FRIDAY MORNING, JULY 28, 1854

ADVERTISE!—Manufacturers, Merchants, Public Officers, in City and Country, Mechanics, Executors, Administrators, Operators—all who wish to procure or dispose of anything—would do well to give notice of the same through the "Lewisburg Chronicle." This paper has a large and increasing circulation in a community containing as large a proportion of active, solvent producers, consumers, and dealers, as any in the State.

☞ See New Advertisements.

☞ The extreme heat has melted the roller in our office, which makes our print somewhat imperfect.

☞ GOOD REASON.—A Post Master writes that one of our patrons (who owes $9.08,) has "gone to Illinoise," and wants us to stop the paper, as *he does not want to lose his postage!* That's a valid reason; but Post Masters will not transmit the name nor the golden rule. If they would add to such epistles, the name of the Post Office where the delinquent goes, and also an opinion as to his ability and willingness to pay his just debts,

"Division Bill."

Our challenge last week for the New Berlin papers to copy the [illegible] had some effect—an *anonymous* [illegible] has appeared, (from the *Star*, we supposed,) giving what purports to be the "Division bill" as it passed the Senate." [illegible] the main correct—except that the [illegible] are not filled out, there is a great error (typographical, we presume) in the 9th section; and an important *proviso* in the 14th section is omitted. The proviso was inserted to suit the Governor's views, and is to the effect that the Bonds provided for *shall not be sold under par.* With these exceptions, the "Bill" we believe is *genuine* and may *pass.*

But it has no *date* or *imprint*, and we are informed by a resident *south of Penns creek that they have not seen it there!* ☞ although hundreds of them are being distributed by Simonton, Merrill, & Co., on the *North* side! Without responsibility, or ownership, circulated only in certain localities where they think it may suit their purpose, what do they mean? Why not put it in their papers, so that *all* may see it, North and South? Why?

—We hope every citizen will carefully examine the bill, and decide for himself if its provisions are not just, and its safeguards sufficient.

ANOTHER CHANGE!—Deputy Sheriff Ritter is a man of authority, and a sound, resolute Whig; but for all that, he could not be allowed to remain in the *Star* establishment; and we find by yesterday's issue that WM. M. BEAVER is now sole Proprietor of that "best paper in the county"! Success to you, Billy!

☞ We are informed that on Tuesday of this week, a severe storm with floods of rain occurred in the neighborhood of New Berlin and Middleburg, and that a young lady in the country was killed by lightning during the storm.

☞ The people of Oregon have voted not to call a Convention to form a State Constitution, by a majority of about 500 out of 3,000 votes.

BUFFALO, July 24.—Reports having reached here, on Saturday, of the sudden outbreak of cholera at Niagara Falls, Drs. Hamilton and Hunt repaired to the spot, and found it raging among the Irish laborers on the canal, and the low grounds at the Suspension Bridge. Panic aided the deadly disease, and a number lay dying and dead, and some 400 had fled from the place.

The number of deaths up to last night, reached about fifty. Work is now entirely suspended, and nearly all who are not sick have fled. There is no sickness in the immediate vicinity of the Falls.

NEW ORLEANS, JULY 20.—The steamship United States, from Aspinwall, has arrived at this port, bringing California advices to the 1st inst. The monetary news continues to be of the most favorable character, and the crops were yielding [illegible]. The land question at San Francisco has not been decided. Much excitement occurred at an election in San Francisco, and severe fighting and shooting at the polls took place. There had been a large influx of Chinese emigrants.

Washington correspondents state that private letters from Mexico by the last packet, indicate that SANTA ANNA is likely, very soon, to place himself at the head of the Liberals, and to wage opposition to the Church party.

WASHINGTON, July 25.—The National Intelligencer is informed by a physician, lately returned from Cape May, that cholera exists there—he having witnessed four fatal cases, and been informed of three others.

An act has been passed by the Legislature of Connecticut, giving to boarding house keepers the right to detain baggage, &c., for any money due for board, and to sell it at the expiratin of six weeks.

THE HOMESTEAD BILL, as it has passed the Senate, retains none of the features of the original proposition.

[For the Chronicle.]

"WEST BUFFALOE, No. 1," is supposed to be second cousin of "Railroad Whig from Hartley."

DOANE NUGENT,
of Mercersburg

☞ We take pleasure in publishing the following correction of an erroneous rumor. Long may we have a Burgess who will wisely exercise his power by keeping out demoralizing and wasteful exhibitions.

Error Corrected.

To the Editor of the Lewisburg Chronicle:

I notice in your last paper a statement that I required of the Agent of the late Menagerie $50 for a License to permit him to exhibit in our Borough. This is a mistake, as the Agent did not call upon me, and if he had it would have been of no benefit to him. The notice has two features with which I am dissatisfied. First, it shows that I would, for money, leave Satan and his train of abominations into our Borough. It also shows that in exchange for money I would expose the young and inexperienced, and those who have not sufficient government of their own, to the corruption of morals and the infusion of poison by the Enemy of all good who is going about seeking whom he may devour. Neither of which my conscience would by any means allow.

BURGESS.

Lewisburg, July 26, 1854

BUFFALO, July 24.—The steamer Mississippi, on her downward trip from Sandusky, yesterday, had three fatal cases of cholera on board. They were all firemen who had got overheated and drank large quantities of liquor.

The city [illegible] healthy.

Will be Published on the 1st August,

"THE CABIN BOY'S STORY,"

A Nautical Romance of intense interest, by the Author of the "Pirate Doctor," the "Lawyer's Story," the "Old Doctor," &c. &c.

THE success hitherto enjoyed by the writer of the above popular works, is a sufficient guarantee of the favor with which any productions coming from his pen will be received by the public. "THE CABIN BOY'S STORY" is a romantic narrative, illustrating the horrors of the Slave Trade, as carried on in the Coast of Africa. The author has served in the navy—and the descriptions and characters are painted from personal acquaintance with them. The story is full of exciting interest and adventure as the celebrated work of Defoe, "Robinson Crusoe," and has the advantage over that glorious fiction, inasmuch as it is founded on facts of every day occurrence. The history of the heroine of the Story, Zuleika, the Circassian Slave purchased at Constantinople, educated and married by the reckless, yet chivalric, Seymour—the commander of the Albatross, is simply the narration of a fact painted from the life, and all the numerous characters portrayed throughout the story are vividly and graphically drawn.

The publishers have already received orders for the whole of the edition it was originally their intention to publish; consequently, they have been obliged largely to increase it; and they respectfully request that all orders may be sent immediately.

They confidently expect that the work will create as much interest as any work of fiction that has of late years emanated from the press, notwithstanding, since the publication of "Uncle Tom's Cabin," works relating to slavery in America, PRO and CON, have been numerous, none have appeared having relation to the system of purchasing slaves on the African Coast, written by one who has witnessed it in all its hideous deformity. The work is written in chaste and pure language, and will be a welcome and instructive addition to the family library.

The work will form a beautiful octavo volume of 400 pages, handsomely illustrated with fine engravings, and elegantly bound in cloth. Price, in cloth, one dollar; in paper, 75 cents, at which rate copies will be sent by the publishers to any part of the country free of postage.
