any extra room in your heart?

You know what you'd do if she knocked at your door. Put your arms around her, wouldn't you? Call to someone to bring the cookie jar. Draw her gently into the warm, friendly circle of your love and your care—give her that feeling of belonging her wistful eyes tell you she has never known.

You can't do it alone—for all the lonesome children. There isn't enough of you to go around!

But you can send your love a long way with your gift to the united Red Feather campaign.

Your dollars stand behind Red Feather services that offer child care and guidance, treatment of physical and mental illness, family rehabilitation. And these, too, are the dollars so sorely needed to provide places where youngsters can let off steam . . . gyms, hobby shops, camps, neighborhood centers.

Give even a little *more* than you planned, won't you, to this year's united Red Feather campaign?

Everybody benefits . . . Everybody gives
