Lewisburg, Pa.

FRIDAY MORNING, OCT. 9, 1857.

ADVERTISE!—Manufacturers, Merchants, Mechanics Public Officers in City and Country, Publishers—all who wish to buy or sell—should do well to consider the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the State.

☞ **See New Advertisements.**

☞THE FAIR is going on with great spirit—as large a number in attendance as ever before on the first day, and the Secretary says three times as many entries as last year. It is a decidedly good effort.

Messrs. Reber, Long and Roush were on the ground, hard at work. Our candidates will be on hand to-day.

The Elections of 1857.

There have been three Free State Elections in the U. S. this fall—Maine, Vermont, and California. State and local questions operated more or less in these Elections, but in Maine and Vermont the Republican majority is about the same as at the last *State* (not the Presidential) Election, while in California the Republicans have largely increased their votes at the expense of their opponents.

The only election for Governor in the Slave States, has resulted in almost overturning the Sham Democracy in Missouri, where some think an Emancipationist was honestly elected, but is cheated out of it by false returns, as Mann was in Philad., and as Gov. Bushford was in Wisconsin. An investigation we hope may yet set the matter right.

These facts afford reasonable encouragement. Let Pennsylvania and Ohio's free sons next Tuesday follow up these glorious examples, and the Slave Power will stagger under the blows.

☞The Packerites in Philadelphia hold a Mass Meeting on Monday evening, denouncing any legalizing of suspension of specie payments—in effect saying, "Break every Bank; push every man in debt to the wall; let universal ruin prevail against all who trade on borrowed capital." Men who make this outcry are either ignorant of the true state of affairs, or they are not good citizens. The effect of general insolvency by forced sales, would be evil and only evil to the great mass of honest business men, although it would enrich men with ready money, and swell the fees of lawyers and sheriffs. The truth is, we are deeply in debt to the Old World, which is draining us of our specie; we must stop running in debt, and by taking a little time for it can pay our indebtedness by our surplus products without unnecessarily breaking up a man or a bank. It is with banks as with men—a little leniency is sometimes not only beneficial, but just.

PHILADELPHIA.—The Opposition in the City and County are now better united than they have been for a year past. They have agreed upon the same men for a portion of their local tickets, and it is yet hoped may harmonize throughout. This, with the purification of the ballot-box stuffers, may give us Philadelphia again, which would revolutionize the State. Packer is not personally popular, there, while Wilmot is.

There is quite a fermentation in the Democratic ranks, consequent upon the exposure of the "*Molly Maguires*," a secret, oath bound association of Irish Catholics, who control the primary elections, and thus make all the candidates of the party. Such a thing has a *slight tendency* to stir the blood of any American Protestant! Some anticipate a complete overthrow in Philadelphia from hatred to this secret foreign papal league ruling under the absurd name of Democracy.

☞The Public Schools of Lewisburg open on Wednesday next. The following Teachers are engaged—most of them of ample experience in teaching:

Messrs. Wm. Miles and John A. Gundy. Misses G. Rowland, M. Holstein, H. Stoner, A. Frear, C. J. Thompson, E. T. Evans, A. E. Dale, and S. A. Armstrong—10 in all.

☞Next Saturday evening at seven o'clock, a meeting for the organization of a Building Association for Lewisburg and vicinity, will be held in the room formerly occupied by the Register & Recorder in the basement of the Baptist house. Should sufficient numbers engage—under the right Officers—we doubt not it will prove beneficial.

SOME MONEY YET.—On Saturday last, Mr. Bell, General Agent for the University at Lewisburg, sold upwards of FOUR THOUSAND DOLLARS of Town Lots at auction. The improved lot was bought at $1100.

☞John P. Miller, of Lewisburg, has shown us a fourth specimen of Sorgham Syrup, made after stripping the covering of the stalk, and expressing the pith from the juice alone. It was boiled but a few minutes, and has a very light color, and a honey-like consistency and taste.

☞J. Henry Brown has removed the wooden dwelling late west of A. Ammons' brick block, to Sixth street, proceeding to build in its place a structure to correspond with Ammons' block.

