Lewisburg, Pa.

FRIDAY MORNING, MARCH 5, 1858.

ADVERTISE!—Manufacturers, Merchants, Mechanics Public Officers in City and Country, Publisher—all who wish to buy or sell—should do well to examine the columns of the *Lewisburg Chronicle*, which has a large and increasing circulation in a community containing a large proportion of active, solvent producers, consumers and dealers, as any in the State.

☞ **See New Advertisements.**

☞ We have to-day a column of new Advertisements—something for almost every one to attend to.

☞ The Foundry offered for sale to-day opens a good chance for a competent man in that line of business.

☞ Thanks to Senator SESSIONS of Mich'n and Assemblyman BUFFINGTON of New York for their tokens of remembrance of a companion of childhood's days.

☞ There were some typographical errors in the County Statement as published last week. We think it is correct as published to-day.

☞ An Anti-Lecompton Democratic Meeting was held in Harrisburg, this week—one of the largest and most enthusiastic, by all accounts, ever convened there.

☞ We learn that JACOB QUICK, late Editor of the *American Flag*, New Berlin, died of consumption, on the 7th ult., at his father's residence, in Delaware township, Juniata county, in his 38th year.

☞ For two weeks past, we have been obliged to omit our usual Exchanges North and West, on account of our edition having been short of the necessary copies. For the same reason, we can not supply subscribers with back No's.

CAPTURED.—On Monday, the 1st of March, on the farm of David H. Kelly, in Kelly Tp, there were captured by D. H. Kelly, R Kelly, P. Vaneida and J. A Kelly, FOUR Racoons from one tree. Who can beat this 'coon hunt?—*Com.*

"Hurra! hurra! we say with reason
This will be a great Coon season."

☞ Rev. Dr. Watson's Lecture, was attended by a crowded house, and was worthy of its author. The audience were deprived of its usual musical treat, by the indisposition of the leader of the Bands (Mr. Held.)

Next Lecture, Tuesday evening, March 9, by Mr. J. RANDOLPH—subject, "Home Influence."

☞ At the annual election of the Lewisburg & Mifflinburg Turnpike Company, held on the 1st inst., the following persons were elected Officers of the Company for the ensuing year:

President—George F. Miller.
Managers—Gideon Biehl, Adam Sheckler, Frederick Pontius, Martin Driesbach.
Treasurer and Clerk—James F. Linn.
Supervisors, with power to let contracts by the year—Abraham and Jacob Frederick.

GAS WORKS.—The subscription under the charter for Gas Works for this Boro', taken last season, has been withdrawn, to give room for subscriptions from a larger number of persons. It is generally considered good stock, and the wider and more equally it is distributed among those most concerned, the more satisfactory will its management be. The subscription now making headway is limited at first to five shares an individual, but if not taken up by Wednesday of next week, the balance will be given to former signers in equal proportion. Not more than half of the shares (which are $50) can be called in within eighteen months, nor more than $5 per month at any time. Now is a chance for all who desire one or more shares to come and take, or "for ever after hold your peace." Papers are left with the following persons:

Goodman & Chamberlin—A M Lawshe—J Baker & Co—P Nevins—Beaver, Kremer & M'Clure—Post Master—J & J Walls—Jas P Ross—F S Caldwell—Brown & Sterner—Schreyer & Son—A Ammons.

LECOMPTON AT HOME.—Not only is the *Argus* closed against the Anti-Lecompton Democracy of Union county, but it is used to manufacture opinion *contrary* to their sentiments. This week's No. contains a kind of "J. Calhoun" manifesto to the six counties comprising this Senatorial and Representative District, *professing* to speak for the Democratic county Committee and the "universal sentiment" of the party in this county, *in favor* of the admission of Kansas under the Lecompton Constitution. After *suppressing* any expression of the people during and since Court Week, the managers of that concern (just in time to have their sheet reach Harrisburg before the Convention) put forth that assertion, which is contrary to fact, for we and they know that so far from its being the *"universal sentiment"* of the party, many of the strongest and best members are utterly hostile to the Lecompton fraud. There is no little redness under this attempt to practice Lecomptonism in this way. "When did the Committee hold a meeting? When was any public notice given? How many attended? How did the vote stand? What necessity for any meeting, as the Delegates had *all* been appointed?" These questions are earnestly asked by Democrats. Will the *Argus* be permitted to answer?

HARRISBURG, March 4—2½ P. M.

Convention not yet organized. Many contested seats. Piolett, of Bradford county, temporary chairman. Lecompton is the ascendancy by two-thirds. The session promises to be very stormy and exciting. Will meet again at three P. M.

