BRINGS SUMMER BOARDERS.

A Large Metropolitan Newspaper Which Is Helping the Summer Resorts.

The Brooklyn Eagle several years ago established a Bureau of Information in Brooklyn, where the public could, free of charge, secure details of hotels and boarding houses for the summer. The idea at once became popular, and branch bureaus were opened in Manhattan and other cities. Country hotels and boarding houses by sending to this Bureau can secure a listing blank, fill it out and return it and then be represented free of cost, and send their circulars and cards for free distribution.

The Brooklyn Eagle has also been considered for years the best medium for summer boarders in New York city.

The Rock Point Inn, in the Adirondacks, said: "We are giving the Eagle a larger share of advertising than most other papers, as experience has demonstrated its value to us in past seasons."

Chauncey B. Newkirk of Wurtsboro, Sullivan county, said: "Last season one small adv. brought me five guests."

La Rue Bros., proprietors of the American Hotel of Sharon Springs, N. Y., wrote: "Our house is full and mostly by Brooklyn people. Daily we receive applications for rooms, and all on account of our standing ad. in the Eagle."

Presbyterian Chroniclings.

(By Rev. E. M. Smead.)

By the courtesy of the editor of the Press this column will contain weekly items of interest for Presbyterians and also some things that we trust may be of general interest to the public. It is with grateful appreciation that we recognize the kindness of the editor of this paper for offering this space.

The regular weekly services are as follows:

Sunday, a. m., 10.30, regular preaching service.

Sunday, a. m., 11.45, Sunday school.

Sunday, p. m., 6.45, Christian Endeavor meeting.

Sunday, p. m., 7.30, evening preaching service.

Tuesday, p. m., 7.30, Bible and catechism class.

Wednesday, p. m., 7.30, midweek prayer service.

A most sincere and cordial welcome is extended to all those who have no other church affiliations. The young people are especially solicited for the Sunday school and Christian Endeavor services. It is gratifying to the pastor to have observed the marked increase in attendance at the Sunday evening services of late. It is most sincerely hoped that the members of the church will do their part to sustain and promote this forward movement.

The Rev. E. M. Smead and Elders Wm. Mitchell and John C. Wallace attended the spring meeting of Hudson presbytery which was held Monday and Tuesday of this week in Goshen, N. Y. The call to the pastorate was formally placed in Mr. Smead's hands by that body and arrangements were made for his installation on the first Tuesday evening in June.

Next Sunday evening the fourth utterance from the cross will be the text discussed. It is that most heartrending cry, "My God, my God, why hast thou forsaken."

"Come with us and we will do thee good."

When you lack energy, do not relish your food, feel dull and stupid, after eating, all you need is a dose of Chamberlain's Stomach & Liver Tablets. They will make you feel like a new man and give you an appetite like a bear. For sale by A. W. Balch & Son, Matamoras, all drug and general stores in Pike county.

Poor Man.

Pettijohn—Women are paradoxical creatures.

Pillsbury (wearily)—Yes. My wife has got one of those hats that they wear at an angle of 45 degrees, and she is forever asking me: "George, have I got my hat on straight?"—Brooklyn Eagle.

Avoid Consumption.

When you cough it irritates your lungs, and the more you cough the more your lungs become affected with weakness and decay. They who desire sound lungs should never neglect a cough. There is no other cure so safe, so sure, so certain and quick in its effect as Mexican Cough Syrup. It is so pleasant to take that little children will often ask for more. Price 25 cents.

Forces of Nature.

Some are for good, others work evil. Nature is replete with antagonisms. She seems kind and she seems cruel. Violate her laws and you suffer. Accept her aid and she helps you. For instance, nature permits worms to get into the stomach and bowels, and nature has given us the ingredients to make Mother's Worm Syrup, which expels them quickly. Nothing else is so effective. Price 25 cents.

Biliousness.

The most common ailment that distresses mankind is biliousness. The liver becomes inactive and the system clogged with effete matter. Then you feel sick. When thus affected take a Mexican Root Pill. Price 25 cents a box. They help the liver, cleanse the bowels and cure sick headache.

There Is Only One.

There is only one reliable 25 cent cure for all pain, internal or external, and that is Gooch's Quick Relief. Cures cramps and colic.

Only One Bottle.

Only one bottle proves the wonderful merit of Gooch's Sarsaparilla. Did you ever think the best proof that a medicine is good is the effect it has on yourself? It seems to go exactly to the spot when you suffer from bad blood, feeble nerves, weakness, etc. Read the testimonials of wonderful cures on the wrapper that encircles each bottle. It is the only blood remedy endorsed by a government chemist.

This dread disease which has caused more untold agonies than words can describe, has at last received its death blow. Medical Science in recent years has found a remedy that successfully combats all the aggravated symptoms due to this distressing affliction. After many years of patient study and research, Dr. A. B.