☞A Tennessee paper of last week is before us, which speaks of a hard frost in that part of the "sunny South," already! Union county has not been thus visited as yet this fall.

The State Fair held at Philadelphia during last week, was well attended, but not so largely as heretofore.

☞The State Supreme Court for the Northern District, commenced its session at Williamsport, this week.

☞Dr. LOCKE offers for sale some of his valuable Houses and Lots in this Borough. See Adv't.

☞We are assured that a special secret effort is being made to defeat Messrs. Lincoln and Merrill. We mention this that our friends may make special efforts in their behalf. VOTE THE WHOLE TICKET!

—One rumor is that Lewisburg will all unite on Hayes and Reber. We know no reason for such an opinion. Lewisburg is not entitled to ALL the Offices, nor would the County allow us to grasp them all. We hope every Whig, Republican and American will in good faith and like honorable men stand to their friends and their principles, as they did last spring. It is our policy to make friends with the townships and boroughs of our county, and not to repel and alienate them. It will be but a poor show for any candidate from Lewisburg hereafter, should Mr. Merrill be lost by the vote of Lewisburg. Let us all do as we would be done by, for the sake of our town and of our party.

A rumor has prevailed, elsewhere, that there was opposition to Mr. Hayes at home on account of alleged friendship to a projected work of last year. We know of no one who now proposes to urge the effort alluded to—yet, in order to satisfy all, and to make the thing sure, we publish the following Correspondence, the original of which can be seen at our Office. It is perfectly satisfactory to all.

LEWISBURG, OCT. 5, 1857.

MR. THOS. HAYES: Dear Sir—The undersigned, your friends and neighbors, respectfully ask an answer to the following question:

Should you be elected to the Legislature, would you favor the passage of a law authorizing a tax to be levied on the citizens of the Borough of Lewisburg for the purpose of supplying the place with water?

Respectfully yours,
O. N. WORDEN,
J. SCHREYER,
I. S. STERNER,
D. PHILLIPS.

GENTLEMEN: Yours of to-day has been received. I do not think it would at all be advisable at the coming session of the Legislature, to favor the passage of such a law; and should I be returned a member of that body, I promise to oppose any such law. Respectfully yours,
THOS. HAYES.

Messrs. O. N. Worden, J. Schreyer, I. S. Sterner and D. Phillips.

The Grand Jury of Union County last February, unanimously "recommended to the Commissioners the *purchase of such furniture as will be in keeping with the Court House; and that the lot be graded and enclosed with an iron or other substantial fence* * * * that that which has been so liberally and handsomely given, may be AS LIBERALLY AND AS HANDSOMELY furnished and enclosed." These recommendations, with the approval of the Judges, are on record. It was no party thing. Thus instructed by people of both parties from all parts of the county, the Commissioners proceeded to perform their duty in the case in the most economical yet substantial manner—executing their work in a manner that will endure for a generation at least. Yet we understand an effort has been made to make political capital against Esq. Lincoln for his joint action as Commissioner in executing the directions of the grand inquest for the county. This shameful, sneaking scheme should be frowned down by all honorable men. He has done his duty, only; and is as economical with the county funds as any other man could be.

The story that "the Commissioners charged $100 for going to Philadelphia," is wholly false—they have charged nothing. Their three days' trip they consider was worth much more to the County, and if the Auditors should allow them days' wages and railway fare we do not think it would be objected to—after election!

It has been reported that Mr. Merrill if elected Register and Recorder, will appoint a Deputy to perform his duties. We are authorized by Mr. M. to state that if elected he shall remove to the county Seat and perform his duties in person.

From California.

NEW YORK, Oct. 4.—The steamship Star of the West arrived this morning at daylight. She left Aspinwall on the 24th ult., with 450 passengers and $1,250,000 in gold. Among her passengers are Senator Gwin, Ex-Gov. Foote, Hon. C. L. Scott, of California, and Mr. Starkweather late Minister to China. The dates from California are to the 5th ult.

The late election for Governor resulted in the success of the Democratic ticket, through the division of the Opposition. The vote stood as follows, for Governor, as compared with last Presidential vote.

