FRIDAY MORNING, JAN. 6, 1854.

ADVERTISE!——Executors, Administrators, Public Officers, City and Country Merchants, Manufacturers, Mechanics, Business Men—all who wish to procure or to dispose of anything—would do well to give notice of the same through the "Lewisburg Chronicle." This paper has a good and increasing circulation in a community containing as large a proportion of active, solvent producers, consumers, and dealers, as any other in the State.

☞ **See New Advertisements.**

Dissolution.——Our late townsman Theo S. Christ has located at Mifflinburg under favorable auspices. Success attend him. Good luck however, always attends liberal advertisers.——List of letters.

Appointments by the County Commissioners.

O. N. WORDEN, Mercantile Appraiser. We congratulate our absent publisher on this streak of luck. Besides getting plenty of fresh air and exercise during his peregrinations, he will doubtless be able, on his return to talk Dutch "like a book."

A. J. PETERS has also been re-appointed Clerk to the Commissioners.

Mr. P. is an excellent and faithful officer whose circumstances and services justly entitle him the confidence and continued patronage of the Board.

☞ WM. CAMERON, Esq. has been appointed by the Judges of our Courts, Revenue Commissioner for this Judicial District.

☞ Glad to hear again from our correspondent "Qui." Sorry he has so many conscientious scruples against remaining at his post during the balance of the Session.

☞ Our Carrier's New Year's Address has found its way to the first page of the Chronicle, for the accommodation of the printers, and the benefit of distant subscribers. It speaks for itself, but for nobody else.

☞ The Directors of the Lewisburg Savings Institution, at their regular weekly meeting on Wednesday last, elected FREDERICK C. MOYER, Esq., of Freeburg a Director, to fill the vacancy occasioned by the resignation of Geo. F. Miller, Esq., who was a Director in the Northumberland Bank, and could not officiate in both.

☞ We learn that on Monday last a small house in Danville belonging to Messrs. Hancock & Foley, was destroyed by fire.

☞ The Steam Flouring Mill is now in successful operation.

SUMMER FRUITS IN WINTER.—The barque Venezuela, from Porto Cabello and Laguayra, arrived at this port on Monday She brought a few watermelons, which were given to friends—one of them reached our office, and tasted as fresh and lucious as the products of New Jersey do in the warm weather.—*Phila. Sun, Jan. 4th.*

SEVERELY BURNED.—Mrs. Goodhart, an aged lady residing in Sunbury, was severely burned, on Monday night week by her clothes taking fire. It is scarcely possible for her to survive. Mrs. Goodhart is one of the oldest inhabitants, having lived in her present residence, more than sixty years

☞ The Canal Commissioners are in Harrisburg, we presume preparing their annual report, and attending to the general business of the State improvements. The *Keystone* says, notwithstanding a heavy reduction of tolls, the increase of business swells the gross receipts of the past year some $35,000 over those of the preceding year. The reduction of tolls was required in order to secure business against the competition for the western trade, of the lines in New York and Maryland.

☞ *Holloway's Pills for the cure of Nervous Debility and Determination of Blood to the Head.*—Extract of a letter from Mr. John Lloyd, of Bryn-wen, Harlech, Merionethshire.—"To Professor Holloway—Sir: I think it my duty to inform you, that for a long period I was afflicted with giddiness and swimming in the head and eyes, attended by a loss of appetite and generally impaired health. Every means had failed to give me relief, and at length it became so alarming that I was afraid of going out without an attendant. Mr. Hugher, chemist, of Harlech, advised me to try your Pills, which I immediately did, and am happy to say they effected a perfect cure, and restored me to health and strength."

FEVER AND AGUE CURED BY ROWAND'S TONIC MIXTURE.

THE University of Free Medicine and Popular Knowledge, chartered by the State of Pennsylvania at its last session (viz. 29th April, 1853,) mainly for the purpose of arresting the evils resulting from the sale of spurious and dangerous nostrums, also for the purpose of supplying the public with reliable remedies in cases wherein the patient can not obtain or will not employ the best medical advisers, having purchased that invaluable remedy, Rowand's Tonic Mixture, on account of its just celebrity and known efficacy in the treatment of Fever and Ague, and its kindred affections, has no hesitation in recommending it to the highest terms to the patronage of the afflicted.

ALL HAIL THE TRIUMPH! THAT
FICKART'S CATTLE POWDER
HATH ACHIEVED.

Thousands are testifying to its Efficacy!

"The merciful Man is kind to his Beast."

AFTER years of study and experiment by the inventor, to compound from *pure Vegetable materials* a Powder that shouldn and must take the place of the thousand and one nostrums gotten up and palmed upon the public as "certain Remedies" for the cure of all diseases which the Brute creation are "heir to," he has produced the one bearing this advertisement. None can be genuine unless bearing our FAC SIMILE signature. The demand has been such that its sale has been chiefly confined to the State of Pennsylvania; but we have now consummated such arrangements that we are prepared to supply the numerous orders now on hand, as well as those we may hereafter receive from other States of the Union.

Knowing this Powder to possess all the curative properties here set forth, we deem a fulsome tirade of words unnecessary, feeling assured that its own merits will secure for it a ready sale. Being composed of pure vegetable ingredients, it can be safely and judiciously given to that noble animal the HORSE, at all seasons and in all weathers. Its effects are not *false* temporary of the system, creating a blooded carcass with a prepossessing coat of the hair, but on the other hand it strengthens the digestion, purifies the Blood, regulates the Urinary organs, thereby improving and protecting the whole physical condition of the animal even when in an apparently healthy state, and a certain and infallible cure when he has contracted the

INFLUENZA, GLANDS, BLOOD, DISEASES

INFLAMED LUNGS, YELLOW WATER.

To the Agriculturist and Dairyman, it is an invaluable remedy for their NEAT CATTLE labouring under Hoor Distases, Hollow Horn, and other of the many complaints which they are liable from a suppression of the natural secretion.

MILCH COWS are much benefited by occasionally mixing with their Slop or Feed. It has a tendency to strengthen the animal, remove all obstructions from the pale to be, promote all the secretions, and consequently adding much to the strength of the animal, quantity and quality of her Milk, Cream and Butter.
