yellow Water.	

To the Agriculturist and dairyman, it is an invaluable remedy for their STOCK CATTLE following under their Diseases, Hoarse Bark and other of the many complaints with which they are liable from a suppression of the natural secretion.

MILCH COWS are much benefited by occasionally mixing with their Slop or feed. It has a tendency to strengthen the animal, remove all obstructions from the milk vessels, prepare all the secretions, and consequently add much to the strength of the animal, quantity and quality of her Milk, Cream and Butter.

Horses, during the warm seasons are constantly overheating themselves, which results in their getting Coughs, Colds of the lungs, and other parts, which naturally tends to hide their growth. In all such cases a table spoonful, mixed in a bucket of swill, and given every other day, will speedily remove all difficulties, and the animal will soon increase in Health and Fat.

Sold by the agent of thousands of this country, having either tried it on other of the animals which this Powder has been used for, so universally and so successful to the owners, and subject to Herself, so not to give it a trial? We confidently predict that wherever it is once introduced it will be a permanent in that Stable, and deemed as necessary to the every comfort and Fresh themselves are.
