Lewisburg, Pa.

FRIDAY MORNING, JAN. 9, 1857.

ADVERTIZE!—Manufacturers, Merchants, Mechanics, Public Officers in City and Country, Publishers—all who wish to buy or sell—would do well to employ the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community o taking a large proportion of active, efficient producers, consumers and dealers, as any in the State.

☞ See New Advertisements.

Public Sales *advertised at Chronicle Office.*

17 Jan. Sat.—Philip Benneko ff's, Buffaloe Tp.
24 Jan. Fri.—Charles Steer, Millinburg.
24 Jan. Sat.—J. Rohrabach's, at Deckard's.
5 Feb. Thurs.—Arch'd Thomas, Dry Valley.
6 Feb. Fri.—John Kimple's, West Buffaloe.
12 Feb. Sat.—Wm. Wilson Jr.'s, Kelly.

☞ New Books are advertised this week.

☞ Four estray Sheep have been taken up by Daniel Rengler.

☞ Ex-Sheriff Thomas having retired, offers Stock and Farming Utensils at Public Sale.

☞ We may all pride ourselves upon our excellent housekeepers, but there are often times when any family may find it to be both convenient and profitable to patronize Mr. Hoffman's Bakery. He is doing good business also in the Confectionery line, and intends to win and deserve a good support.

☞ The Jury Lists for Feb. Term of Union County Court, will be found in today's paper.

GOLDSMITH & BRO. offer Clothing for sale at cost.

MAJ. SHUNK & Co. pushed on to Boalsburg, where their work ceased: another party being engaged upon the Spruce Creek and Tyrone proposed terminations of the Lewisburg, Center & Spruce Creek Railroad.

☞ The LockHaven *Democrat* says two Students from Lewisburg recently took a trip to their home in Clinton county, which they reached by skating on the Canal, sixty miles, in six hours.

HOLLOWAY'S MEDICINES, advertised in another column, we know nothing about, except that they sell well, and that in four years' business acquaintance we have found the Proprietor and his Agents to be prompt, correct, and reliable dealers.

Maj. NEYHART of Lewisburg we are happy to notice among the successful candidates for station in the Senate. He proved a good officer when in the House, and the only Fremont county in the interior of the State is deserving of "something."

UNION FURNACE, Winfield.—We are informed that Beavers, Geddes, Marsh & Co. made 612 tons of superior iron at their Furnace, within the past six weeks. Over 100 tons per week is an extraordinary yield for the size of the Furnace.

☞ The Sunbury *American*, of last Saturday, says: "On Wednesday evening last, at Selinsgrove, a man named John Miller insulted three young men passing along the street, and when they approached him cut one over the eye and cheek with his knife; Frank Wagonseller received a cut on the arm, and Wm. Gundrum on his leg. He has been arrested."

☞ The Union County Commissioners and Auditors, have been in session and nearly finished the county settlement.

Messrs. Middleswarth, Schwenk, and Leitzel, of Snyder county, have paid Lewisburg a visit, engaged in we hope a satisfactory arrangement of the matter between the two counties.

LEWISBURG BRIDGE COMPANY.—On Monday last, the following were elected officers for the ensuing year:

President—Wm. Cameron, Esq.
Directors—Wm. Nesbit, George Schnabel, Tho's Hayes, Martin Dreisbach, George F. Miller, James F. Linn.
Clerk and Treasurer—James Geddes.

We understand this is the 36th year Mr. Geddes has been elected to that trust—certainly a rare instance of official longevity as well as fidelity.

☞ Among the premiums awarded at a County Fair, is recorded, "The best bed comforter—Miss Susan Thomson." That may be all correct, but in this season we would recommend the addition of a few of HALFPENNY'S blankets, made and for sale at the Winfield Woolen Factory, Laurelton. They have a fine "nap" on each side, but a cotton chain, which prevents their shrinking when washed, and probably increases the strength of the fabric.

☞ During the past year thirty revolutionary soldiers have died. The number on the pension list in July last, was 514.

☞ Yesterday morning was pretty cold. Thermometer 5° below zero in Bellefonte and 4° below at Danville at 7 o'clock; at Wilkes-Barre, 2° below at 10 o'clock, and at zero in Lewisburg, at sunrise.

We have but little snow in this county, but make a great use of that little.

