Pennsylvania responds to Kansas!

The Political Revolution

Which has just swept over Pennsylvania, is without a precedent in her history. Only two years ago, the first President from this State was elected with 15 out of 25 Congressmen and a Legislature to sustain him. The first opportunity the people have had to pass upon his Administration, it is CONDEMNED by tens of thousands; 2 only out of 25 new Congressmen fully sustain its leading measures; there is a majority of 35 or 40 against it of the local Legislature; while the State Administration is at heart hostile to its course. Such a radical and decisive verdict of disapprobation against a "FAVORITE SON," is without parallel.

The MORAL influence of this rebuke is still more emphatic. Of the President's *two* Congressmen, Mr. Florence is elected by a division of the Opposition, whose two candidates had 1500 more votes than he, while of his 400 plurality many votes were notoriously fraudulent, and his seat will be contested. The other, Mr. Dimmick, has but one-fifth of his former maj., which could have been entirely overcome if his opponents had put forth a timely effort. In Berks county, John Swartz has 19 maj. over J. Glancy Jones, the personal favorite and leading member of the President in the House...Jones being, we think, the first Democratic "regular" nominee for Congress ever defeated in that Gibralter of the party. Mr. Hickman, of the Chester and Delaware district, it is asserted, voted the People's ticket, while his vote and that of the other Opposition candidate for Congress (Broomall) is 6,000 over that of Manley, the Buchanan candidate. Mr. Montgomery, of the Washington district, was the leader of the Anti-Lecompton Democrats, and is re-elected by the aid of Republicans. These last three are styled some sort of "Democrat," but can not be relied upon for the Pro-slavery or Freetrade propagandists. The remaining 20 are decidedly Opposition, and voted for Fremont or Fillmore....In truth, it can hardly be claimed that one Congressional District in Pennsylvania heartily endorses the President.

The campaign, generally, was dull. Never have we known so feeble efforts put forth by rival parties. Neither of the State Committees seem to have done anything whatever. But amid all this stillness, the People generally were THINKING. They thought of the "Polk and the Tariff of '42" fraud, and its gradually developed effects—they thought of the "Buchanan and Free Kansas" cry, and of the efforts to force the Lecompton constitution; and thousands of those hitherto strait-voting, conscienceous Democrats, sick of a party so steeped in deception, did not go to the polls, or voted with the Opposition. It has been a triumph of Deliberation, and not of Excitement; of stable men, and not of floating masses; and it is therefore most likely to be permanent.

In England, and the most enlightened nations generally, whenever an Administration is thus plainly censured by the legal voters, a CHANGE of Officers and of Policy takes place. It remains to be seen whether our professedly Democratic Government will act upon this principle, or whether it will trample upon the people's prayer and thwart their will.

THE STATE.—The following are the Congressmen elect:

1—Thomas B Florence, Philad, Adm
2—E Joy Morris do Opp

Read and Frazer have something like 30,000 majority.

In the Senate, the Democrats holding over will probably retain them a majority of 1. In the popular branch the Opposition have 35 or 40 maj.

Complete returns, next week.

☞ The Official vote of Union county will be found on the first page of today's paper. (By the way, we carried every man in nomination—all ten—a fortunate circumstance rarely the lot of any party in a county linked three different ways with eight separate districts.) Our County Ticket—a part of which it was confidently hoped to defeat—is ALL sustained, as it was last year. So let it be, hereafter: for every station HAS a power, and influence, for good or for evil.

The vote is less than last year, but the falling off is not all on one side, as the Opposition vote in some boxes is larger than ever before, caused by many who voted with us for the first time. We trust they will be satisfied that our main principles are the most correct, and that, while there is no perfection in any party, ours is best adapted to promote the true end of all proper governments, "the greatest good of the greatest numbers." We thank them for their independent aid. Had the old-line Whigs rallied in full strength, we should have had 900 or 1000 majority in this county. As it is, we have done well, in every district, and have only to PERSEVERE to be an efficient agent in completing the National revolution in progress.

Snyder county elects the whole Opposition ticket—except that Levi S. Herrold defeats Col. Jeremiah Kleckner for Sheriff by 19 majority—by majorities ranging between 5 and 498, as follows: Ner Middleswarth, Associate Judge; Jacob P. Bogar, Prothonotary; Andrew J. Peters, Register & Recorder; George Boyer, Commissioner; Charles Hower, District Attorney; Wm. Moyer, Surveyor; Henry Smith, Auditor; A. J. Sampsel, Coroner. [Glad to see friend Peters elected; the smallest man in the county defeats the largest (Charles L. Smith) by 498 maj.] Snyder county was well canvassed, and proves that she has a good majority on the right side.

☞ DIE "SWARTZ" REPUBLIKANER HABEN EINMAL ALT BERKS GEWUNNE!—*Gott im Himmel, was hat der Comet gethan!*—Es ist ein umlaufender bericht das wo die Schule system nicht sehr popular ist, und besonders do unten "Alt Berks" das die neulich Wahl gross einfluss gehat habe von dem feuriche Comet, wo stossend durch den himmel fahrt, mit "zehnhunderttausend meile Kopf, und billione bundniss von eim Schwanz."

