Lewisburg, Pa.

FRIDAY MORNING, AUGUST 21, 1857

ADVERTIZE!—Manufacturers, Merchants, Mechanics Public Officers in City and Country, Publishers—all who wish to buy or sell—would do well to employ the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the State.

☞ See New Advertisements.

☞ Mr. REIF advertises an excellent Farm, near Hartleton, in to-day's paper.

☞ Recent foreign arrivals notice the death of the notorious writer, Eugene Sue.

☞ KLINE'S HOTEL, Lewisburg, was recently purchased at private sale, by G. R. HETZEL, of Dauphin, Pa, for the sum of Eleven Thousand Dollars.

PAUL LEIDY, Esq., of Danville, has the Democratic nomination of Montour county for Congress. SMITH B. THOMPSON is proposed as the opposition candidate.

☞ The Democratic Delegate Meetings for Union county occur on Saturday, 29th inst., from 2 to 5, P.M. County Convention at Lewisburg, Monday, Aug 31st.

☞ At the late Commencement at Cannonsburg, Pa., the degree of D. D. was conferred on President Gearhart, of the Franklin & Marshall College, Lancaster.

☞ The Lists of Voters have been put up, generally. We give early notice, that names of persons omitted may forthwith be supplied, by applying to the Assessor or at the Commissioners' Office.

☞ The *Binghamton Republican* speaks in the most complimentary manner of the recent Address in that place by Hon. H. C. HICKOK before the New York State Teachers' Association.

☞ JOHNSON'S MAP, for which L. W. ANSPACH is Agent, we find on examination to be a rich acquisition to any public or private hall or office. It has most of the new Towns, Counties, &c., in Minnesota, Iowa, Nebraska, and Kansas.

☞ We are indebted to Rev. Charles Maclay, one of the Trustees, for the 31 Catalogue of the "University of the Pacific," a Methodist Institution at Santa Clara, Cal. The Faculty numbers 3, with 104 members of the Collegiate and Preparatory Departments. The Female Department has 4 Instructors, 63 Students.

WILMOT AT HOME.—A correspondent of one of the Philadelphia papers, writing from Troy, Bradford county, says:

"I am here in the very heart of Wilmot's district. Judge Wilmot is, without exception, the most popular man at home that I ever heard of. He is not only popular, but the masses are really enthusiastic in his praise. Bradford will give him 6000 majority, but Tioga is in for the Banner.

☞ The new Presbyterian house of worship in Milton was dedicated last Sunday. Rev. Dr. M'Gill, of Princeton, preached a deeply interesting sermon in the forenoon, to as large an audience as the room, gallery and vestibule could contain. The building is large and makes a good appearance. It is surmounted by a tall steeple, containing a town-clock, and a bell of considerable tone. The interior is well arranged, the ceiling and walls are handsomely frescoed, and pews cushioned. The subscriptions taken amounted to about $800, which will nearly pay what was due on the building. We noticed quite a number there from the Lewisburg church, who had taken the liberty to attend.

☞ The Newport (Ky.) News says that a slave was chained up and beaten to death recently in Pulaski county, by a Mr. Stigal, his owner, who gave him one hundred lashes a day for six days, and would have given him another hundred, but he was dead the seventh morning. The cause of the slave's whipping was the slave's going to see his wife, on the next plantation, after being forbidden.

☞ The Premium List for the next Agricultural Fair, will be found on our first page to-day, and we direct attention to it, asking each one to show it to his neighbor, and stimulate interest in the enterprise. Over $100 are offered in Premiums. The Society now has 100 of the 300 Stockholders needed, and is prepared to make the first payment of $700 on its land. Shares are $10 each, and are solicited from every person, anywhere, who feels an interest in the object.

☞ The Union Convention of Dauphin county nominated JOHN B. RUTHERFORD, a farmer near Harrisburg, for State Senator from the new Dauphin and Lebanon district. A native of the farm on which he has lived about 60 years—universally esteemed for his intelligence, his benevolence, and his integrity—intimately conversant with the wants and the interests of all classes, the people of that district will act wisely for themselves and do the State honor by conferring upon him the Senatorial honor. We know we speak the sentiments of thousands out of the district in this commendation.

Appointment.—DARIUS BULLOCK, has been appointed by Gov. Pollock, President Judge of the Bradford Judicial District, in place of Judge Wilmot, resigned.

