Freedom, national! Slavery, sectional!

Illinois is Republican!

Douglas is defeated on his own "Popular Sovereignty" Principle!!

The Republicans of Illinois have elected their State Ticket—Miller for Treasurer, and Bateman for Superintendent of Public Instruction—by about **5,000 majority** over the regular Douglas Ticket, and **2,000** over both the Douglas and Buchanan candidates for those offices! The majorities for Congress and Legislature also prove to be Republican. The People's Will is therefore *fairly expressed* in favor of Mr. LINCOLN, and *against* DOUGLAS and also *against* BUCHANAN!

"How then is Douglas to succeed?" If he violates his own loudly declaimed principles, and accepts the Senatorship as the Lecompton Constitution was tried to be forced upon Kansas—*against a clear vote of the People concerned*—it will be by an unscrupulous use of POWER, Lecompton-fashion. He will *usurp* it, in defiance of the MAJORITY PRINCIPLE, by two means:

1. Quite a majority of Senators chosen two years ago are for Douglas, but were not chosen with reference to this issue, and do not on this question express their will who they nominally represent.

2. The State was Districted long time past. As the population now stands, 750 voters in *Egypt* (the lower, Democratic or Pro Slavery section of the State) count as much in electing Congressmen and Legislature as 1000 voters in *Cannan* (as the upper, Republican, Anti-Slavery portion is called.)

If with all these facts, Douglas and his friends will use their power to defy the popular will (as Buchanan sought to do in Kansas) by re-electing him, it will prove how flagrantly false they are to their own vaunted "principle." Such a *victory* will be no help in 1860. ☞ Meanwhile, let all remember that *Illinois is Republican!*

Slifer and Cregg---State Treasurer.

We observe, in an up-river paper, a charge that Col. SLIFER, after the nomination of Col. GREGG had been "fairly and honorably made, took decided ground against the election of the nominee"—"was prominent in the abortive attempt to get another candidate"—"was compelled on election day to yield an apparent support"—and that "some of his neighbors assert even on that day he voted against the nominee." This is an amusing "comedy of errors,"—so full of falsehood, that in *this Senatorial District* it needs no denial. Supposing, however, that it may be designed to injure Col. Slifer at a *distance*, we think it no more than justice to brand the charge, as a whole and in detail, as *utterly untrue*, and we are curious to know what "neighbors" of Col. Slifer ever circulated that story!

Mr. Slifer was a Delegate to the Senatorial Convention, instructed for another man; but when Mr. Gregg received the majority of votes, Slifer moved and voted to make the nomination unanimous. That motion was *not* unanimous, and a disaffection arose—from a cause we need not advert to, but not the fault of Slifer or Gregg—which threatened to make the election lost by default. Slifer, to our knowledge, did what he could to allay the excitement and bring about a reconciliation. He was solicited, from various influential quarters, to run himself, as an independent, and as a compromise candidate, but invariably refused. He was instrumental in getting up the second conference at Williamsport, by which means only the nomination was ratified, a general union was gained, and the election of Col. Gregg was secured. From that day until the polls closed at 7 o'clock on the evening of the election, Col. Slifer labored *openly* and *decidedly* for Gregg, at home and abroad, in sincerity and without abatement. No man in our county spent more time and money than he did, for the whole ticket, but especially for Gregg, who received a larger majority than our county ticket, in this county.

Col. Gregg himself, Hon. Andrew G. Curtin, Hon. John W. Killinger, five hundred persons in Lewisburg and Union county, as well as some of the best men of our party in Lycoming and Clinton, both supporters and opponents of Col. Gregg, can testify to Col. Slifer's solicitude and open and manly effort in making this—the first election in our Senatorial District—turn for the right side.

