LIGHTE & BRADBURYS'

Patent Insulated Full Iron Frame New Scale

Grand and Square Piano Fortes.

THE Insulated Iron frame preserves the original tone of the instrument in all its purity, securing it for all time against that most disagreeable thing, equality of tone invariably found in all other Iron frame Pianofortes. It greatly strengthens the case and tone keeps the Piano forte much longer in tune. It gives the instrument a much fuller richer and sweeter tone. It adapts the Piano to all climates and to all changes of atmosphere, and in all respects it is pronounced by our best artists the greatest improvement of the age in Piano-Forte construction, producing an instrument acknowledged to be superior to all others made in this country or Europe.

*A few testimonials in regard to the superiority of our New Scale Patent Insulated Piano Fortes.*

"I have examined the Piano Fortes of Lighte and Bradbury with entire satisfaction. I know not that there are any others better, either in our own country or elsewhere.—DR. LOWELL MASON.

"The clearness, richness and volume of tone, delicacy, elasticity of touch, and fine repeating action, I have never played upon their equals.—H. A. WOLFENSOHN.

"In volume, richness, evenness, and purity of tone, and in delicacy of touch, they certainly excel, and in that beautiful singing quality so desirable yet so seldom found.—WM. MASON.

"I have never played upon so rich and heavy a tone Square Piano Forte.—ARTHUR NAPOLEON.

"I am astonished and delighted with the New Scale Iron Frame Piano Fortes made by you. There must be a splendid future for Lighte & Bradbury's Piano Fortes.—GEO. F. ROOT.

"I have never played upon a finer instrument.—G. F. BENT.

"I consider them as to beauty, richness, fullness and equality of tone, as well as their agreeable, elastic touch, equal if not superior to any Piano made in this country or Europe.—KARL WAHL.

"In power, quantity and equality of tone, they certainly excel, while for that peculiar rich and singing tone so desirable as an accompaniment to the voice, I have never met their equal.—C. RADZIG.

"They have all the requirements for a superior interpretation of both classical and modern compositions.—M. STRAKOSH.

A Novelty in the Art World

Photography upon Porcelain.

The American Photoerphic Porcelain Com'py.

NO. 781 Broadway, New York.

Having secured the services of the celebrated American and European artists, are now in a position to execute orders for

Miniature likenesses of persons on China,

presenting all the attractive and advantageous features of ordinary photographs, the colors and finish of water color drawing, and a better combination of durability, being rendered imperishable as the durable properties of the articles upon which they are transferred.

As the patronage increases of the company established for the production of photographs, not only on plain surfaces, but upon articles ornamental and of any degree of curvature, portraits can be reproduced with faultless accuracy and delicacy of delineation upon porcelain vases, urns, and dimensions such as articles for household utilities such as

Urns, Vases, Breakfast Cups Toilet Articles, &c &c.

thereby securing faithful portraits and furnishing elegant and exquisite articles of ornament and for domestic use.

In order to furnish the greatest variety to suit the popular taste, and to meet the wants of those interested in the fine Arts desirous of having portraits on China, the Company have imported an immense variety of superb porcelain goods, manufactured in the Royal Factories, which they offer at cost prices.

As the American Photoerphic Porcelain Company have the right, and are the only persons authorized to use the process that have ever made it a success, they feel confident that it will be found to be a novelty in the Art World, and a source of pleasure to all who may avail themselves of the opportunity to procure a specimen of the art.

To afford people in every section of the Union and opportunity to possess

PORTRAITS ON CHINA,

we make the following proposition to

Residents in the Country, who are unable to visit personally the Atelier and Galleries in New York.

Persons sending a photograph, ambrotype, or daguerreotype to the office of the Company in New York will be paid

FIVE DOLLARS

in the form in return by express, free of charge, for a richly ornamented Breakfast Cup and Saucer, with the portrait transferred thereon.

By transmitting a daguerreotype and

TEN DOLLARS,

we will secure in like manner,

A handsome French Vase or Toilet Article,

with the portrait reproduced by the patented process. By sending a pair of daguerreotypes and

FIFTEEN DOLLARS,

they will receive in return

A Pair of rich Sevres Vases,

with the portraits executed equal to miniature paintings, and, in like manner, portraits can be reproduced on porcelain wares of

Vases of every quality of finish

ranging in price from

Twenty to One Hundred Dollars the pair.

WHEN completed, six years ago, the St Nicholas was universally pronounced the most magnificent, convenient, and thoroughly organized establishment on this continent.

The Hotel has accommodations for 1,000 guests, including 100 complete suits of apartments for families.

Six hundred persons can be comfortably seated at the tables of its three public dining rooms, and nothing that modern art has devised for the convenience and social gratification of the travelling public has been omitted in its plan, or is neglected in its practical details.

The early return home of the house at home and abroad delivery from its immense resources, its superb appointments, and its *home like comforts and luxuries* has been enhanced every year by the unwearied exertions of the proprietors.