☞ The candidates for Office in Union county all run well at home—a fact very creditable to them as individuals, and to us as a county.

Every district in the county, save Union Tp, gave Read a majority; Frazer, Killinger, Gregg, Crossgrove, and Reber had every district but two; Pross had 5 districts, Moyer 6 and Weidensaul 3; Harris had no competitor.

The Volunteer candidate for Commissioner reduced Pross 40 votes, and Moyer 63 votes, from the average, in Lewisburg, and about equally from each party in White Deer, but elsewhere his vote was mostly from our party.

The highest vote reached was 1318 for Killinger. The largest number of votes was 2132, for County Commissioner.

"Volunteering" does not "pay" well in this county of late years. Better restrain the ardor of your numerous "friends," gentlemen, and do not believe every nonsensical story told you by "disinterested" enemies who really seek only to use you as a catspaw to aid in some personal or political scheme. But if "friends" WILL make you "run," let them pay expenses, and do the work: that would TEST the reality of their friendship!

"Old Hartley" (Lewis, Hartleton and Hartley) gives Read 50 maj., Weidensaul 84 over Pross, Charles 96 over Crossgrove. Taking into view the defeat of Wilson in the strife for Sheriff, and the great efforts of Weidensaul and Charles among their long-time neighbors, our Hartley friends stood the "pressure" nobly. That half a score of straight voters on the right side from M'Call's Mills, was a bracer.

The biggest BEAT talked over at our late Fair was called "Lecompton" and entered by J. B. of Lancaster. The outside committee on FOULS awarded him a premium of One Dime—provided he can find the same in the National Treasury.

Ex-Ex pectant Senator Detrick made a THIRD trip to Lewisburg the Saturday evening before election, and made an outdoor speech, in which he laid himself open to the severe "Riddleing" he received at the Opposition meeting, Monday evening. As he is defeated, we "let him slide."

There was some inquiry upon the Fair Ground for the Little Buck of the President of Detrick's meeting. The report was that he was engaged in butting Jim Lecompton up the Saline stream in order to recruit his moral constitution.

Among other lies circulated against Mr. Pross at one end of the county, was one that he had lost the two first fingers of his right hand and could not write his name. (And men called Christians fabricate and circulate such base falsehoods!)

The ARGUS of the week before Election said, "This will be our last issue before Election." Nevertheless, Monday before the Election DID "issue" a half an Argus, dated "Wednesday the 14th," full of "last card" political untruths—with one short spasm of "Niggerism"—but aimed mostly at Hon. JOHN M. READ. Its tremenjus EFFECT may be seen in the vote of Lewisburg—341 for Read and 97 for Porter!

A most powerful HALE storm swept over Mifflin, Center, Clinton, Potter, Lycoming and Sullivan counties, Tuesday of last week, making a large number of strong men "turn WHITE"—out of Congress! Its force was everywhere felt, except in a remote corner of Sullivan, where a large settlement of Irish Catholics entirely escaped—a "miracle," doubtless.

Montour, Perry, and Centre elected the entire Opposition ticket for County Offices; Lycoming elected Thomas Lloyd of Muncy (Opp.) Commissioner; Northumberland and Clinton elected Dem. county tickets by small majorities.

Horrid Death.

On the 18th inst., *Lewis Winger*, a German employed at the Union Furnace, Dry Valley, fell from his wagon and died on the road. An inquest was held by John Gundy, Esq. The principal witness, who was with him during the day, testified that Winger took two glasses at Comly's in the morning, two more at Walker's, several at Baum's in New Berlin, and then bought a pint in a small bucket, and took it on the wagon; the bucket was empty when found. The unanimous verdict of the Jury was, "upon oath, to the best of their knowledge and belief, the cause of his death was intemperance."

OHIO elected the Republican State Ticket by an increased majority of thousands, and gained several Congressmen.

INDIANA gained the Republicans several Congressmen, defeating Hughes and Foley, and English and Niblack succeeding by promising they would go for admitting Kansas without regard to population—English thus turning tail on his own bill. Legislature Republican, but a small majority for Dem. State Ticket.

MINNESOTA returns a majority of Republicans to the Legislature as far as heard from.

SOUTH CAROLINA is Buchanan all over, of course; and CALIFORNIA was carried by the Administration.

KANSAS—Decidedly Republican, as far as heard from.

Wells' Principles of Chemistry, with 240 cuts and near 525 pages, is a new work which appears to be rapidly gaining favor. It is already introduced into the Union Seminary, New Berlin, and into the Female Institute, Lewisburg. Price, $1. For sale at Murray's Lewisburg Book establishment.

KIMBER CLEVER died in Pottsville, Tuesday morning of this week, aged about 45 years. He was an active business man, and a gentleman of much influence in that region.

Jubilee, and Rowdyism, at New Berlin.

