## Republican State Ticket.

GOVERNOR,
GEORGE W. DELAMATER,
Crawford County.

LIEUTENANT-GOVERNOR,
LOUIS A. WATRES,
Lackawanna County.

SECRETARY OF INTERNAL AFFAIRS,
THOMAS J. STEWART,
Montgomery County.

FOR CONGRESS,
Louis E. Atkinson.

FOR ASSEMBLY,
William Hertzler.

FOR PROTHONOTARY,
Oliver C. Diffenderfer.

COUNTY COMMISSIONER,
Uriah Shuman,
Wm. B. McCahan,

COUNTY TREASURER,
James J. McMullin.

DISTRICT ATTORNEY,
J. Frank Stoner.

COUNTY AUDITOR,
W. P. Graham,
B. S. Graybill.

*I am for the Republican party, because of its superior position in national and State matters of vital interest to the farmer.*—VICTOR E. PIOLETT.

"DELAMATER'S tour throughout the State is wonderfully successful. It is enthusing Republicans all along the line. The result will be a big vote and a big majority."

"Ex-Gov. Pattison should return the $100,000 of State funds from the Bank of which he is President, or else decline to press a similar issue against Delamater. Both are in the same boat, morally." Vote the Republican ticket.

*No one can contemplate a Democratic victory in Pennsylvania. The Republicans of the State should hold themselves like an ever victorious army. There is nothing like the prestigue of success. The Republican party of the nation relies upon Pennsylvania to set the standard and maintain it.*—SENATOR EDMUNDS, OF VERMONT.

"BROTHER SIGSBEE, who daily preaches Free Trade in the Phila. *Record*, rather contradicts his written views upon Tariff subjects by his business transactions. He has, since the passage of the McKinley bill, purchased the Bullock wooden mill in Montgomery county, and will at once place it in full operation. Next!"

THE Democrats talk to you about an empty treasury and in the next breath they urge you to vote for Skinner so that he may work for the Border Raid claims. If Skinner's game could be carried out it would be the entering wedge to a demand for the payment of war claims that would amount to billions of money. Vote for Atkinson.

THE Democracy have nominated Capt. Geo. W. Skinner of Fulton county for Congress. It is probable that the Captain is as strong as any candidate the erring bretheran could have put in the field, but they will discover when the returns come in that Skinner is a skinner only in name, and that he will be in need of a number of doses of quinine to drive off the November chill. Vote the Republican ticket.

"PROSPEROUS TIMES AHEAD.—The McKinley Tariff bill, after the surplus importations induced by the delay in its passage are exhausted, will stimulate nearly every branch of American industry, and in conjunction with the silver and pension bills will not only promote enterprise, but will furnish the money to feed it, and make the epoch just ahead of us the most prosperous in American history. The country is indebted for this promise to the Republican party, and our people should show their appreciation of the fact by cordial support all Republican candidates."

THE *Philadelphia Times* continues its long range fire on Atkinson. On Monday it rehashed a number of former editorials and delivered them against the Doctor. The only new point that the *Times* makes is on the Border Raid Claims, and on that point it denounces Atkinson, because he proposes to bring the Border Raid Claim to the floor of Congress next session. It denounces him because he did not bring it before Congress during the late session. If the *Times* understood what it is talking about it would tell its readers that the commission that has the Border Raid Claims in hand did not want the question brought before the last session of Congress. If the *Times* would tell just what it knows on the question, it would tell its readers that Stenger and all other Congress men, who have had the question in charge failed to get it before Congress, and now for the first time Atkinson has it in shape to place it before the house where the whole country can judge of its merits. If skinner in the Legislature could do nothing with it, how could he manage it in Congress? The Legislature as compared to Congress is about as a squib is to a cannon and that is about the amount of the effectiveness that Skinner would bring to the question in Congress. It would be a flash in the pan and the Border Raid Claims men would not even get the chance of having the question fairly put upon its merits on the floor of Congress. Vote the Republican ticket.