—It is understood that the *aim* of this audacious misrepresentation of palpable truth is, to hinder Col. Slifer's promotion to the office of State Treasurer. Col. Slifer would scorn the use of any such means, by his friends, to injure any competitor. He is, and ever has been during our eleven years' knowledge of him, a true, faithful, party man. He has been solicited, by many prominent men of our party in various sections of the State, to be a candidate, and has consented; but with his sense of the great responsibility of the office, his knowledge of its anxieties, cares, and burdens, and the great bail required, it would not deprive him of an hour's sleep, or create an unpleasant thought against any honorable man—candidate, Senator, or Representative—if some other one is preferred. He makes no "claims"—urges no one—but, if elected, will (as he did before) guard the State's treasures as he would his own. Pennsylvania never had a more faithful Treasurer, or one who saved and gained her more money; and we believe (without any personal interest whatever, or undue partiality) she should and will again entrust to him that onerous but important station.

☞ Mr. S. L. Risdon, agent for Johnson, Fry & Co., publishers, N. Y., is now in Lewisburg, canvassing for the following Illustrated Works, to be delivered in 25 cent parts:

☞ JOHN B. HASKIN is re-elected by an official maj. of 13, or really 22. This leaves Mr. Buchanan *not one* Congressman in the State, outside of that vile hole, New York city! Only 4 Buchanan men, 3 Anti-Lecompton Democrats, and 26 Republicans, from the Empire State for Congress. The vote for Governor, is—Morgan 247,000; Parker 230,000; Barrows (Am.) 60,000; Gerrit Smith 5,033. Most of the defeated candidates for Congress (Dem.) declared themselves against the English bill of the Administration.

☞ Since *both* Lincoln and Douglas have beaten Buchanan out of sight in Illinois, there is a great shaking among the Buck party, many of them turning tail on the old gentleman at once, for the same reason as "rats desert a sinking ship." Even our powerful neighbor, the *Argus*—notwithstanding its spoonful of P. O. pap, administered every six weeks—seems prepared to drop the "favorite son," our "venerable President," and throw its *weight* in little Doug's sale. Poor old Buck! as soon as his power is gone, he will be less than John Tyler!

The person who robbed Robert Datesman, of West Milton, turns out to have been his hired man. The fellow was cunning—having stolen his own watch and boots—but suspicion was raised against him, and upon examining his trunk, some store goods were found in it which he carried off from the store of J. B. Datesman. The stolen property was recovered and the thief committed to jail at Lewisburg.

Now is the time to look to your stove-pipes, chimnies &c. and see that there is no possible danger of their communicating fire. It is so much easier to prevent than to cure ravages by fire.

A little daughter of Robert Hayes, Esq., while endeavoring to cross the street on last Wednesday, in front of a wagon which was coming down Academy hill, was hit on the head by the wagon tongue, and thrown under the feet of the horses, injuring it seriously though not fatally. The child was immediately carried home, and we learn is now doing well.—*Miltonian.*

J. R. Shindel Gobin, of Sunbury, has quit printing, and gone to practice as a lawyer.

Gen. Jackman, of Lock Haven was relieved of his porte-monnie, in the cars at Reading last week, by some of the light fingered gentry. It contained $175, some valuable papers, a safe key, &c.

The Lycoming *Gazette*, which enjoys the reputation of thinking as Gov. Packer does upon all great questions, says, "We rejoice with *exceeding great joy* that we are able to chronicle the *complete triumph* of Senator Douglas." So the Soreheads are beaten, at last, by Gov. Packer!

Last week, three colored men rowing on the Susquehanna at Towanda, unawares were caught in the current near the dam, carried over, and drowned.

A boatman named Daniel Hines, of Chillisquaque, was robbed of $215, on Tuesday evening week in this place, by Jacob Ernewine, one of the hands in his employ. The fellow was arrested at Tamaqua, and put in the lock-up, but managed to escape.—*Miltonian.*

At the sale of town lots at Watsontown on the 4th inst., some eighteen were disposed of to different purchasers, the prices ranging from $50 to $150.

About twenty-five citizens of Reading, headed by Messrs. E. D. Muhlenburg, Charles M'Lenigan and John S. Heister, sailed for Brazil, week before last, in which country they have a contract for building a portion of a railroad. They expect to be absent about two years.

Over 1600 additions by baptism to the Philadelphia Baptist Association, are reported for the past year.