Gen. Bullock is one of the early settlers of Northern Pennsylvania, was formerly a Member of the Legislature, and we believe had pretty much retired from the practice of the Law. His integrity and soundness of judgment are undoubted. We have known him as a Lawyer, as a General, as a Farmer, as a Preacher, as a Physician, as a Merchant, as a Lumberman—and in all, the useful citizen and the universally respected man.

Great Public Sale!

It came to pass, on Friday last,
(Or, rather, Friday night,)
That something new should great our view,
And all could see the sight.

'Twas widely blown that LUCY STONE
Was coming to our town,
To talk to hosts of wondrous ghosts,
Long stuck within the ground;

And to surprise our ears and eyes
By rapping with her toes;
And also write what spirits indite
While nodding in a dose.

In Assembly hall assembled all,
Good, bad, unlearned and wise;
Admittance free!—great chance to see
Grim goblins there to rise.

Score after score poured through the door,
And elbowed to a place
Where easily they all could see
Miss Lucy's pleasant face.

Old gentlemen, three score and ten,
Dropped in to view the fun;
Also a few old ladies, too,
Came straggling one by one.

Bright, laughing girls, with waving curls,
And merry cross beaux—w'd you call 'em?
And young and boys, whose purest joys
Most evident were than solemn.

The crowd first talked, then "hemmed" and
Then settled to a hum; [hawed,
The time flew by—they wondered why
Miss Lucy didn't come.

With rosling beaks and cherry cheeks,
They start at every jar;
Their eyes peered through the doorway, too,
But Lucy was n't "thar."

Girls fan and fret, men swear and sweat,
Young mischiefs stamp and yell;
"Why don't she come?" they ask of Tom—
Tom was n't prepared to tell.

They smell a "mice"—'tis a device,
An imposition bold;
The truth consent to prove a doubt
That all were badly SOLD!!

O, * * * *, 'tis sure a sin
To fool your neighbors thus;
But, never mind, you yet may find
Some pay for all this fuss.

"*Western Independent*" is a new paper hailing from Sergeant's Bluff, Woodbury Co., Iowa, by CUMMINGS & ZIERACH, at $2 per year in advance. It is about the back side of creation where it is printed, and we give our friends credit for going on the advance pay system and coming over into our system of Independence in politics!

☞ The Democrats in Clinton county have nominated D. K. Jackman, and in Lycoming county Thos. W. Lloyd, for Assembly. They are described as inveterate rip rappers and money makers from public works.

M. SEGHLER is nominated for Register & Recorder of Lycoming.

T. A. MACARTNEY, Esq., is announced as Associate Editor of the Bloomsburg *Republican*. We don't see as he can improve any on Dr. John, but there's no harm in trying.

Chester County Times, is a new Republican paper, eight columns to the page, published by Downing & Pinkerton, at West Chester, Pa.

ACCIDENT.—Last week, Wm. G. Herrold, Esq., of Chapman, Snyder county, had his hand smashed, in consequence of having had it drawn between the shaft and crank, attached to Engine of his saw mill. The finger next the least on his left hand was completely torn off, and several of the other fingers severely bruised.—*Middleburg Tribune.*

STRUCK BY LIGHTNING.—The barn of George Moatz, near Middleburg, was struck by lightning, last Monday. Strange to say, it passed along the hay mow through the floor to the stabling beneath, without igniting, but instantly killing a fine draught horse belonging to Mr. Moatz. There were several men and children in the barn at the time, who escaped uninjured.—*Middleburg Tribune.*

THE NORMAL SCHOOL.—This institution commenced its session on Monday last. We understand that it is conducted on correct principles, and that quite a number of persons, from all parts of the county, are in attendance preparing themselves for the responsible position of school teachers. Mr. A. D. HAWN, the County Superintendent, is the principal.—*Lewistown Press.*

ANSWER to Biblical Enigma in last week's *Chronicle*—Chushan rishethaim.
Answered by J. I. D------, Lewisburg.
M. A. A------, Kelly.