DIED—At M'Alistersville, Juniata Co., Pa., on the 18th Nov. last, Mrs. Esther Skinner, wife of M. B. Skinner, supposed to be about 37 years of age. About four years years since, the husband of the deceased deserted her, eloping with another woman, leaving her in possession of two sons and two daughters. The deceased alleged that she was a native of New Jersey, born of respectable and wealthy parents, whom she deserted by eloping with Skinner. Her real name, before her marriage, she never would reveal, and consequently no one thereabouts knows anything by which information may reach her relatives concerning her fate, and the children which are now a public charge.—*Jun. Sentinel.*

FIRE.—We regret to learn that on Saturday morning last, the Acrlemy Building at Airy View, Juniata Co., belonging to David Wilson, Esq., was totally destroyed by fire. How the fire originated is not certainly known. Mr. Wilson, we believe, is insured in the Lycoming Mutual Company.—*Jun. Sentinel.*

MELANCHOLY OCCURRENCE.—On Sunday afternoon, 29th ult., as Mr. and Mrs. Walton, with their son, of Pleasant Valley, Iowa, were returning home from church, in a severe snow-storm, they lost their way, had wandered for several hours through the snow-drifts on the prairie, until at last Mrs. Walton and her son perished, and Mr. W., with much difficulty, reached a house badly frozen.

CHARTER CANCELLED.—The charter granted by the Hawaiian Government in 1853, to Garrit W. Rickman and others, associated under the name and style of the Hawaiian Steam Navigation Company, has been cancelled by the Supreme Court.

WHY IS IT?—Our government land costs one dollar an acre on an average, and champagne two dollars a bottle. How many a man dies landless, who during his life, has swallowed a township—trees and all.

WILSON, who was second to Yankee Sullivan in his prize fight, and is an Englishman by birth, has been elected an Alderman in New York.

☞ On next Sabbath, the 11th inst., the Rev. Prof. Curtis will, with the Divine permission, preach in the Lewisburg Presbyterian church in the morning, and the Rev. Prof. Bliss in the evening. On Wednesday evening the 14th inst. the Rev. Prof. Walker will preach in the Lecture room.

EVERY READER

Will please notice the advertisement, descriptive of Mr. SEARS' PICTORIAL FAMILY BIBLE, and send for a description, if not possessed of an illustrated copy.

To the unlettered in the great art of selling books, we would say that we present a scheme for money making which is far better than all the gold mines of California and Australia.

☞ Any person wishing to embark in the enterprise, will risk little by sending to the Publisher, $2., for which he will receive sample copies of the various works, (at wholesale prices) carefully boxed, insured and directed; affording a very liberal per centage to the Agent for his trouble. With these he will soon be able to ascertain the most saleable, and order accordingly. Address (post paid)

Reason and Common Sense.

Our readers may remember we have on several occasions spoken in very eulogistic terms of a preparation which Dr. SETH S. HANCE, of 108 Baltimore St. Baltimore, Md., has discovered for the cure of Epileptic Fits. Now, in doing so, we have been actuated by the very best motive, viz. the alleviation of human suffering. From circumstances which have lately come to our knowledge, we fear there is a class of persons who are not disposed to try this remedy in a common sense manner. We allude to the fact of selecting a particular case in a town where perhaps there are six or eight cases, and trying it on one. Now, perhaps the case selected might be the only one of the whole number that it would not cure. This is doing neither themselves nor the medicine justice. If a dozen persons were stricken down with cholera in one town or neighborhood, would they all send for a physician, or would but one employ him, and wait and see if he cured the first patient? That plan of procedure would be most absurd. So in the case of Dr. Hance's remedy, every one who has Fits should try it for a reasonable length of time. It will not cure in a day or week; nothing worth doing can be accomplished at once. What is easily done, is as easily undone. The growth of time is enduring. From the most respectable testimony we have examined, we feel assured that by a proper perseverance in this remedy, nine cases of Epilepsy out of ten may be cured. The Pills are sent by mail free of postage to any part of the world. Price—one box $1, two $5, twelve $24. You will find the address above.

WHISKERS, BEARD & MUSTACHOIS Forced to grow in six weeks by DR. LAFONT'S CAPILLARY COMPOUND, warranted not to stain or injure the skin. Price $1,00 per Package, or 3 for $2.50.

Sent to any part of the country, by mail, on receipt of a remittance. Address SWEETZER & CO., Box 739 Post Office, Baltimore, Maryland.

Plain Truth.