## Never Opened His Mouth.

The Franklin County Repository of last Friday says: C. M. Duncan Esq., at the Skinner reception, urged upon the people to vote for Mr. Skinner because he would secure the passage of the Border Bill which Dr. Atkinson has so far failed to do. If the Democrats are now so anxious for the passage of the bill why did Mr. Stenger not attempt to procure the remuneration which our people asked? He was there when the matter was fresher in the minds of congressman than it is today, yet he never did anything in that direction. Dr. Atkinson has been, and is in a far better position to procure the needed relief for our people than Mr. Skinner will ever be. Mr. Duncan said if a change is not made soon it will be twenty six years more before the bill is past. It was only a dozen of years after the war when Mr Stenger was in Congress and it would have been far easier to have succeeded then than now, yet he never opened his mouth on the subject. The Democrats then had the opportunity. Why did they not embrace it. Vote for Atkinson.

## The Border Raid Claims.

The Democrats in Franklin Co., are electioneering against Atkinson on the Border Raid Claims' question. They hug the vain delusion that on account of the Border Raid Claims, everybody over there will vote for Skinner, because he is a so-called Border Raid Claims man. They never for the moment stop to think that outside of Franklin county and outside of Fulton county the Border Raid Claims are unpopular. People irrespective of party look upon the Border Raid Claims as the entering wedge for the payment of damage for all kinds of property destroyed by both Union and Rebel armies. Such an impression if thrust into the campaign would do Atkinson more good than harm in a majority of the counties of the district. Atkinson treated the Border Raid Claims men fairly, and he treated his constituency fairly. Instead of sneaking and beating around in committee with the question, he proposes to bring the question out of committee and place it on the floor of Congress, where all the country may see and hear of its merits and demerits. Atkinson in thus urging that the Border Claims question be brought to the attention of the whole country has done himself justice and done his constituency justice, and instead of being censured by any of the Franklin county people, he should be endorsed most heartily by them for his effort to get the question out of the mire of a committee and place it on the floor of Congress for consideration. If Captain Skinner and his friends want to play the skinner and a sneaking game with the Border Claims in committee, it is best the voters should now be informed of their sneaking purpose.

## With a Slow but Sure Pace.

It is the hope of Democrats, remarks the New York Tribune, that the new tariff will meet, at least at the outset, an adverse decision by the people. Its merits and benefits cannot be realized for months. It will supply additional employment for a great army of American workers, but the establishments in which their labor is to be utilized cannot be instantly created. On the other hand, those who have on hand imported goods the duties on which have been advanced, will naturally get all they can for them. The immediate effect of any change in the basis of many industries is apt to be a harmful disturbance, and when opportunity is given for an advance of prices, consumers are likely to pay more at the outset than they ever have to pay in succeeding years. This is the one substantial foundation for Democratic hopes. The good results of the new tariff cannot be realized within thirty days. Its most unwelcome and injurious results, the sacrifices which it makes to secure greater prosperity hereafter, may be more fully felt within a month than at any subsequent period.

But the Republican party has not acted in this matter hastily. It has carefully consulted public opinion, and the defeat of many Democratic members after the Mills bill had been proposed, and the election of a Congress, Republican in both branches, gave assurance that the country was prepared to uphold the protective policy. The situation called for a magnificent confidence in the intelligence and patriotic devotion of voters. The Republicans in Congress have shown that confidence. They believe the American people able and worthy to govern themselves. When the votes of November have been counted we shall see whether the voters merited the trust in their good sense which Congress has shown. It is enough to say that if the verdict is unfavorable, it will be the first time in thirty years that the deliberate judgment of Republicans, in respect to the trend of public opinion, has been found in error.

## Laziness.

William Holmes, of Charlotte, Vt., says: There died at Charlotte not long since an old man who was, I think, the laziest man on record. His name was Nicholas Wing, and he lived with his wife and old maid daughter on the edge of Lake Champlain. The whole year round Nicholas did not a stroke of work. His wife and daughter plowed, sowed and harvested the crops, and in fact, did everything that was to be done on the farm. Wing was noted far and wide for his trousers. On the outside of each leg a row of four dozen buttons was sewed in order that Mrs. Wing could put them on for him. You see all the exertion that he was put to was the stretching out of his limbs. He lived to be over 90 years of age.—St. Louis Globe-Democrat.

## Oakland Notes.

There was religious services at Pine Grove M. E. Church on last Sabbath at 10½ o'clock by Rev. B. H. Hart.