☞ The Problem in the *Chronicle* of 14th inst. relative to a circular pond 48 rods in diameter, and a man and dog on a rock in the center, &c., I had no doubt some school boy would have answered. Any cooper knowing how to calculate a bottom for a vessel, would tell in five minutes. But as it is unanswered in your last, and R. F. B. may think it a stumper, I would say, the dog swam 36 rods. In other words, with a radius of 24 rods, describe an arch of 90°, which is a quadrant, or one fourth part of a circle, giving the distance that the duck swam; and with half the foregoing radius, that is, 12 rods, with one foot in the center of one of the legs of the quadrant, describe a semi-circle, the arch of which is 180°, or 36 rods, giving the distance and course the dog swam. R. C., White Deer Mills.

PROBLEM.

Within the enclosure of a large field at right angles, thirty rods from one of the corners, close along the inside of the fence, stood a fox, and from the same corner, thirty rods along the inside of the other fence, stood a dog; both starting at the same time, the fox running from the dog close along the inside of the fence, the dog running at the rate of three rods while the fox run two, the dog running all the time directly towards the fox—what distance did the dog run before he caught it? R. C.

☞ *We have several Enigmas &c. which we must postpone until after Election—two months only.*

☞ The Corner Stone of the new Church of the United Brethern in Christ, at New Berlin, will be laid on Sunday, the 23d of August next. Preaching in the English and German languages. Ministers as well as others of the different denominations, are respectfully invited to attend. Services to commence at 9½ o'clock in the forenoon.

EUSEBIUS HERSHY, *Superintendent.*

☞ The new Evangelical chapel, Winfield, four miles below Lewisburg, will be dedicated to the worship of God, on Sunday the 30th of August, commencing at 10½ o'clock, A.M. The public are respectfully invited to attend.

J. M. YOUNG.

☞ When DR VALL'S GALVANIC OIL was first introduced into the market, it never was thought of being applied, by the proprietor, to Lung Diseases, but its being applicable to almost every other disease, the afflicted have used this preparation in Consumption, and, although it has never cured a purely consumptive patient, yet it has saved many who have been prone to the disease from an early grave

☞ We call attention to Prof. Wood's "Hair Restorative" advertisement—without doubt, the only remedy that can restore the hair to its pristine quality, and has given universal satisfaction. The Professor has the testimonials of hundreds of cases cured by this infallible restorative, and we can cordially recommend it to all who need to use valuable preparation.—*Cincinnati Daily Sun.*

HOLLOWAY'S OINTMENT AND PILLS.—Those who have been taught to believe that there is no remedy for cancer but the knife, are invited to read the following statement. Reuben Willers, late of Brooklyn, and now residing at Marysville, California, was for several months treated according orders, by two physicians, for what they pronounced to be a cancerous tumor on the left breast. Finally they recommended excision, but the patient having heard much of the efficacy of Holloway's Ointment, in such cases, resolved to try its efficacy before submitting itself to the steel. He used it in conformity with the directions, for two months, at the end of which time the lump had entirely disappeared, and up to the date of his leaving for San Francisco, in August last, an interval of fourteen weeks no symptoms of its reappearance could be discovered. The Pills are equally efficacious in all inter nal diseases.

☞ The most skeptical people can be convinced by trial that all the family medicines are not humbug, and among the thousand of butterfly life there are a few of great merit, and undoubted worth. Of these, *Dr. Sanford's Inoigorator*, or Liver Remedy, stands first and foremost among the remedies of the day that can be relied on as a medicine that is all it is recommended by its proprietors. It advertises itself on every trial, for there are none who use it but tell their friends to do so, and so it goes from mouth to mouth till all the people of the Union have learned the good of his truly valuable medicine. It is recommended with testimonials to prove its virtues for the cure of liver complaints of every kind, from the worst Dyspepsia to common Sick Headache, and is particularly adapted to Jaundice, Deranged Stomach, Bowel Complaints and diseases of children.

One or two doses are said to cure a cold with scarce a failure. It is worth a trial for this alone. It is especially adapted to the use of ladies, particularly those of sedentary habits. Some ladies of the highest standing in society have given their certificates of its efficacy, and we say to all who are ailing, try one bottle, and you will never be without it.

On the 16th ult., by Rev. J. P. Shindel, SAMUEL WEIRICH, formerly of Beaverstown, and ELIZABETH HOOK, of Mifflin county.

