NOT by the sons of Southern Chivalry, not by an armed foe to carry destruction and terror through a peaceable land, and frighten good people out of their houses. But what we wish to turn your attention to now, is not of horrid shape or size, but something that will gladden the heart and cheer the spirit exceedingly. Banish all thoughts of this cruel war in our land and bring peace and happiness, not to the entire country; but to your own households, which is a blessing the most important of all—and now to have this joyous feeling produced just turn your

COE'S COUGH BALSAM.

OVER FIVE THOUSAND BOTTLES have been sold in its native town, and not a single instance of its failure is known.

We have in our possession, any quantity of certificates, some of them from *EMINENT PHYSICIANS*, who have used it in their practice, and given it the preeminence over any other compound.

It does not dry up a Cough,

but loosens it, so as to enable the patient to expectorate.

Two or three Doses will invariably cure Tickling in the Throat.

A HALF Bottle has often completely cured the most STUBBORN COUGH, and yet, though it is so sure and speedy in its operation, it is perfectly harmless, being purely vegetable. It is very agreeable to the taste, and may be administered to children of any age. In cases of *CROUP* we will guarantee a cure, if taken in season.

No Family should be without it.

It is within the reach of all, the price being only **25 Cents.** And if an investment and thorough trial does not "back up" the above statement, the money will be refunded. We say this knowing its merits, and feel confident that one trial will secure for it a home in every household.

Do not waste away with Coughing, when so small an investment will cure you. It may be had of any respectable Druggist in town, who will furnish you with a circular of genuine certificates of cures it has made.