A son of Philip Smith, of Wolf Tp., Lycoming Co., hearing his dog bark not far from his father's residence, took his gun and proceeded thither. Not returning that day, search was made, and his dead body found, with the charge of his gun blown through his head—supposed to have been done accidentally.

A LARGE REWARD.—The office of the Pennsylvania Coal Company, at Pittston, Luzerne county, was robbed last month, and a reward of $1,500 is offered for the apprehension of the thief and the return of the money.

Among the other recent valuable accessions to Liberia, is Rev. Francis Burns, last month ordained a Bishop by the Methodist Episcopal church.

Robberies of houses, barns, cellars, &c., are reported in almost every paper we take up.

Some of the Pennsylvania Lecomptonites, anxious to treat the election as if it had not been held," (Kickapoo like) advised Gov. Packer to commission Judge Church for "one year from the first of December," so as to throw Judge Read out one year! Gov. Packer, however, has officially certified to the election of John M. Read.

FOUND DEAD.—On Thursday, between 8 and 9 o'clock, the body of Wm. Lloyd was found dead, lying in Mahoning Creek, on Northumberland street. He was helper for one of the puddlers in the Montour Rolling Mill, and after finishing one heat, started off, as is supposed, in quest of liquor, as a quart bottle was found empty by his side.—*Danville Intelligencer.*

Dr. Wistar's Balsam of Wild Cherry.

Where the above preparation is known, it is so well established as an infallible Remedy for the cure of *Coughs, Colds, Sore Throat, Hoarseness, Bronchitis, Spitting of Blood, Pain in the Breast, Croup, Whooping Cough*, and every form of PULMONARY COMPLAINT, that it were a work of supererogation to speak of its merits.

Discovered by a well known physician more than twenty years ago, it has for the wonderful cures it has effected been constantly appreciating in public favor, until its use and its reputation are alike universal; and it is now known and cherished by all (and their "name is legion") who have been restored to health by its use as the GREAT REMEDY for all diseases which it professes to cure.

Sir Astley Cooper, physician to Queen Victoria, has given it as his opinion that

Consumption can be Cured!

The whole history of this Medicine fully endorses the opinion of this eminent man. Thousands can testify, and have testified, that when all other remedies had failed, this has completely cured; that when the sufferer had well nigh despaired, this has afforded immediate relief; that when the physician had pronounced the disease incurable, this has cured it.

The virtues of this Balsam are alike applicable to cure a slight Cold, or a confirmed Consumption, and its power as a *safe, certain, speedy, pleasant* and *effectual remedy* cannot be equalled.

☞ CAUTION!—Purchase none unless it has the WRITTEN signature of "I. BUTTS" on the wrapper, as well as the printed name of the proprietors.

ERYSIPELAS.

The editor of the *Daily News* speaks in the following terms, in that paper of January 21st, 1852, concerning *Dr. Davis' Depurative*, which cured him of Erysipelas:

DR. DAVIS' DEPURATIVE.—We are not in the habit of commending to our readers the use of patent medicines, and nostrums, which may happen to be advertised in our columns. Having, however, used Dr. Davis' medicine and found it to be really possessed of excellent curative qualities for Erysipelas, we take great pleasure in saying so, and commending the Depurative to others thus afflicted.

RHEUMATISM.

Philadelphia, August, 1852.

In January, 1851, my daughter, then in her nineteenth year, was attacked with Inflamatory Rheumatism. All her joints were much swollen, and she suffered the most excruciating pain for three months or more. I called in a physician, who continued to attend her without any improvement. Getting much discouraged, I concluded to try *Dr. Davis' Depurative*; the first bottle soon produced a decided change for the better. She continued the medicine for some time and is effected a perfect cure; she has remained free of Rheumatism and her health good ever since, being upwards of two years.

DR. DAVIS—Dear Sir:

About five years ago I was attacked with a disease of the throat, which came on gradually, but at times when I would take cold the pain and suffering would be very distressing, accompanied with loss of voice to such an extent that I could not speak above a whisper. The disease continued getting worse, notwithstanding I was under the medical treatment of four eminent physicians. Becoming alarmed at my condition, I conclu
