GOV. WALKER has reached Kansas at last—is full of fair promises as *Pierce* was—and is using all his arts (with the aid of the border Ruffians) to coax, bribe, buy, drive or deceive the Free State men into voting at the Bogus election. The Border Ruffians now boast that they have 2,000 majority of the names enrolled, while it is notorious that the Free Staters have a large majority of the actual settlers.

PHILADELPHIA WEEKLY TIMES.—This is one of the best "city papers," the first number contained a likeness of David Wilmot, the second has John B. Gough. A Biography of Wilmot will soon appear in it. The matter is of the most interesting character. It should have a good circulation. A large club of subscribers is now forming in Lewisburg, at $1 each. We will receive subscriptions for it. See advertisement.

Judge Wilmot's Letter.

Misrepresentations of the Packer Press.

We last week submitted Judge Wilmot's Letter, accepting the nomination for Governor, without a word of comment. The poetical contribution on our first page evinces the very general appreciation of that document. We ask every reader to scan the Letter carefully—weigh well its scope, its temper, and its language—and say whether it is not a patriotic, manly, liberal exposition of the principles which lie at the foundation of our Government? whether there is a harsh word against the non extension slave-holders? whether it breathes a syllable against honest adopted citizens? and whether it seeks to elevate one race over another? Again we ask every man, to READ THE LETTER, CANDIDLY.

And why? Not only on account of its merits, but to show the manner in which it is falsified by the Packer press—*deliberately and wilfully falsified*, with intent and hope to deceive the voters! *Not one Packer paper that we have seen*, has dared to *copy* Judge Wilmot's Letter—not they! They *conceal* it from their readers, and speak of it in terms of which the following are examples:

Judge Wilmot has accepted the Republican nomination for Governor in a letter which reads as if he thought he was a candidate for the Governorship of Kansas, but an ENTIRE STRANGER to Pennsylvania. *It is for the negro from beginning to end, and has not a word for the white citizen* except an *incidental illiberal fling at the foreigner*. There is no aspect in which the letter can have any fitness or pertinence to a candidate for Governor of Pennsylvania, unless its author has misty visions of slaves floating up the Susquehanna. But it *snaps and snarls at the South* in a spirit better becoming rival hack drivers than the dignified Governor of a fraternal State.—*Bloomsburg Star.*

WILMOT'S letter of Acceptance has reached the printer. The pith and substance of it is composed of Abolition harpings upon *stale rigmarole*, informing the people of Pennsylvania, that if they'll be liberal enough to elect him Governor, the *Moving and Agricultural interests of the State shall not occupy much of his attention*; but, that *white* man shall be nowhere, and *black* man all around.—*Berwick Gazette.*

—We might give fifty quotations, identical in tone with these. As we before remarked, none copy his Letter, but thus misrepresent it! Again we say, READ THE LETTER, and judge if there is in it from beginning to end one "illiberal fling at foreigners," "snapping and snarling at the South," any indication of neglecting the "interests of the State," any intimation of "white man nowhere and black man all around?" On the contrary, is it not full of interest and sympathy for the laboring white man? opposed to bringing more black men to Pennsylvania or any other free soil, as the Slavocrats demand, and as their system tends? moderate in its opposition to the overbearance of Slavery? and in all respects a dignified and gentlemanly exhibition of the "old rigmarole" doctrine which should actuate a Pennsylvania freeman and Democrat of the old school? It is a shame and a disgrace to the public press, that any of its conductors can be found who will thus recklessly belie a public man whose only offence is remaining in opposition to slavery just where he and his party were ten years ago: and while thus foully abusing and slandering him, refuse him an opportunity to defend himself! If a murderer is allowed to be heard on trial in his own defence, surely the respected candidate of a large party is entitled to a similar chance. If Wilmot's Letter be what these Editors say, let them *publish* it, and *prove* their assertions by the record! This unfair and infamous attempt to crush a manly opponent, is too barefaced; the honest people of the Old Keystone are not to be thus deceived and misled; there will be time to undeceive them!

A FAILURE.—The "straight" Americans who contrived to elect Buchanan last Fall, by refusing to unite against him in New Jersey, Pennsylvania, and other Northern States, appointed Wednesday of last week to meet in Lancaster and enact the same fraud and farce by getting up an opponent to Wilmot. But this Convention *did not come off*. Perhaps the best reason for the failure is explained in the following card from the *Harrisburg Telegraph*.

"CLEARFIELD, April 21, 1857.—I see a call published in the Philadelphia *Daily News* for that purports to be an American State Convention, at Lancaster, on the 26th of May, to nominate candidates for state offices. I take this method of stating that I neither placed my name to the call nor authorized it to be used in that connection. I would also state that I have no difinities with that clique of disorganizers who are at the head of the movement; on the contrary, I am honestly and sincerely opposed to Locofocoism, and will co-operate with the great body of the Opposition in its efforts to overthrow the sham Democracy.

