WORDEN & CORNELIUS.

Lewisburg, Pa.

FRIDAY MORNING, JULY 6,1855.

ADVERTISE!—Manufacturers, Merchants, Mechanics, Public Officers in City and Country, Publishers—all who wish to buy or sell—would do well to employ the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, advent producers, consumers and dealers as any in the State.

☞ See New Advertisements.

☞Prof. WHITMAN, in consequence of paramount claims of the Freeburg Academy upon him, has resigned his station as Superintendent of the Common Schools of Union County.

☞The Fourth, be it known, was decidedly a wet day, and thereby many plans for celebrating were frustrated. The Ladies of Lewisburg had provided for a general out-door pic-nic, and invited everybody to participate; and as it was, refreshments were served up in-doors, to very general satisfaction.

JERSEY SHORE, July 4, 10, A. M.

A man named Nathan Homler, was accidentally killed this morning by the bursting of a cannon.

CROPS.—Farmers in Union and Northumberland counties are gathering in large crops of clover and timothy. Rye is turning color, and Wheat—somewhat lodged by heavy rains in some localities—is nearly ready for cutting. There are some complaints of the Weevil, but thus far nothing like the evil of last year.

A gentleman just from the South Western portion of Pennsylvania, states that the wheat harvest has already commenced there, and that every description of summer products promises to yield very abundantly.

☞We learn that during the Senior's absence one of the New Berlin papers intimated with characteristic mendacity that it was to avoid being a witness at their late Court. The truth is we had arranged the visit three months previous; stated it publicly at home and in New Berlin; and passed the New Berlin Constable on the street, twice, without knowing that he had a subpœna for us.

But it's not too late, neighbors. You wanted us to prove the publication of a certain handbill, for the original of which a handsome reward was offered by some of your most responsible citizens. That original is ready, gentlemen, waiting for your money. Please remit!

NOTICE.—We are requested to state, that there is a general law of this Commonwealth, forbidding and imposing a penalty upon any person for using torpedoes or fire-crackers, and that it is the design of the authorities of Lewisburg to cause the enforcement of this wise regulation hereafter. Merchants and boys, look out!

☞On the 27th ult., we wrote a letter in Athens, which is post-marked the 28th, and reached its destination, Lewisburg, six days afterwards, viz 4th July—one day after we had reached the place, in a trip of 6 or 7 hours' travel. Six days for a pre-paid letter, only five days longer on the way than the writer using the same mode of conveyance!

CRUSHED TO DEATH.—Mr. George Tribley, of Shamokin, was torn to pieces in a shocking manner, at a Coal Breaker, just above the town. It appears he got entangled in the gearing, and was killed instantly. He was an American born, a respectable man, and has left a widow and several small children to mourn the loss of husband and father. The accident occurred on the 20th June.

A meeting of the Stockholders and Directors of the Susquehanna River and North and West Branch Telegraph Company, will be held at the Montour House, in Danville, on Tuesday, the 17th of July next, at 1 o'clock P. M., for electing officers for the ensuing year.

WEST POINT GRADUATES.—Diplomas have been given to the following named graduates of Pennsylvania:—C. Van Camp, Michael P. Small, D. McM.Gregg, of Center county, Lewis Merrill of Union county, E. L. Hartz, and T. M. Bryan, Jr.

Gov. POLLOCK has received from the College of New Jersey, Princeton, (where he graduated,) the honorary degree of Doctor of Laws.

GEO. E. WELLES, Esq., has been appointed postmaster at Defranceville, in Clinton county.

The Farmers' High School.

On Tuesday the 26th ult., the Committee of the Trustees of the Farmers' High School of Pennsylvania, consisting of the Governor, Hon. Frederick Watts, and Dr. A. L. Elwyn, accompanied by Hon. Wm. Jessup, Hon. A. O. Heister, R. C. Walker, Esq., H. N. McAllister, Esq., and the Secretary of the Commonwealth, Trustees, visited Centre County for the purpose of examining the farms offered by Gen. James Irvin upon which to establish the said School.

Gen. Irvin offered the Trustees their choice of three farms, each containing two hundred acres of the finest quality of limestone land, situated in the heart of one of our richest agricultural townships, and all in a high state of cultivation.

After the farms had been examined the Trustees and all the company adjourned to the dwelling house of Moses Thompson, Esq., at Centre Furnace, where more than one hundred and fifty persons sat down to a sumptuous dinner, prepared by Mrs. Thompson, whose hospitality, and kindness will be long remembered by the company.