BAD ACCIDENT.—Yesterday afternoon, as Jacob G. Brown of East Buffaloe was feeding a straw cutter, his right hand was accidentally drawn in between the knives, taking off all the fingers and the thumb

☞ The Buffaloe Township Teachers' Institute held a session at the Royer school house, in Kelly Tp. last Saturday afternoon and evening. Essays were read—by Wm. Shields, on the subject of Education; by Miss Maggie Alexander, "Education, and how it should be used;" by J. M. Moyer, "The intelligence of the people the security of American Liberty." Oral and Written Arithmetic, and Composition, were discussed. The Essays were requested for publication—resolutions in favor of the Free School system, and of the County Superintendency, adopted—and thanks tendered to Messrs. F. Clingan, J. Shields, J. Alexander, D. Noll, T. Comly, and A. Royer, for their hospitality.

Adjourned to meet at the Pontius school house on Saturday the 13th March, 1858.

News Items from Other Counties.

The Sunbury Ferry (to Lenhart's on this side of the river) was sold at auction for $190 per year, to Ira T. Clement.

FROZEN.—A brakesman, named John Myers, on the freight train of the Pennsylvania railroad, was found at his post one day last month, between Philadelphia and Parkesburg, frozen fast to the iron brake, and his body immovable. He was taken off, and with proper care was next morning able to speak.

PROF. H. DEVALL'S GALVANIC OIL effects more cures in all sore and painful diseases than any other preparations extant. Relief given by its use in from 5 to 30 minutes!

☞ For sale everywhere. ☜

☞ Prof. Wood, the renowned discoverer, of the invaluable "Hair Restorative," still continues to labor in behalf of the afflicted. His medicines are universally admitted by the American Press to be far superior to all others for causing the hair, on the head of the aged, to grow forth with as much vigor and luxuriance as when blessed with the advantages of youth. There can be no doubt, if we place credit in the innumerable testimonials which the Professor has in his possession, that it is one of the greatest discoveries in the medical world. It restores, permanently, gray hair to its original color, and makes it assume a beautiful silky texture, which has been very desirable in all ages of the world. It frequently happens that old men marry beautiful and amiable young ladies, and not unfrequently crusty old maids make victims of handsome, good natured young gentlemen, and by what process it has never been determined, until lately, when it was attributed to the use of this invaluable Hair Restorative.—[Lavalle Journal. Sold by all good Druggists.

BEWARE OF QUACK NOSTRUMS AND QUACK DOCTORS.—"Dr. Helmbold's Highly Concentrated Extract Buchu for all Diseases of the Bladder, Kidneys and Sexual Organs. Read the advertisement, "Helmbold's Genuine Preparation."

☞ It is a most undoubted fact that Dr. SANFORD'S Invigorating or Liver Remedy, is one of the greatest discoveries made in medicine the past century. It has been a study of the dr., during twenty years' practice, to find what particular organ, when diseased, caused the greatest number of ills or pains; and his conclusion is, that the liver is the greatest regulator of the system, and the most liable to disease; which if kept free from disease, is a perfect preventive of Dyspepsia, Jaundice, general debility, &c., while, just hint far from hint, we mention consumption; for our experience is that more cases of consumption occur from diseased liver than from all other causes put together.

Taking this to be a correct hypothesis, we have but to find a remedy with which to correct the liver, and we have a cure of nearly all the diseases we are subject to by simply using a preventive. That the Invigorator is such a remedy, is beyond doubt to all who try it, for its virtues are such that for all complaints arising from liver derangements, it is an unfailing remedy, while as a family medicine, for all diseases of the stomach or bowels, which are caused in a greater or less degree by liver derangement, it is the safest, surest and most efficacious remedy known.

Poets sing of the spices in India Isles,
Of the citron, the orange and lime;
They sing of the fragrance so lavish diffused
By the breeze in each tropical clime
Let the epicure boast of each high-flavored dish,
The juice of wine or French brandy,
Yet none of the list named above can compare
With Mrs. DeNORMANDIE'S Candy.

Rich spices, and fruits, and sweet bowers may be good,
Or dishes for epicures dainty;
But the question in this I will not debate,
Yet each have admirers in plenty.
Still there is none of them half so much prized,
From the sweet prating child to the dandy,
As the sweetest of sweets, everywhere idolized—
I mean Mrs. DeNORMANDIE'S Candy.

Mrs. Denormandie takes pleasure in informing her numerous friends that she has recently refitted her parlors, and is now prepared to furnish ICE CREAM, CAKE and CONFECTIONERIES to such as may favor her with their custom.
