Lewisburg, Pa.

FRIDAY MORNING, NOV. 9, 1855.

ADVERTIZE—Manufacturers, Merchants, Mechanics, Public Officers in City and Country, Publishers—all who wish to buy or sell—should do well to employ the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers as any in the State.

☞ **See New Advertisements.**

☞ A very desirable building lot is offered for sale among our new advertisements this week.

☞ The *Times* states that the Chestnut Ridge post-office, in Union county, is discontinued. WINFIELD we suppose to be the nearest Office.

Site of County Buildings.

Last Saturday was an animated day in Lewisburg—the last (we hope) of the "Elections" by which the Division Act is consummated. Nearly all the votes (one for every $10 subscribed) were cast, with the following result for the site of Court House:

Second St.—Spyker's corner	637	
Black's lots	39	676
Third St.—Third street	415	
Wilson's corner	20	
S. Third St.	5	440
Fourth St.—Ludwig's corner		153-593
Maj. for Second St.		73
" Spyker's corner over next highest,		212
" All other sites over Spyker's corner,		5

—The lots decided upon are those two immediately in the rear of the Lutheran church property, and there being streets on two sides and a burying ground on another, it is measurably protected from fire. On the highest ridge of land in town, it will always have the purest air; whilst its sightliness from the other side of the river is superior to any of the other proposed locations. It is probable a majority on this side of the river would have preferred Ludwig's corner or some other more western site than the one which is fixed upon; but the difference in *price*—Ludwig's at $6,000, and Spyker's at $700—doubtless turned the current and decided the site at the latter point. The two lots belonged, the corner one to Jonathan Spyker, and the next to George F. Miller; they are fairly worth from $2500 to $3000, but are deeded to the Location Committee for $700 only. (It was generally argued by the opponents of Division, that "suitable grounds" in Lewisburg could not be procured for less than $10,000—quite a miscalculation to start with.)

The following was the vote for Location Committee:

JAMES P. ROSS, on both tickets,	1201	elected
ELI SLIFER down town	809	"
JONATHAN WOLFE "	716	"
ALEX. AMMONS, up town	632	
CHARLES PENNY "	474	

Average maj. for down town Committee, 211

All parties united upon the following Building Committee:

WILLIAM CAMERON,
THOMAS HAYES,
JOHN WALLS.

The Committees are well known to be among our oldest and most responsible citizens—liberal subscribers to the Building Fund—and men who we doubt not will execute the important trusts confided in them with fidelity to the public weal.

☞ A correspondent of the Albright church *Messenger*, proposes to leave the Southern States, to the care of the churches that tolerate Slavery. He says, "If they have found a gate wide enough and a way broad enough, that leadeth unto life, for such tyrants, why, let them point it out. We shall not murmur. We cannot do it. The Evangelical Association has no other Gospel to promulgate than good tidings unto the meek, to proclaim liberty to the captives and the opening of the prison to them that are bound." The church loves justice too well to prosper in the Slave States, but is very flourishing in the free West.

MIFFLINBURG.—The Temperance Meeting is postponed until the 15th inst. The *Star* editor has been made glad by venison taken by some neighbors on the Buffaloe mountain. The real estate of S. Gutelius, and the Mifflinburg Foundry, are offered at public sale at Croizer's Hotel, Friday, 30th inst. The Editor inquires into the probable effect of the Tyrone Road [if built] upon the Spruce Creek Road [if we all do nothing and let the Tyrone get the start of us.] The Teachers' Institute met on Tuesday, when D. HECKENDORN was chosen President, Luther Auspach and J. P. Cronmiller, Secretaries; addresses by Messrs. Yocum of Snyder and Reimenenyder of Northumberland

News Items from Other Counties.