	1857		1856
Weller, Dem.	40,000	Buchanan	51,000
Stanley, Repub.	27,000	Fremont	20,000
Bowie, Amer.	27,000	Fillmore	35,000

This is a Republican gain of 7,000, Dem. loss of 12,000, and Am. loss of 8,000.

San Francisco having been purified of its ballot box stuffers, voted as follows:

Stanley 5537—Weller 4430—Bowie 360.

The vote by a large majority indicates that the State Debt must be paid.

The pro-slavery new Constitution project is probably defeated.

Outrages in Carson Valley have caused the formation of a Vigilance Committee.

Mining intelligence is favorable.

Columbia, in Toulumne county, was almost swept away by fire—only twelve buildings remain. Five persons were killed and several others injured by a powder explosion. Total loss, $700,000.

OREGON.—The Constitutional Convention was in session.

☞Henry Metcalf, Esq., of Sullivan, and Dr. Brower of Montour are "up" for Assembly in that queer district. Wouldn't we like to see 'em elected?

☞*Bilious Colic and Cramp in the Stomach* can be relieved in 10 minutes, in every case, by using from 5 to 30 drops of DU VALL'S GALVANIC OIL.

10,000 PATIENTS CURED ANNUALLY by the use of Helmbold's Genuine Preparation of Fluid Extract of Buchu, a most positive and specific remedy for distressing ailments. Read the advertisement in another column, headed "Helmbold's Genuine Preparation."

"LIN PUTS PREPARE FOR WAR."—In the days of our youth, it behooves us to make some preparation for the approach of age. How many persons have become prematurely bald by neglecting to apply appropriate remedies to prevent the hair from falling off. The use of Prof. Wood's celebrated "Hair Restorative" will prevent the hair from falling off, impart to it a healthy growth, and even restore the hair of the bald. Thousands have testified to its efficacy. To be had of Druggists everywhere.

☞There are hundreds of remedies sold at every Drug store, purporting to cure all diseases namable, each advertised as the very best ever known, till we had lost all faith in them all. Let there be one exception.

We speak of *Dr. Sanford's Invigorator*, which came to us recommended to us as a cure for Liver Complaints, and all diseases arising from a Deranged Liver. The testimonials of so many of our Physicians in its favor induced us to try it, and now conviction is certain that it is one of the greatest blessings ever given to Dyspeptics. for it made a complete cure before the first bottle was taken, and now we can eat any thing suitable without trouble, while before nothing but the slightest food would digest, and often the agony was great. Now what we want to say to all our readers is, if Liver Complaint or Dyspepsia trouble you do not fail to try this the greatest remedy in the world.

MEDICAL REFORM.

M. H. DERSHAM, M.D., Practising Physician and Surgeon, will also pay particular attention to Chronic diseases, such as Liver Complaint, Dyspepsia, Bronchitis, Throat Disease, Consumption when not to far advanced, Asthma, Piles, Rheumatism, Scrofula, White Swelling, Dropsy, Sick Headache, St. Vitus' Dance, Fits, Sore Eyes, Cancers, Tumors, Ulcers, Eruptions, &c., also Female complaints, as Prolapsus Uteri, (falling of the womb,) and all other complaints of the sex of every name and form. Most of the above long standing diseases are curable, and none more so than those of females. Feeling confident that nearly all of the latter can positively be cured, (having cured some of ten and fifteen years' standing, those not curable can be relieved, and can generally be taken on the liberal terms "if not cured or relieved, no compensation is demanded."

Dr. DERSHAM graduated at the Eclectic Medical College of Cincinnati, having first studied the old or Allopathic system in Philadelphia, afterwards the Reformed or Eclectic system of medication. This system uses all the medicines of the regular or Allopathic system except Calomel, Arsenic, Antimony, and Bleeding, (safer and better agents having been discovered) but it also embraces the many valuable medicines of the Botanic school not known to any other system; also the improvements of the Hydropathic, Homeopathic and Thomsonian systems. This certainly is an age of progress, and the New School moves with the age.
