A large portion of Du-Pont's powder mill was blown to atoms on the 7th inst., about three o'clock in the afternoon. The shock was like the shock of an earthquake and was felt a distance of 40 miles. It was an explosion of 12 tons of powder. Twenty dwelling houses in the neighborhood were blown to pieces by the force of the concussion. Thirteen men were blown into fragmen and scaitered far and wide The bodies of three whole dead men were found. The shock alarmed the people in Philadelphia.

Skinner was in the Legislature, and what did he amount to in getting the "Border Raid Claims through? This is what his efforts amounted on that question 0,000,000. Now the friends of the Border Raid Claims men, say he is the man to send to Congress to get the Claims through. Do they expect him to skin the Claims through by some hocus pocus ways? Congressman Atkinson proposes no sneaking game on the Border Claims business. He proposes that all the transactions shall be done in the light of day, and for that reason has proposed to have the question brought out of Committee and placed on the floor of Congress where its merits and demerits may be seen and learned by all

On Sunday forenoon Oct. 5, the large bank barn on the farm of George Hoffman in Reed Twp., Dauphin Co., west of Matamoras, took fire from some unknown cause and was totally destroyed with nearly all its contents. The tenant on the farm, John Wolfgang, loses besides his farming implements, about 25 tons of hay, 100 bushels of wheat, 265, bushels of oats, 45 bushels of potatoes, some rye, timothy seed, clover seed and 19 hogs about ready to kill. One horse was badly burned but the rest of the horses and cattle were saved. All his harness, wagons, reaper, mower, hay rake, threshing machine, &c., were burned. The building was partially insured, and there was also some insurance on the personal property and crops.

The Lewistown Gazette says: Pattison is touring the state in a special palace car with a lot of attendants. Delamater has been going from place to place in the regular cars of the common people without any display whatever. That's the difference between the two men, and if the situation was reversed the democratic ring organ of this county would be working it hard for its candidates, but as it is it has never once chirped. * * * Cider is selling at 25 cents a gallon in the Big Valley * * * An admirer of Atkinson tells it in this way. Well, Lou Atkinson has made the nomination for Congress again. Bully for Lou. Hope he may have the biggest majority in November that ever he had, as he has made a good officer—tried and not found wanting. We knew Lou when he was a boy reading medicine, with Dr. Bowers in Newton Hamilton, and little did we think then we would ever have an opportunity to vote for him five times for congressman in succession. * * * Potatoes are scarce and are daily growing scarcer by rot. * * * The crop of cloverseed about Belleville is good. * * * Near Decatur, Miss Minnie Luck got one of her feet badly cut on a wire fence the other day. * * * V. D. Stoneroad, of Kelly, has a patent potato raiser, which is said to do its work well

From the Bloomfield Advocate of last week: The residence of Aaron G. Strauss, in Miller township, one-fourth mile west of Pine Grove Church, was burnt to the ground on Sabbath morning. About 7 o'clock Mr. Strauss was returning from his stable having kindled a fire in the kitchen before starting out to feed his stock, when he discovered flame and smoke issuing from the garret. The fire had gained such headway that it was impossible to save the building, but the furniture with the exception of $10 worth was removed. A defective flue was the cause of the fire There was an insurance of $1600 on the building, and $200 on the furniture * * * Last Saturday evening at half past seven o'clock, the dwelling house of Elias Shope, on the old Samuel Moyer farm, two miles north of Loysville in Saville township, was discovered to be on fire and was burned to the ground despite all efforts to quench the the flames The out buildings were saved. The building was unoccupied, but would have been tenanted in a short time. The fire was of incendiary origin * * * A car load of red-ocher, mined on H. F. Smith's property, in Carroll township, was shipped from this point last week to the paint works at Carlisle. * * * Upwards of one thousand bushels of potatoes were shipped from Bloomfield, via the P. C. R. R., last week. W. F. Garber, commission merchant, consigned 530 bushels to Wysnet, Ill., and a carload of 330 bushels was bought up by J. F. Lentz and sent by him to Harrisburg.

The Golden Gate Tours of the Pennsylvania Railroad

Preparations for the inaugural series of personally-conducted tours to the Pacific Coast, under the auspices of the Pennsylvania Railroad, are progressing, and a detailed outline of their scope, routes, rates, and conditions will be published at an early day. In the meantime sufficient headway has been made to indicate that the tours will surpass any similar pleasure trips heretofore enjoyed by the people of the Eastern States. The special trains of Pullman Vestibule, Sleeping, and Dining Cars will exemplify the latest and best work of the Pullman shops. They will run through the California on quick time, delivering their passengers at desirable points in the Golden State and picking them up at the appointed rendezvous for the return trip. Tourist Agents and Chaperons of wide experience will conduct the party and minister to their comfort in every possible way. Peculiarly favorable concessions will be granted them by the railroads of the Pacific Slope, so that movements may be productive of the fullest pleasure at the lowest cost.

