HYER'S PILLS.

The American Improved Hygeian Vegetable Medicine.

THESE Pills are one of the best Medical Compounds in use at the present day.—As a common family physic, for administration in all temporary complaints of the stomach and bowels, head ache, colds, &c., they may be fully depended upon, and a prompt use of them on the first appearance of indisposition will invariably save much sickness. They are peculiarly adapted to all cases of weakness and general debility—any derangement of the system, and especially with females—and a steady, uninterrupted use of them, in strict conformity with the directions will very soon restore the organs of the stomach to their natural tone and action, and regulate the bowels, and renovate the whole system.

There is no disposition to give extravagant commendations of them. What is here stated, is the result of actual experience with them, and that through a period of fifteen years. It is not supposed, or pretended, that they will *raise the dead*; neither are they designed to be used as freely as we use our FOOD! Such is not the true purpose of medicine. Its only appropriate office is to assist nature in restoring the system to a proper tone and action, when unavoidably, or through carelessness or excess, it becomes deranged. Many *are* careless, and hence need this aid. And the most careful are liable to irregularities of the system. It is needless almost to say, that a prompt use of *safe* and *effective* remedies, on the first appearance of illness, is the part of wisdom. ☞ *Such a Medicine the Proprietor knows these Pills to be.* ☜ And he is certain that in forty nine cases out of fifty, where a fair trial is made according to the directions, they will be used again as a standard medicine. *He has never known an instance,* where they have been thus used, in which they have not met with UNQUALIFIED APPROVAL!

Numerous testimonials may be seen at the General Office of sale, and references will be given to substantial *living* witnesses of their valuable curative properties.

The Pills are purely vegetable, are of two kinds, stimulant and purgative, purifying the blood, and producing a healthy action through the entire system; are a valuable Anti-Billious Medicine, and eminently useful in all lingering complaints—Weakness, General Debility, Dyspepsy, Pulmonary Affections, Liver Complaints, Rheumatic and Spasmodic Affections, Female Complaints, Palpitations, &c.

No Family, after a fair trial, will be without them.

They are put up in FIFTY CENT and DOLLAR PACKAGES, each having a pamphlet embracing a valuable Treatise on Disease, with full directions for use. The Dollar packages are the cheapest to the purchaser. They may be ordered through Druggists, giving the Street and No. of the General Depot.

Sold, Wholesale and Retail, at *No. 140 Fulton street, Second Floor, N. Y.,* Between Nassau-street and Broadway.

CURES! CURES! CURES! are constantly being performed by *Dr. Jayne's Family medicines.*—Mrs. Sabra, wife of Capt. [From the Great Falls, (N. H.) Northern Light.]

☞ It is with pleasure that we give place to the following letter from Mr. Ira Huckins, of Tamsworth who was supposed to be past cure of a Consumption, but was restored to health by the use of "*Dr. Jayne's Expectorant.*" We can speak with confidence so this medicine, as we know of many of our friends who have been greatly benefitted by it. Ed.

Tamworth, N. H., Dec. 10, 1845.

Dear Sir—I feel it my duty to make known to you, for the benefit of the public, the aid I received from the use of a bottle of Dr. Jayne's Expectorant, which I purchased of you. I had been sick between five and six months, caused by the long fever, which left me in a very low state of health, with a very bad cough, and for about three months I could only speak in a whisper. My friends all thought me to be in a decline. My physician said he had done all for me he could. About this time I fortunately saw advertised in the papers, "*Dr. Jayne's Expectorant,*" for sale by you. I immediately sent to you for a bottle, and in two days after using I began to feel better—in about ten days I recovered my voice and could speak tolerably well, and before using the whole bottle I was nearly as well as ever. My health is now good.

I attribute my cure wholly to Dr. Jayne's medicine.