The Trustees left for Lock Haven on Wednesday afternoon *en route* to Erie to view the farm offered in that county by Judge Miles.—*Bellefonte Whig.*

Helmbold's Genuine Preparations.

HELMBOLD'S Highly Concentrated **Compound Fluid Extract of BUCHU**, for Diseases of the Bladder and Kidneys, Secret Diseases, Strictures, Weakness, and all diseases of the Sexual Organs, whether in Male or Female, from whatever cause they may have originated and no matter of how long standing.

If you have contracted the terrible disease which, when once seated in the system, will surely go down from one generation to another, undermining the constitution and sapping the very vital fluids of life, do not trust yourself in the hands of Quacks, who start up every day in a city like this, and fill the papers with alluring falsehoods too well calculated to deceive the young and those not acquainted with their tricks. You cannot be too careful in the selection of a remedy in this cause.

The Fluid Extract of Buchu has been pronounced by eminent physicians the Greatest Remedy ever known. It is a medicine perfectly pleasant in its taste and very innocent in its action, and yet so thorough that it annihilates every particle of the rank and poisonous virus of this dreadful disease; and, unlike other remedies, it does not dry up the disease in the blood, constitutional Debility, brought on by self-abuse, a most terrible disease, which has brought thousands of the human race to untimely graves, thus blasting the brightest hopes of parents, and blighting in the bud the glorious ambition of many a noble youth, can be cured by the Infallible Remedy. And as a medicine which must benefit every body, from the simply delicate to the confirmed and despairing invalid, no equal is to be found, as by both as a Cure and Preventive.

Helmbold's Highly Concentrated Compound **Fluid Extract Sarsaparilla,**

For purifying the Blood, removing all diseases arising from excess of Mercury, exposure and imprudence in life, chronic constitutional disease, arising from an impure state of the Blood, and the only reliable and effectual known remedy for the cure of scrofula, Tetter Rheum, Scald Head, Ulcerations of the Throat and Legs, Pains and Swellings of the Bones, Tetter, Blotches on the Face, and all Scaly Eruptions of the Skin.

This article is now prescribed by some of the most distinguished Physicians in the country, and has proved more efficient in practice than any preparation of Sarsaparilla yet offered to the public. Several cases of secondary Syphilis, Mercurial and Scrofulous diseases have entirely recovered in the incurable wards of our Public Institutions which had for many years resisted every mode of treatment that could be devised. These cases furnish striking examples of the salutary effects of this medicine in arresting some of the most inveterate diseases after the glands were destroyed and the bones already affected.

NOTICE.—Letters from responsible Physicians, accurate Medical Diplomas, and certificates of cures from patients will be found accompanying both Preparations.

PRICES.—Fluid Extract of Buchu, $1 per bottle, or 6 bottles for $5. Fluid Extract of Sarsaparilla, $1 per bottle, or 6 bottles for $5, equal in strength to one gallon Syrup of Sarsaparilla.

Prepared and Sold by H. T. HELMBOLD, Chemist, 263 Chestnut St., near the Girard House, Philadelphia.

To be had of CHRIST & CALDWELL, Lewisburg, and of Druggists and Dealers everywhere.

☞All letters directed to the Proprietor or Agent receive immediate attention.

HOMŒOPATHIC Physician---would respectfully announce to the citizens of Lewisburg and vicinity that he has permanently located himself in this place, and asks a share of the public patronage, feeling assured that he can treat with unsurpassed success all curable diseases that the human family are prone to. In the treatment of diseases of females and children the great Homœopathic law stands without a rival even in chronic diseases, that has baffled the skill of other systems, Homœopathy stands forth as a giant, claiming victory in almost every case. All ye afflicted, give it a trial; it will not cost you much. Try before you condemn.

An Eligible Situation,

FOR a suitable person.---The subscriber is obliged, by weak health, to seek the services of a man accustomed to farm labor, and partial to the culture of trees and plants, to assist in the working and management of some **Nursery Grounds.** He will also have the care of two horses, and the farming of 20 acres of broken land.

A man, steadied by 25 to 30 years of life, would be preferred; he should be a fair writer, and pure testimonials of integrity and good habits, moral and social, will be necessary.

To a person without other capital than ability and will to work, and reliable character, this offers an opportunity of sure advancement to comfortable circumstances through a few years of labor and painstaking.

Wages, at the first, those of a common farm hand, increasing to a liberal salary or share in proportion as expertness and usefulness in the nursery are increased.