NORTHUMBERLAND.—A report of the Fair at North'd Borough states that it was very far superior to any ever held in the county. There was entered about 100 horses, 100 cattle, 100 hogs, 400 head of poultry, 90 bushel grain, 37 bushel potatoes, 140 various vegetables, 68 dairy products, &c. &c. Nine competitors at the plowing match. And an excellent Address from J. J. Reiminsnyder.....Thos. McElwee was killed on Tuesday, the 30th inst., at about 10 o'clock in the morning, in the mines of Ammerman, Zerne & Weitzel, at Shamokin. He was in the act of setting a prop when a large piece of slate fell on him, and smashed his head. .....The Danville Brass Band gave a concert in Milton, vocal and instrumental, Saturday week and well patronized..... The Miltonian says: "We are gratified to learn that a Railroad-Car Manufacturing Company has been formed by five of our enterprising and solid men, who will, at an early day, commence the erection of mammoth buildings for the purpose. We also understand that another able company stimulated and encouraged by the enterprise contemplated above, will soon commence building a huge saw-mill, canal, boom, &c., in upper Milton."

CENTER.—The Whig says "The friends of the Lewisburg, Center & Spruce Creek Railroad had a meeting at Boalsburg lately, at which $75,000 were subscribed." ——The friends of the Tyrone & Lock Haven route are also busily at work.——A correspondent states that the last Agricultural Fair, in Potter Tp., was superior to any of its predecessors.——Dr. James Irvin, of Snowshoe Tp., runs his lumber from his mill to the river, over a mile and a quarter, in about three minutes. He has a plank flume, supplied with water from a small run, into which the boards are laid, and thus run off to the destined spot.——A protracted meeting is in progress at the Methodist chapel in Bellefonte.——Of 61 votes for Plumer in Bellefonte, it is stated only 12 were cast by native-born citizens.——The Centre Democrat hoists the name of Gen. Sam. Houston for President.

MIFFLIN.—A party of hunters from Lewistown brought home a six pronged buck which they had caught in Licking creek valley.——Mrs. James Ford died in Lewistown last week, and at her own express desire, she was dressed in her best apparel, with gaiter boots, head dress, shawl, jewelry, &c., and thus buried.——The Juniata Sentinel says that a hunter named Oliver Dillen, shot three bears—an old one and two cubs—on the Shade mountain in Fermanagh township, last week. ——Wm. Stoy committed suicide on Saturday evening at the Poor House, by cutting his throat and wrist with a razor. He was a well-informed and well-read man, and an excellent clerk, but unfortunately at times addicted to the indulgence of liquor, under the influence of which he no doubt committed the rash act that terminated his existence. He was about 50 years of age. ——The *Gazette* says, we saw a piece of lead water pipe a few days ago that had been gnawed through by the rats, a feat no one would hardly have supposed the long-tailed rascals could accomplish. The marks of their teeth however are too plain to be mistaken.——Grain in considerable quantities has been received during the month, and a fair impetus given to the dry goods, grocery, and hardware business in Lewistown.

CLINTON.—There were 120 shares of stock announced as taken, at a late meeting of the friends of the Mill Hall Iron Company.——The loss by the late fire at Lock Haven was about $25,000.——The front of a new hotel going up on Water Street in Lock Haven, fell in, doing great damage. The rain had washed away a part of the foundation.——Jacob Sheid, aged six years, son of Philip Sheid, was drowned by falling into the Canal near Scott's Warehouse.

LYCOMING.—The Jersey Shore Republican notices the migration for the South on Monday, of Peter Stout, J. T. Baker, and F. Wilson, printers.——Mr. Dana's High School Exhibition is spoken of in highly complimentary terms.——The News Letter applauds the bridge going up over Pine creek at Phelps' mills, H. D. Rodearmel, contractor.——A Military company is proposed to be organized, at Williamsport.——Dr. Elder delivered an interesting lecture, on Labor.——The *Gazette* has a truthful article respecting the Country Press.——A fire in the dwelling of John Rathmel, on Water street, was discovered by a parrot's crying "Fire! Fire!" and was extinguished after doing but little damage. Supposed to have originated from a spark dropping in a box of shavings.——Gen. Packer for U. S. Senator, proposed by a Potter county paper, is warmly seconded by the Gazette.——*Sad Accident.* Yesterday (8th inst.) Jeremiah Smith was killed in Thomas Opp's mill, in Moreland Tp, by being caught in the machinery; one arm was entirely cut off, and the other nearly, and his head and body were shockingly mangled. He leaves a large family.