Miss Kate Gayman of Nekoda, Perry Co., stopped off on her way home from Dauphin and Lancaster Co's., at her uncle's Jacob Gayman.

It is now time that the officers and members of the Oakland Literary Society see about starting up for the coming winter, as it helps young men and women in various vocations in life, and we must not worry about material for we are abundantly supplied with young and old who are willing at all times, to lend a helping hand to a noble cause like this. A cause that goes on and on for years, marked with success and energy. So I say again, let us work together and make Oakland Society a grand success this coming winter.

Politics is agitating the minds of the people out here, especially the Democrats for they are afraid they will be defeated.

The Oakland Sabbath school has closed for this year, altho, only organized this last spring it has been in a very encouraging condition up to the time it closed. Several weeks ago they had a picnic which was well represented by people, considering the weather of the people. Mr. Leonard deserves credit for his good superintendance.

We do hope the young man who has been driving through here in a cart nearly every morning would please let his hands off of politics. A man in as little standing before a respectable community as he is, and engaged in politics like he is doing is a perfect fool. He is trying to make men believe he is a reliable and honest Republican, living up to the doctrines of the republican party but he is not. Republican candidates beware of him, do not harbor him, he is after your boodle, and as soon as he gets that then, he is all right and will work against you all he can. Money is his object, and nothing else. He ought to be drummed out of the party for he is no good to it, no, we don't want men in the republican party who will tell one candidate he is for them, and says he is working hard for his nomination, and then go to the next man on the other side—I mean the Democratic side—who is working for the same office and tell him some notorious and infamous lies about the former man, in order that the people will get down on the former man. I give him an advice not to come near here or he will get tarred and feathered. He is like the Bible says, a wolf in sheep clothing. Shame on him.

The Dunkard meeting at Free-ping is to be held on Wednesday and Thursday, October 22 and 23, instead of Tuesday and Wednesday.

There was quite a happy band of young ladies and gents went through here on Thursday evening. We thought sleighing had commenced when we heard the pealing sleigh bells.

## Ask Your Friends About It.

Your distressing cough can be cured. We know it because Kemp's Balsam within the past few years has cured so many coughs and colds in this community. Its remarkable sale has been won entirely by its genuine merit. Ask some friend who has used it what he thinks of Kemp's Balsam. There is no medicine so pure, none so effective. Large bottles 50c and $1 at all druggists. tf.

## TO CONSUMPTIVES

The undersigned having been restored to health by simple means, after suffering for several years with a severe lung affection, and that dread disease *Consumption*, is anxious to make known to his fellow sufferers the means of cure. To those who desire it, he will cheerfully send (free of charge) a copy of the prescription used, which they will find a sure cure for *Consumption, Asthma, Catarrh, Bronchitis* and all throat and lung *Maladies*. He hopes all sufferers will try his remedy as it is invaluable. Those desiring the prescription, which will cost them nothing, and may prove a blessing, will please address *Rev. Edward A. Wilson*, Williamsburg, Kings County, New York.

## A Spring Medicine.

The druggists claim that people call daily for the new cure for constipation and sick headache, discovered by Dr. Silas Lane while in the Rocky mountains. It is said to be Oregon grape root (a great remedy in the far west for those complaints) combined with simple herbs, and is made for use by pouring on boiling water to draw out the strength. It sells at 40 cents a package and is called Lane's Family Medicine. tf.

## To Destroy Stumps.

1. Bore a hole 1 inch in diameter, 18 inches deep, into the center of the stump, and put in 1 ounce of saltpeter, filling up with water and plugging the hole. This should be done in the fall. In the spring the plug is to be take out, a half a gill of kerosene poured into the hold and set on fire. It will burn out the stump to the farthest root.

2. In the fall bore a hole 1 inch in diameter, 10 inches deep, into the center of the stump, and put in a half pound of vitriol and plug very tight. In the spring the whole stump and roots through all their ramifications will be so rotted as to be easily removed.

## An Old Rhyme.

Who says the rose is red?
Who says the violet's blue?
Who says that sugar, however sweet,
Is half as sweet as you?

Who loves your cheek so red?
Who loves your eyes so blue?
Who loves each auburn hair of your head?
Why, I! And I love you, too.
