TESTIMONIALS

From Citizens of Pennsylvania Who Have Been Cured by Chamberlain's Remedies.

Mr. W. W. Spilles, drug clerk, with J. W. McConnell, Parnassus, Pa., says: "I was out all one night last winter and contracted a severe cold. I was so hoarse for a week I could hardly speak. Knowing how well customers of our store spoke of chamberlain's cough Remedy, I concluded to try it. One-half of a bottle cured me entirely."

S. D. Newhart, Saylorsburg, Pa., says: "Chamberlain's cough Remedy is an excellent medicine. I have used it for coughs and colds with fine effect. I have sold it at my store for over two years, and my customers have all been pleased with it."

J. A. Van Valzah, Hughesville, Pa., says: "Chamberlain's cough Remedy has proven so valuable that I do not hesitate to recommend it to anyone."

Dr. F. Winger, Ephrata, Pa., says: "Mr. J. D. Kline, a cigar maker of this place, reports a complete cure of his cough with a 50-cent bottle of chamberlain's cough Remedy after he had tried others which had failed." For sale at 25 and 50 cents per bottle.

Do you know the quickest way to cure a sprain or bruise, a burn or scald? Such injuries are very common and can be cured quickly if properly treated. Mr. J. M. Amerman, of Forts P. O., columbia county, Pa., says: "I have never found anything to compare with chamberlain's Pain Balm for sprains, bruises and burns. We have used it in our family for several years and feel that we cannot do without it." Pain Balm is also a certain cure for sore throat, pain in the back, and is famous for its cures of rheumatism. 25 and 50 cent bottles.

Mr. T. F. O'Donnell, a well-known druggist of Parsons, Pa., in speaking of Chamberlain's Colic, cholera and Diarrhoea Remedy says: "Several times in the last few years when suffering with cramp or diarrhoea I have made a personal test of the value of this remedy. The effect in each instance was almost immediate relief."

Every mother should know that croup can be prevented by giving chamberlain's cough Remedy as soon as the child becomes hoarse, or even after the croupy cough has appeared it will prevent the attack. This remedy is also a certain cure for croup, and we have never yet heard of its failing in a single instance. For sale by Patton Pharmacy, C. W. Hodgkins.

Farm Notes.

If trees are pruned properly while young the necessity of cutting off large limbs will be avoided.

Leave the plowed ground rough, not harrowed, so as to allow the frost to penetrate into the soil. Frost will break the clods and lumps and do more to make the soil fine than will the use of any implement.

Those who buy steers to fatten on the surplus corn will gain more by feeding a variety of food, instead of depending on corn only. The secret of success is to promote digestion, and as corn is too concentrated it will soon injure the animals if given to them as an exclusive diet.

The farm is about the only place where a complete trade can be learned. The mechanic learns now only a portion of a trade, but the farm laborer must know something about a great many things and how to do the work properly. It may be claimed that there is plenty of room on farms for competent help at good wages. There are but few farmers who would not willingly advance the wages of one who knows what to do and is attentive to all the details without requiring the supervision of the employer, and the farm hand has an opportunity of "scientific" farming as well as the farmer, as it will open the door to a position for him at any time.

Absolutely pure, perfectly harmless, and invariably reliable are the qualities of One Minute Cough Cure. It never fails in colds, croup and lung troubles. Children like it because it is pleasant to take and it helps them. C. W. Hodgkins, Patton Pharmacy.

Great Triumph.

Instant relief experienced and a permanent cure by the most speedy and greatest remedy in the world—Otto's Cure for Lung and Throat diseases. Why will you continue to irritate your throat and lungs with that terrible hacking cough when C. W. Hodgkins, sole agent, will furnish you a free sample bottle of this great guaranteed remedy? Its success is simply wonderful, as your druggist will tell you. Otto's Cure is now sold in every town and village on this continent. Samples free. Large bottles 50c and 25c.

The old lady was right when she said, the child might die if they waited for the doctor. She saved the little one's life with a few doses of One Minute Cough Cure. She had used it for croup before. C. W. Hodgkins, Patton Pharmacy.

Tours to Florida.

No district in America presents, during the winter season, so many varied attractions as the state of Florida. Besides its delightful climate, which to one escaping from the cold and unhealthful changes of the North seems almost ethereal, it is pre-eminently a land of sport and pleasure. Along its eleven hundred miles of salt water coast and in its twelve hundred fresh-water lakes are fish of almost every conceivable variety, from the migratory tribes common to Northern waters to the tarpon, pompano, and others of a more tropical character. No where in all our broad land can the angler find a greater variety of game or better sport.

Here also the most enthusiastic hunter finds satiety. Deer, turkeys, bears, panthers, and wild cats roam at large through the more sparsely settled regions, while birds of all kinds may be found in abundance throughout the state. The more novel sport of alligator and manatee hunting may also be indulged in by the more adventurous tourist.

With its matchless climate, its orange groves, its rivers and lakes, its boating and bathing, its fishing and hunting, and its extensive forests, Florida presents unrivaled attractions for the valetudinarian, the lover of nature, the sportsman, and the explorer.

To this attractive state the Pennsylvania Railroad company has arranged four personally-conducted tours during the season of 1897, leaving by special train January 26, February 9 and 23, and March 9. The first three tours will admit of a sojourn of two weeks in this beautiful land; tickets for the fourth tour will be valid to return until May 31 on regular trains.

Rates for the round trip, $50.00 from New York, $48.00 from Philadelphia, and proportionate rates from other points.

For tickets, itineraries, and other information, apply to ticket agents, special booking offices, or address Geo. W. Boyd, Assistant General Passenger Agent, Broad Street Station, Philadelphia.-513

The length of life may be increased by lessening its dangers. The majority of people die from lung troubles. These may be averted by promptly using One Minute Cough Cure. C. W. Hodgkins, Patton Pharmacy.

County Seat Letter.

Ebensburg, Pa., Jan. 4, 1897.

Argument Court will be held in Ebensburg January 18th.

County Treasurer, E. F. Spencer and family will move into the Evan's property in the West ward at this place.

The remains of John Rodgers, of Altoona, formerly of this place, were brought to Ebensberg on Wednesday morning and interred in the Lloyd cemetery.

On Thursday evening a little five years old son of Samuel Ludwig's of this place, climbed up to a table and upset a pitcher of hot water over himself scalding his breast very badly. The little fellow is getting along very well and was not seriously burnt.

The old way of delivering messages by post boys compared with modern telephone, illustrates the old tedious methods of "breaking" colds compared with their almost instantaneous cure by One Minute Cough Cure. C. W. Hodgkins, Patton Pharmacy.