MONTOUR.—V. Best is elected Brigadier General, and Thomas Brandon Brigade Inspector. Gen. Best, thought he had served out his time in the military line, but accepts his unanimous nomination to the above post.——Dr. Elder lectured in Danville on the subject of American Industry.

BLAIR.—Parsons, the southerner who attempted to capture an alledged slave without showing any authority, has had a true bill found against him for an attempt to kidnap, and gave bail for his appearance.——The Post Master at Tyrone City it was suspected, had "seen Sam," and is removed accordingly.

PENNY.—Jacob Shearer, late of Tyrone Tp., and Mr. Stover, late of Liverpool, are elected to the Legislature of California, on the American ticket.——Rev. Robert F. Wilson has accepted the call of the Bloomfield and Ickesburg Presbyterian churches.

WYOMING.—A daughter of Mr. Dietrick, of Tunkhannock, while on a tree gathering chesnuts, fell, and broke both legs and a collar bone. She is recovering.

☞ The news from the Eastern War continues to be a chronicle of victories on the part of the Allied powers, constantly humbling and circumscribing the power of the audacious, colossal tyrant, Russia. Sebastopol, the crowning glory of her struggles for seventy years, is virtually lost to her; and the Crimea, and with it the Black Sea and its smaller seas, are in danger of passing utterly from her sway. If the Allies are wise enough to content themselves with perfecting and retaining these conquests, the danger of Russian aggression will be dispelled, and the Allies will have gained substantial advantages, sufficient to repay their loss of money but not of men.

☞ We observe some of the rabid party papers can not even insert the Thanksgiving Proclamation of Gov. POLLOCK, without indulging in abuse of him. True, his recommendation is in almost exact terms with those of his predecessors, but they ignore that fact in their one-eyed criticism. At least on Sundays and Thanksgiving days, the Chief Magistrate of our State should be respected as such, and petty political dissensions forgotten.

☞ Several families desire Houses to dwell in, in this Borough. Persons who have dwelling houses to rent, would do well to advertise them.

In Kentucky, at the Flemington County Court, a wealthy man who courted a girl "just for the fun," has been mulcted in $6000 damages for breach of promise.

☞ With the Divine permission, the Rev. JOSEPH MANN will preach in the Lewisburg Presbyterian church on next Sabbath (the 11th inst. Hours of public worship, 10½ A. M. and 7 P.M.

A Complete Cure for Ague!

THE very extensive prevailing condition of this disease, and the fact that it is not known to the public that the undersigned is able to CURE AGUE, has induced him to make known to the public that he uses a preparation in use by no less than 2,000 American Eclectic Physicians, called **Restorative Wine Bitters.** This preparation acts on the Liver, Spleen, Stomach, Kidneys, indeed in the whole system, and brings it into a healthy and vigorous condition. Now when the whole system is brought into a perfect state of health, it is impossible for Ague to occur, which generally attacks the feeble, or those whose constitution has been broken by some cause. This can generally be done by our Restorative, and almost every case completely cured. Of course no disease can be cured that a man may not take it again, but we mean cured and brought into the same healthy condition as one that never had this disease, cured for this season if the person observes the laws of life and health.

N B. This medicine should be taken from 3 to 5 weeks, dose a table-spoonful 3 or 4 times a day, price of quart bottle $1.

Now if you are no friend of the Ague you will call and be cured. Lower end of Market St. Lewisburg. M. H. DERSHAM, M. D.