Respectfully yours, A. G. HOYT."

—Another attempt is to be made, some time next month, to hold a Convention at Lancaster, and Packer's Locofoco friends are busily engaged in getting it Delegates.

☞ Our Center county neighbors complain that the Governor did not give them a new Bank, notwithstanding they have the ghost of an old Bank in their midst, as well as the "live" Banking Company of Humes, Hale, M'Allister & Co. Being obliged to discriminate where all acknowledge there should be some stop put, is of course unpleasant to every quarter where such discrimination takes effect; but our good friends must remember that they gained a Bank at Hollidaysburg on the S. W., at Jersey Shore on the North, and Lewisburg on the East—all, near Center county; also that we have four Banks in our new Senatorial District; that Center has the Senator—(than whom there is no more influential or worthy member;) and also that they had a clear gift of $50.000 for their Farmers' College; and, moreover, with all their Railroads, old Center should be the last to complain of the failure of a little Bank!

Close of Session.

Hon. D. A. FINNEY, Rep. of Crawford Co., was chosen Speaker of the Senate during the recess, by a strict party vote. Mr. Welsh was the opposing candidate.

Speaker TAGGART received a unanimous vote of thanks for his discharge of the duties of the Chair.

Speaker GETZ, of the House, also received a similar compliment, with but one dissenting voice.

The Legislature adjourned at noon of Friday last with the usual forms.

☞ The banking capital of Pennsylvania, which before the late Legislature was $23,575,000, will, by the various additions authorized in the Bank bills, be increased $6,510,000, thus reaching an aggregate of $30,085,000. The banking capital of Massachusetts is $60,000,000, and of New York State over $100,000,000.

Center, Clinton, and Lycoming.

These three counties (now united with ours in one Senatorial District) comprise the places of Gen. PACKER'S nativity and present residence. While personally respected, we learn by various individuals that he will get little if any more than a party vote—the opposition holding the *principles* involved of higher importance than the claims of simple acquaintance.

CENTER.—A large and enthusiastic county meeting of Americans and Republicans was held at Bellefonte on the 12th when the nomination of Messrs. Wilmot, Millward, Lewis and Veech were enthusiastically responded to. The *Centre Democrat* (the old-line Democratic organ, which, ten years ago, proclaimed WILMOT the "*rising star of the Pennsylvania Democracy,*") now supports WILMOT, but was last fall for FILLMORE.—The *Whig* is also in the field, for the old cause of Right against Wrong.—We hear of no "Cowboys" in "old Center." A club of six subscribers received for our paper from Haines Tp. this week, shows that they are waking up all over the hills and valleys of that county.

CLINTON.—The American *Watchman*, at Lock Haven, a "straight" Fillmore paper during most of the last campaign, is "straight" out for Wilmot, and under the able charge of D. S. DUNHAM, Esq, a returned Kansas man, doing noble service for the good cause. A county meeting of the Opposition, endosed the nominations without a dissenting voice. No "side door" men there!

LYCOMING.—The *Luminary* of Muney, one of the most influential Fillmore papers in Central Pennsylvania, hoisted the WILMOT FLAG last week. The *Independent Press*, of Williamsport, (Wilmot) is about to appear in a new dress. The Jersey Shore *Vedette* is also at work for union and victory, and manfully combating treachery and defeat. These three papers were all for Fillmore in the late contest. (Gen. Packer has but two presses in his favor.)

—Such is the Senatorial District with which we are allied. Old Union used to overbalance Northumberland, Lycoming, Sullivan and Clinton. Center, Clinton, and Lycoming have elected *three* Opposition Senators—Messrs. QUAY, HARRIS, and GREGG—and the Democrats *one*—Mr. QUIGGLE—in the last twelve years. Col. GREGG is the present Senator for the District, and his time will expire with the next session of 1858—one year hence. The District, as it stands gave POLLOCK 2000 majority, and BUCHANAN 900.

BODY FOUND.—The body of John Taylor, of Shrewsburry township was found in the pool of Herdie & Taylor's mill, Williamsport, on Saturday morning. A Coroner's jury was summoned, and a verdict of accidental drowning returned. Mr. Taylor was a man apparently about 48 years old.

RETREAT OF WALKER.—By the arrival of the steamer Promethus at New Orleans on the 12th inst, we have news that Walker had left Nicaragua and was on board a British frigate at San Juan del Sur. Thus endeth that scheme of Fillibusterism and Slavery extension—we hope.

A vote was taken in Massachusetts, on the proposed amendments of the Constitution, providing that voters must know how to read and write, and redistricting the state for Senators and Representatives. The vote was very small, but in favor of the adoption of the amendments.