The *New Orleans Bulletin*, which, in speaking of the wisest method of defending the South, says:

"The best way to defend the rights of the South is to make a vigorous and extended assault upon old fields and delapidated fences. The enemy is sure to enter at every gap, and to lie concealed in every patch and acre of weeds he may discover. To route him, 'horse, foot and dragoons,' it is necessary to set the plough and spade going, and then to overwhelm him with mountains of manure! Nothing like manure for the rights of the South, and the expulsion of its enemies. They can't stand it at all. The 'Virginia and Kentucky Resolutions' are nothing in comparison with it. They may be attacked in front and rear and terribly shattered; but muck from the swamps and deep ploughing, with a plenty of it, will prove invulnerable. Cotton bales are but gossamar in potency, placed beside heaps of muck."

This would be the next best thing to abolishing slavery, and the advice contains more practical wisdom than could emanate from a dozen Savannah Conventions.

A stick of phosphorus placed in a dry phial, will afford light enough to discern objects in its immediate vicinity, and will last for a twelvemonth. The phial should be kept in a cold place, where there is no great current of air.

A New Book for Agents.

THE Life and Times of Alexander HAMILTON. By Samuel M. Smucker A.M. author of the Life and Reign of Nicholas I. of Russia, &c. &c.

This is the only complete and reliable biography of this GREAT MAN. He was the intimate personal friend of WASHINGTON, and by many considered his equal.

This work includes a history of the times and men of the Revolution, and many incidents not heretofore given in history. It has all the charms of romance, although prepared from the most reliable and authentic sources, and should be in the hands of every American who reveres the great and good men of our Revolution. A sketch of BURR is also given, and an account of his miserable end.

Agents wanted in every part of the United States, for this and other valuable works, to whom the largest commissions will be paid. Copies sent by mail, on receipt of the price, $1. J. W. BRADLEY, Publisher,

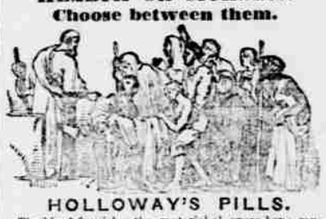
HEALTH OR SICKNESS!
Choose between them.



HOLLOWAY'S PILLS.

The blood furnishes the material of every bone, muscle, gland and fibre in the human frame. When pure, it secures health to every organ; when corrupt, it necessarily produces disease. HOLLOWAY'S PILLS operate directly upon the elements of the stream of life, neutralizing the principle of disease, and thus radically curing the malady, whether located in the nerves, the stomach the liver, the bowels, the muscles, the skin, the brain, or any other part of the system.

USED THROUGHOUT THE WORLD!

HOLLOWAY'S PILLS are equally efficacious in complaints common to the whole human race, and in disorders peculiar to certain climates and localities.

ALARMING DISORDERS.

Dyspepsia, and derangement of the liver, the source of infirmity and suffering, and the cause of innumerable deaths, yield to these curatives, in all cases, however aggravated, acting as a mild purgative, alterative and tonic; they relieve the bowels, purify the fluids, and invigorate the system and the constitution at the same time.

GENERAL WEAKNESS—NERVOUS COMPLAINTS.

When all stimulants fail, the renovating and bracing properties of these Pills give firmness to the shaking nerves and enfeebled muscles of the victim of general debility.

DELICATE FEMALES.

All irregularities and ailments incident to the delicate and sensitive organs of the sex are removed or prevented by a few doses of these mild, but infallible alteratives. No mother who regards her own or her children's health should fail to have them within her reach.

DENTAL CARD.

THE new method of inserting artificial Teeth, Gum, &c., known as

Allen's Continuous Gum Work,

is, without exception, the best improvement ever made in the art of Dentistry. This work, when properly constructed, is the most beautiful, the cleanest, combines the greatest strength with durability, and adds more to a clear and distinct articulation, than any other kind of work ever brought before the public. And not only this—by a beautiful discovery in combination with the style of work, we can give the gum the natural contour, without, in the least, interfering with the motions of the teeth in mastication.

I would take this method of informing those interested that I have purchased the Patent Right for this valuable improvement, of the inventor, John Allen, (now of New York) for life and several adjoining counties, and that I am now manufacturing an article of Teeth and Gums that will compare favorably with anything in that line that has ever been made in this or any other country. I ask all, and especially those that needed it (if they have engaged them or not,) to call, and examine for themselves.