Died,

SUNDAY DEATH.—The Sunday school celebration at Farmersville in this county, on Friday last, received a sad shock in the almost instantaneous death of Miss MARY JANE, daughter of John and Mary Bogenreif, of White Spring. Her health was rather delicate, and she had walked from Mifflinburg to Farmersville—drank a little ice water—and while seated in a buggy, just as the scholars were about dispersing, was seen to drop her head, and died. All means were taken to resuscitate her, but in vain. Some attribute her death to sunstroke. Her age was 19 years, 5 months and 7 days. How impressive the warning—"In the midst of life we are in death!"

In Lewisburg, on the 20th inst., SARAH ALICE, only daughter of John H. and Mary Florence Beale, aged 4 years, 5 months and 7 days. [The funeral will take place to-morrow (Saturday) morning at 10 o'clock.]

In Lewisburg, morning of 21st inst., at the house of her son-in-law, Dr. O. E. Maize, Mrs. MARY GASS, aged 74 years. Her remains will be taken to-morrow morning to Sunbury, her former residence, for interment.

In Lewisburg, on the 5th inst., MARTHA LOUISA, daughter of Peter T. and Emily H. Reid, aged 19 months.

In Lewisburg, 14th inst., Miss CHRISTIANA MOORE, aged 22 years, 1 month and 29 days.

In Hartley Tp. 20th inst., RACHEL, wife of John Schoch, aged 40 years, 1 month and 10 days.

On the 14th of June last, at sea off Cape Verde, on his return to America, of consumption, Mrs. M. ELIZA, wife of Dr. S. U. Pott, formerly of Muncy, Pa. Also, a few days previous, an infant child of Dr. S. U. and M. Eliza Pott.

☞ The following named gentlemen, residents of Reading and its vicinity, informed us that they have purchased Safes from EVANS & WATSON since the burning up to May 1st, 1857:

LEWISBURG ACADEMY.

THE FALL SESSION, of this Institution, will commence on THURSDAY, Sept. 17th, 1857, to continue 13 weeks.

The WINTER SESSION, of the same length, will immediately succeed the former, to be interrupted by a Vacation during the Holidays.

As the public are pretty fully acquainted with the success of the Principal, during the 10 years of his connection with the Academy, all extravagant pretensions and promises are out of place; suffice it to say that all the Branches of a thorough English and Classical Course are taught, and that youths are fitted either for College, for Teaching, or for general business.

The Bible is a text book.

A large class of Young Ladies is secured.

ONE and Two Horse Endless Chain POWER.—The undersigned being convinced by practical experience of the superiority of *Vanderslice's Tread Power* over the ordinary five horse power now in use in the West Branch country, for threshing out grain, have purchased the patterns and right to make them. We are now making and have on hand a large number, which we propose to introduce on the plan if they don't answer to the letter of the guarantee given with each of them, the machine will be taken back and the money refunded, if paid. They are now almost the only entire Threshing Machines in use in Chester, Montgomery, Berks and Delaware counties. Their advantages are that they will do almost double the work, according to the number of horses used, than the old machines will do; they will save at least two hands; and Threshing can all be done snugly closed up in the barns, in wet days, when the hands would be otherwise unemployed. MEDICAL REFORM.

M. H. DERSHAM, M.D., Practising Physician and Surgeon, will also pay particular attention to Chronic diseases, such as Liver Complaint, Dyspepsia, Bronchitis, Throat Disease, Consumption when not to far advanced, Asthma, Piles, Rheumatism, Scrofula, White Swelling, Dropsy, Sick Headache, St. Vitus' Dance, Fits, Sore Eyes, Cancers, Tumors, Ulcers, Eruptions, &c., also Female complaints, as Prolapsus Uteri, (falling of the womb,) and all other complaints of the sex of every name and form. Most of the above long standing diseases are curable, and none more so than those of females. Feeling confident that nearly all of the latter can positively be cured, (having cured some of ten and fifteen years' standing) those not curable can be relieved, and can generally be taken on the liberal terms "if not cured or relieved, no compensation is demanded."

Dr. DERSHAM graduated at the Eclectic Medical College of Cincinnati, having first studied the old or Allopathic system in Philadelphia, afterwards the Reformed or Eclectic system of medication. This system uses all the medicines of the regular or Allopathic system, except Calomel, Arsenic, Antimony, and Bleeding, (safer and better agents having been discovered:) but it also embraces the many valuable medicines of the Botanic school not known to any other system; also the improvements of the Hydropathic, Homeopathic and Thomsonian systems. This certainly is an age of progress, and the New school moves with the age.