GREAT AMERICAN REMEDY

WESTERN NEW YORK COLLEGE OF HEALTH,

207 Main street, Buffalo, N. Y.

DR. G. C. VAUGHN'S VEGETABLE LITHONTRIPTIC ADVERTISEMENT FOR 1847.—"I CAME, I SAW, I CONQUERED;" is most emphatically the case with this article. Disease has ever yielded to its most marvellous medical power.—Wherever it has gone, and South America, England, Canada, and the United States have proved the truth of this statement, the above quotation in a strong and pithy sentence, tells the whole story. Invalids, the principle upon which you are cured may not be known to you, but the result of a trial of the article is satisfactory; you are restored, and the secret of the cure remains with the proprietor. The Medicine is a compound of 22 distinct vegetable agencies; each individual root has its own particular, exclusive, medicinal property, conflicting with no other compound—each root makes its own cure—and as a perfect combination, when taken into the system, it does the work which NATURE, when her laws were first established, intended it should do—*purifies, strengthens,* and *restores* the broken down, debilitated constitution.—DROPSY, in all its characters, will be completely eradicated from the system by its use. See pamphlets in agents' hands, for free circulation—they treat upon *all diseases*, and show testimony of cures. GRAVEL, and all complaints of the *urinary organs*, form also the cause of great suffering, and VAUGHN'S LITHONTRIPTIC has acquired no small celebrity over the country, by the cures it has made in this distressing class of afflictions. So famed, it seems, is this medicine, that it has thus attracted the notice of one of our Medical publications. In the November No., 1846, of the "Buffalo Journal and Monthly Review of Medical and Surgical Science," in an artile upon calculous diseases, and "solvents," the writer, after noting the fact that the English government once purchased a secret remedy, and also noticing the purchase in 1802, of a secret remedy, by the Legislature of New York, thus pays tribute to the fame of the Medicine—"Why do not our Representatives in Senate and Assembly convened, enlighten and 'dissolve' the suffering thousands of this country, by the purchase of Vaughn's Vegetable Lithontriptic, than which no solvent since the days of Alchemy has possessed one half the fame?" Reader, here is a periodical of high standing, acknowledged throughout a large section of this country to be one of the best conducted journals of the kind in the United States, exchanging with the scientific works of Europe to our certain knowledge, edited by Flint, M. D., and contributed to by men of the highest professional ability, thus stepping aside to notice a "secret remedy." You will at once understand no *unknown and worthless nostrum*, could thus extort a comment for so high a quarter—and consequently, unless it directly conflicted with the practice of the faculty, it must have been its great "*fame*" which has caused it to receive this passing nod.—KIDNEY *diseases, weakness of the back and spine, irregular, painful and suppressed Menstruation, Fluor Albus,* and the entire complicated train of evils which follow a disordered system, are at once relieved by the medicine. Send for pamphlets from Agents, and you will find evidence of the value of the Lithontriptic there put forth. As a remedy for the irregularities of the female system, it has in the compound a "root" which has been resorted to in the north of Europe for centuries—as a sure cure for this complaint, and as a restorer of the health of the entire system. LIVER COMPLAINT, JAUNDICE, BILIOUS DISEASES, &c., are instantly relieved. People of the West will find it *the only* remedy in these complaints, as well as FEVER AND AGUE. There is no remedy like it, and *no calomel or quinine* forms any part of this mixture. No injury will result in its use, and its active properties are manifested in the use of a single 30 oz bottles.—For FEVER AND AGUE, *Bilious Disorders, take no other medicine.* RHEUMATISM, GOUT, will *find relief.*—The action of this medicine upon the Blood will change the disease—which originates *in* the blood—and a healthy result will follow. DYSPEPSIA, INDIGESTION, &c., yield in a few days' use of this Medicine. *Inflammation* OF THE LUNGS COUGH, CONSUMPTION also has ever *found relief.* SCROFULA, ERYSIPELAS, PILES, *Inflamed Eyes*—all caused by impure blood; will find this article the remedy. *The system*, completely acted upon by the twenty-two different properties of the mixture, is purified and restored; as a partial cure will not follow. The train of common complaints *Palpitation of the Heart, Sick Headache, Debility,* &c., are all the result of some derangement of the system, and this GREAT RESTORER will do its work. The promises set forth in the advertisement, are based upon the proof of what it has done in the past four years. The written testimony of 1000 Agents, in Canada, the United States, England and South America, in the possession of the proprietor and can be seen by all interested; is a sufficient demonstration that it is the *best Medicine ever offered to the World.* Get the pamphlet, and study the principle as there laid down, of the method of cure. Put up in 30 oz bottles, at $2; 12 oz. do at $1, each—the larger holding 6 oz. more than two small bottles. *Look out, and not get imposed upon.* Every bottle has "Vaughn's Vegetable Lithontriptic Mixture" blown upon the glass, the *written* signature of "G. C. Vaughn" on the directions, and "G. C. Vaughn, Buffalo," *stamped on the cork.* None other are genuine. Prepared by Dr. G. C. Vaughn, and sold at the principal Office, 207 Main street, Buffalo, at wholesale and retail. No attention given to letters unless post paid—*orders from regularly constituted Agents excepted*; post paid letters, or verbal communications soliciting advice, promptly attended to, gratis.

Offices devoted exclusively to the sale of this article; 132 Nassau st., New York city; 295 Essex st., Salem, Mass.; and by the principal Druggists throughout the United States and Canada, as advertised in the papers.

Silver leaf—seldom sold even by large dealers, because of the very small profits made on its sale—is a very superior Tea.

Do. do. golden chop,	1 50

Golden chop—This is the finest Green Tea cultivated in China. It is of the first pickings, and excels all other Green Teas for its delicacy of flavor, strength and aroma. Heretofore this Tea has never reached this country, except in small lots to suit the purchaser.

Ning Yong—The grocers sell this at 50 cents, and call it Oolong.

Oolong, a delicious Black Tea,	50

Compare this superior Tea with that sold by grocers, as being an Oolong Tea. The difference is too plain, and the deception too palpable.

☞ The above Catalogue does not comprise all the varieties contained in my assortment. I have every variety imported, and every shade of quality, and can suit the most fastidious purchaser. The above Teas are all done up in Chinese packages, in quantities of 1-4 lb., 1-2 lb., and 1 lb. each.

RECOMMENDATIONS.

We have tried the Teas imported by the Pekin Tea Company, 75 and 77 Fulton-st. and if we live will try them often. They are selling the most delicious Teas we ever drank, and retail them at wholesale prices.—*Evening Post.*

You may be sure of obtaining at all times pure and highly flavored teas, by the single pound, at wholesale prices, of the Pekin Tea Company, 75 & 77 Fulton-st. They have probably the largest stock and greatest variety of fine Green and Black Teas of any one establishment in the United States. They are doing a large business, and are a great benefit to consumers of tea.—*Atlas.*

Heretofore it has been very difficult, indeed impossible, to obtain good Green and Black Teas. But now you have only to visit the ware-rooms of the Pekin Tea Company, 75 and 77 Fulton-st. to obtain as delicious and fragrant teas as you could wish for.—*Daily Sun.*

A word to Tea Drinkers.—The Pekin Tea Company, 75 and 77 Fulton-st. have imported into this market some one hundred thousand dollars worth of the finest grades of Green and Black Teas grown in the Celestial Empire, done up in all the various fancy packages that Chinese ingenuity can invent. It is a privilege to buy teas at this great establishment, and luxury and comfort to drink them. They sell good Teas only; and retail them at wholesale prices. Country merchants who wish to always sell good teas, can ALWAYS obtain them at this place, on reasonable terms.—*Emporium.*