MESSRS. EDITORS.—On the evening of the 14th inst., a large number of the people of New Berlin, assembled together to give expression to their rejoicing in view of the result of the election on the 12th inst. After having formed a procession, and paraded through several streets of the town, they marched in a body into the Court House, where addresses were delivered, congratulatory of the triumph of the People over their Oppressors. Everything thus far passed on smoothly, and without interruption. But after the meeting had adjourned, and while the assemblage was about to retire to their homes, it was noticed that some of the fag ends of the defeated party had collected in a gathering. Of the members of the meeting, only a few lingered, and were quietly holding a discussion among themselves, when dangerous missiles commenced pouring in upon them from the ranks of the discomfited Democrats. Kind requests and exhortations to manhood were of no avail among persons under the influence of the *spirit* of——Lecomptonism. For an hour or two, their unmanly and shameful action was carried on. Now and then were wafted upon the air the most horrid imprecations, interspersed with an occasional taunt. About midnight, all returned to their homes, and New Berlin was again restored to its usual quietness.

A TRUE DEMOCRAT.

MIFFLINBURG, Oct. 13, 1858.

DEAR CHRONICLE.—The battle is over. The borough of Mifflinburg, the former stronghold of the "unterrified" Democracy, is for once emancipated. Last March, they beat us a few votes, by dint of illegal voting. Yesterday, we had a fair, open, field fight; "we met the enemy, and they are ours." Lecompton is a little down in the mouth, but we can not help that; the true sovreigns have done it. We are looking forward to the time when the people, too, will be represented on our election board and among our borough officers, when we hope that foreign-born citizens will be required to procure their papers, and itinerant voters prove their residence, before they will be allowed to cast their votes.

ONE OF THE PEOPLE.

A GOOD JOKE.—The *Union* and other Democratic papers asserts that neither Lecompton nor the Tariff had anything to do with their overthrow last Tuesday. This we consider the richest and coolest joke of the season. (They say it was all produced by *"local causes"*......"local" causes, extending all over the State of Pennsylvania, Ohio, Indiana, and Iowa! Ha! ha! he! he! hi! hi! ho! ho! hu! hu! hum! hum m m-m!)

IN A HUFF.—That "fine looking" Judge of the Supreme Court, Wm. A. Porter, has forwarded his *resignation* to Gov. Packer! He says it is very evident that the people don't want him, and he thinks this being a Jour. Judge—puttering around the State to peddle law—is no great things, anyhow, and he can make more money at the bar. (Exit Judge Porter.) Wonder if Black, Bigler, Buchanan, the Lecompton Congressmen from Pennsylvania, &c. &c., won't "take the hint", and *resign*, as Porter has done! Pennsylvania has decided against them all!

Since the people of Berks county have pronounced against Rev. John Glancy Jones, Pres. Buchanan has hastened to console him—and insult the people—by offering him the Mission to Austria! Poor Glancy!

ROBBERY.—On Wednesday night some villian broke into the Drug Store of Messrs. Green and M'Meen, of Bellefonte, and took therefrom about $200 in gold, silver, and bank notes. Thus far the rascal has escaped detection.

IN BLOOM AGAIN.—The apple trees in various parts of Chester county are in bloom again—the second time the present season. In the orchard of Edward Sames, in East Bradford, half a dozen trees are in bloom now, having produced but little fruit the present season.

Notice in Partition.

Union County, ss.

[L.S.] The Commonwealth of Pennsylvania, to the Sheriff of the county of Union, Greeting:

Whereas, at an Orphans' Court held at Lewisburg in and for the county of Union, the 18th day of September, A. D. 1858, before Abraham S. Wilson, President, and Philip Ruhl and John W. Simonton, Esquires, Judges of the same Court, James Clarke, one of the heirs of Flavel Clarke, late of Kelly township, Union county, dec'd, presented his petition to the said Court, stating, that the said decedent died about six months since intestate, seized in his demesne as of fee of and in all that certain lot of ground situated in Kelly township, Union county, bounded on the south, west and north by lands of George F. Miller, Esq., and on the east by the Susquehanna river, containing about half an acre, more or less, on which are erected a two-storey frame Dwelling House, a Shop and Stable, being all the real estate of which the said decedent died seized. The said decedent died without issue or any lineal descendant, but leaving the following collateral heirs, to wit: Roan Clarke, residing in Ohio; James Clarke, residing in Huntingdon county, brothers; Doctor Roan Clarke, residing in Huntingdon Co., Pa., only child and heir of Walter Clarke, dec'd, who was a brother—Flavel Clarke, late, and believed at present to reside in the State of California, son of William Clarke, dec'd, who was a brother—and two or three minor children of Lydia Lambert, dec'd, who was a daughter of the said William Clarke, dec'd,—said minor children reside with their father, Clement Lambert, in Summit co., Ohio, who by the law of Ohio is the guardian of the persons, and of all assets claimed by the dec'd brother. He further says that he is desirous of having a partition of the said lot or piece of ground to and among those entitled to the same. He therefore prays the Court to direct an Inquest in Partition to issue according to law to appraise and do all other things required by Act of Assembly in such cases provided.

☞ Pursuant to the above order, notice is hereby given that an Inquest will be held on the premises in Kelly township at 2 o'clock P. M., on Friday, Oct. 29, 1858, at which time and place you may attend if you see proper. DANIEL D. GULDIN, Sheriff.