These tours are the most ambitious attempts yet projected by the Pennsylvania personally-escorted system to provide pleasure tours of the highest grade, and the traveling public may depend upon securing in them the most perfect service.

The first tour will leave the East late in January. It will be limited to one hundred persons, and those who anticipate an early spring outing to the shores of the Pacific should place themselves in correspondence at once with Mr. J. R. Wood, General Passenger Agent of the Pennsylvania Railroad, Philadelphia.

Railroad Horse Thieves.

Five valuable horses were stolen from a freight car on the Baltimore Ohio Railroad in Wilmington on the afternoon of the 5th of October. The train of which this car-load of horses formed a part had stopped on one of the sidings just outside the city when a man appeared who seemed to have rode on the train.

He approached the conductor, and in a confident manner requested him to unlock the car, saying that several of his horses were sick, and he wanted to see how they were getting along, and possibly to get a veterinary surgeon to look at them. He asked him how long the car would remain here, and made all preparations for getting them out of the car if he should find it necessary.

The conductor unlocked the car door and went away. The thief then had his opportunity. He took five of the best horses, two iron grays and three light bays, from the car and snapped the door lock. Procuring a wagon and harness, he hitched up one horse, and fastening the others to the back of his team, drove away. He was seen leaving the city over the Philadelphia pike at about five o'clock this afternoon.

The loss of the horses was not discovered until the car reached Chester, Pa.—Exchange.

1890 1891
FALL AND WINTER SEASON
MEYERS'
STOCK OF CLOTHING

Is now ready for your inspection. Whether you aim to save money, dress in the latest styles, or both, you will surely find it to your advantage to look through this vast aggregation of merchandise. You can't employ a few minutes more profitably. You may not buy on your first visit, but you will surely leave our establishment impressed with the benefits to be derived from patronizing us. You will see the largest Men's Suit and Men's Overcoat Department in the county. Our gigantic store is literally lined with counters, and each counter loaded high with the neatest, nobiest, finest and most fashionable styles of Men's Clothing. But here's the most important point: Take any one of these garments and you will find it marked at a lower price than any other house can name.

NOTE THESE SPECIAL PRICES:

Among the many prices in Men's Suits, we point out the following: $10 for Men's Nobby Business Suits, Sack and Frock Styles, all-wool materials. $10 for fine Scotch Cheviot Suits, in Checks, Plaids and Silk Mixtures. $11 for Men's Imported Cassimere Business and Dress Suits in Sack and Frock Styles. $12 for Men's celebrated Black Scotch Cheviot suits and Imported worsted diagonal suits. $15 for men's extra fine custom tailor made, imported dress suits, in Sack, Cutaway, Frock, and Prince Albert styles. You can't form an idea of the excellence of the bargains until you see them. Equally great values in Fall Overcoats. We have the very latest, choicest and nobbiest things—and a saving of money is guaranteed to every purchaser. If you want to leave your measure for a first class suit, a spring overcoat or a pair of trousers at a small outlay of money, call on us. Men's all-wool suits at $8. Nobby Cheviot and Cassimere Suits at $10. Hundreds of men's suits at $4, $5, $6, $7 and $7.50.

BOYS AND CHILDREN'S CLOTHING.

Boys' Clothing—we confidently believe—is worn by three out of every five boys in the county. Experience has taught careful observers that our Boyss' clothing is the best for money every time. Our Boys' suits at $3 outlast those for which you pay $4 elsewhere, and our $5 goods will look neat and tidy. Examine by the way. Our stock of children's clothing is the largest in the county and the most varied. Mothers, you want clothing for your boys, and you want value for your money; here's where you can get both. We have the biggest and best line of children's clothing in the rattling goods suits at $1.75, better at $2, and still better at $2.25 and $2.50. No house buys in such quantities that we do; no house carries such an assortment, and no house sells at such low figures. We beat them all from 10 to 20 per cent.; that is the main buying point, where you get the biggest value for the least money. Our stock of Spring Overcoats (commonly so called), rather our stock of early Fall Overcoats is large and nobby and verp cheap, Come and examine.

OVERCOATS.

Our stock this fall is superb. Constant effort succeeds. We are making improvements every season. The newest novelty this season is the box overcoat, with ⅞ inch lap seam. Every known fashionable shade is here at prices to suit all, $8, $10, and $12. These coats must be seen to be appreciated. Men's Ulsters, or Storm Coat in black, blue and fancy Shetlands, black and Chinchillas, American Irish Friezes, Fancy Cheviots and cassimeres, at $4, $5, and $6. No such values in any other store in the county.

Visit our Hat department. Exclusive styles in nobby goods.

No house in this county can approach our prices in Underwear! We bought in larger lots than any other codeern; we paid spot cash for everything we show. Can you wonder at our ability to undersell all competition.