I beg leave to call the attention of the citizens of the United States to the above WINES and LIQUORS, imported by RUDOLPHO WOLFE, of New York, whose name is familiar in every part of this country for the purity of his celebrated SCHIEDAM SCHNAPPS. Mr WOLFE, in his letter to me, speaking of the purity of his WINES and LIQUORS, says: "I will stake my reputation as a man, my standing as a merchant of thirty years' residence in the City of New York that all the BRANDY and WINES which I have bottled are pure as imported, and of the best quality, and can be relied upon by every purchaser." Every bottle has the proprietor's name on the wax, and a fac simile of his signature on the certificate. The public are respectfully invited to call and examine for themselves. Read the following from the New York Courier:

ENORMOUS BUSINESS FOR ONE NEW YORK MERCHANT.—We are happy to inform our fellow citizens that there is one place in our city where the physician, apothecary, and country merchant, can go and purchase pure Wines and Liquors, as pure as imported, and of the best quality. We do not intend to give an elaborate description of this merchant's extensive business, although it will well repay any stranger or citizen to visit UDOLPHO WOLFE'S extensive warehouse, Nos 18, 20 and 22, Beaver street, and Nos. 17, 19 and 21, Marketfield street. His stock of Schnapps on hand ready for shipment could not have been less than thirty thousand cases; the Brandy, some ten thousand cases—Vintages of 1828 and 1836; and ten thousand cases of Madeira, Sherry and Port Wine, Scotch and Irish Whisky, Jamaica and St. Croix Rum, some very old and equal to any in this country. He also had three large cellars, filled with Brandy, Wine, &c., in casks, under Custom House key, ready for bottling. Mr WOLFE'S sales of Schnapps last year amounted to one hundred and eighty thousand dozen, and we hope in less than two years he may be equally successful with his Brandies and Wines.

His business merits the patronage of every lover of his species. Private families who wish pure Wines and Liquors for medical use should send their orders direct to Mr. WOLFE, until every Apothecary in the land make up their minds to discard the poisonous stuff from their shelves, and replace it with WOLFE'S pure WINES and LIQUORS.

We understand Mr WOLFE for the accommodation of small dealers in the country, puts up assorted cases of Wines and Liquors. Such a man, and such a merchant, should be sustained against his tens of thousands of opponents in the United States, who sell nothing but imitations, ruinous alike to human health and happiness.

PROF. WOOD'S

RESTORATIVE CORDIAL

AND

BLOOD RENOVATOR.

PROFESSOR WOOD'S RESTORATIVE CORDIAL AND BLOOD RENOVATOR.

This is precisely what its name indicates, for, while pleasant to the taste, it is invigorating, exhilarating, and strengthening to the vital powers. It also revivifies, reinstates and renews the blood in all its original purity, and thus restores and renders the system invulnerable to attacks of disease. It is the only preparation ever offered to the world in a popular form as a beverage, without the reach of all, so chemically and skilfully combined as to be the most powerful tonic, and yet so perfectly adapted *as to act in perfect accordance with the laws of nature, and hence soothe the weakest stomach*, and tone up the digestive organs in a way all nervous and other invalids will feel and appreciate. It is composed entirely of vegetables, and those thoroughly combining powerful tonic and soothing properties, and consequently can never injure. Such a remedy has long been felt to be a desideratum in the medical world, both by the thoroughly skilled in medical science, and also by all who have suffered from debility, for it needs no medical skill or knowledge even to see that debility follows all attacks of disease, and lays the unprotected system open to the attacks of many of the most dangerous to which poor humanity is constantly exposed. Such, for example, as the following: *Consumption, Bronchitis, Indigestion, Dyspepsia, Liver Complaint, Dropsy, Nervous Irritability, Neuralgia, Palpitation of the Heart, Melancholy, Hypocondria, Night Sweats, Languor, Giddiness*, and all that class of cases, so fearfully fatal if not arrested in time, called *Female Weaknesses and Irregularities*. Also, Liver Derangements, Torpidity and Liver Complaints, Dropsy, Kidney Affections, Scalding or Incontinence of the Urine, Gravel, general derangement of the Urinary Organs, Pain in the back, side, and between the shoulders, pressure on the Stomach, Hacking and Continued Cough, Emaciation, Difficulty of Breathing and indeed we might enumerate many more, still, but we have space only to say, it will not only cure the debility following fever, but prevent all attacks arising from Miasmatic Influences, and cure the diseases at once, if already attacked. And as it acts directly and perceptibly upon the Military system, arousing the latent to action, promoting, in fact, all the functions and secretions in a healthy manner, it will in a little prevent any deleterious consequences following upon change of climate and water; hence all travellers should have a bottle with them; and all should take a table spoonful at least before eating. As it prevents costiveness, strengthens the digestive organs, it should be in the hands of all persons of sedentary habits, students, ministers and literary men. And all ladies not accustomed to much out door exercise should always use it. If they will, they will find it a valuable, pleasant and efficient remedy against those ills which rob them of their beauty, for beauty cannot exist without health, and health cannot exist while the above complaints continue. Then again, the Cordial is a perfect Mother's Relief. Taken a month or two before the final trial she will pass the dreadful period with perfect ease and safety. *There is no mistake about it, this Cordial is all we claim for it. Mothers, try it.* And to you we appeal to detect the Illness of your daughters before it be too late, but also your sons and husbands, for while the former, from false delicacy, often goes down to a premature grave rather than let their condition be known in time, the latter are often so mixed up with the excitement of business that if it were not for you they too would travel in death, unless relieved by the timely use of their faithful Gall. But the mother is always vigilant, and to you we confidently appeal for we are sure your never failing affection will unerringly point you to Prof. Wood's Restorative Cordial and Blood Renovator as the remedy which should be always on hand in time of need. O. J. WOOD, Proprietor, 444 Broadway, New York, and 114 market street, St. Louis, Mo., and sold by all good Druggists. Price One Dollar per Bottle. sept29—1eowly.