PLANTING CORN.—The practice which some farmers have fallen into of planting their corn crop before the first of May, we think is more honored in the breach than in the observance. The ground is usually too cold and damp, and the seed stands a much greater chance of rotting before there is warmth enough to make it germinate, than at a later period. The plea for early planting, that there will be abundance of time to re-plant should there be a failure, is not admissable, inasmuch as our seasons are quite long enough to ripen most of the varieties of corn grown in this State, if put in the ground as late as the 25th of the month, or even the first of June. We have seen excellent crops of Canada corn produced, which was planted *near the end of June.—Germantown Tel.*

To the Voters of Union County—Friends and Fellow Citizens: I am induced to offer myself a candidate for the office of **Treasurer** of this county at the Election in October next, if so fortunate as to receive the nomination for said Office at the Convention to be held in Lewisburg on Monday next. If elected, I pledge myself to discharge the duties incumbent on me faithfully and to the best of my ability.

WM. WILSON.
Lewisburg, May 27, 1857

GEORGE MERRILL is a candidate for nomination as **Register & Recorder** of Union county—subject to the decision of the 1st of June Convention.

MESSRS. EDITORS—I have seen in your valuable paper that a Convention will be held in the beginning of June next, by the anti-Administration men of Union county to form a county ticket to be voted for at the next General Election. And as I have not seen any candidates reccommended for any office I beg leave to recommend Mr. SAMUEL BOOP of New Berlin for **County Commissioner**, he is a very saving and industrious person and a moral and good citizen in all respects, and the right kind of a man to make a good and suitable Commissioner for old Union, he was Commissioner once before and rendered full satisfaction while in office to all who had business with him. I hope that the Convention will give his claim a fair consideration, and further I think our section of the county is absolutely entitled to a Commissioner.

LIMESTONE.

Register & Recorder.—We are authorized to announce JOHN A. MERTZ, Esq. of Lewisburg as a candidate for Register & Recorder of Union county at the Oct. Election, (subject to the decision of the Union Convention for the county.) May 13, 1857

Commissioner.—Not having heard of any candidate for this important Office, and it being conceded to the West this Fall, we have thought proper to propose Esq. LINCOLN for re-election. He received the largest vote at our first Election, drew for a short Term, and it is allowed by all is one of our most worthy and competent Officers. He did not previously seek the nomination, nor does he now, but we think would serve if elected. MANY.

Treasurer.—We are authorized to announce Mr. H. P. SHELLER as a candidate for Treasurer of Union county—subject to the decision of the Convention of the opponents of the National Administration.

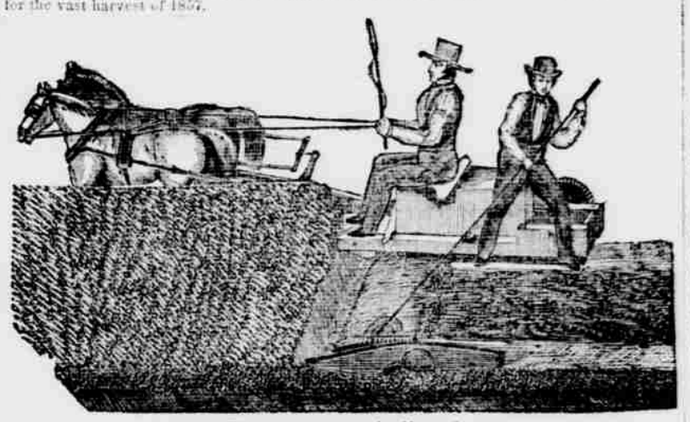
Hussey's American Reaper & Mower, for cutting both Grain and Grass!

Great Improvements for 1857!

THIS Machine was put in successful operation in 1833, and continued to be the only Reaper and Mowing Machine in the World of any pratical value up to 1845—twelve years after its introduction. Other Reapers are now offered with glowing Advertisements and Certificates of Gold and Silver Medals. But the Farmer, in search of the best Reaper, and not posted in the matter, had better see a little further. One of the other Reapers took the great medal in England, at the premature trial in 1851; before the close of the harvest of the same year, however, was totally beaten by a HUSSEY REAPER, which received the unanimous award of an impartial jury of twelve English farmers. The fact is that Hussey's machine is achieving a series of triumphs in England, and rapidly obtaining that pre-eminent position there, which it has already secured in the land of its origin.

[*This cut represents the Reaper.*]

If there is any value in 23 years' experience in building Reapers, and using them in the harvest field, OBED HUSSEY, the Father of Reapers, can claim it. All who are satisfied with the BEST REAPER AND MOWER, can be supplied by sending their orders early in the season, as the crops indicate a large demand, and we can not have over 200 Reapers ready for the vast harvest of 1857.



[*This cut represents the Mower.*]

During the last four years, the subscribers have sold between **500 and 600** of these Machines, to the best and most successful Farmers in Union and the neighboring Counties, (whose names are too numerous to insert,) to whom we respectfully refer.

The subscribers have the exclusive right in the following counties: Union, Snyder, Northumberland, Montour, Columbia, Luzerne, Perry, Mifflin, Center, Clinton, and Lycoming. All orders thankfully received and promptly attended to.
