PROVING TOO MUCH.—The answer to Merriwether's resolution in the Senate shows that General Scott has received in forty-four years' hard service, something over $20,000. Pierce, for less than a year, over $20 000! If Scott had drawn in the same proportion, he would have been the recipient of more than EIGHT HUNDRED THOUSAND DOLLARS!

A SIGN WORTH RECORDING.—A meeting of democrats, who have never voted a Whig ticket, but who now go for Scott and Graham, was held in Hellam township, York County, on Saturday, the 21st ult. One hundred and twenty Democrats were present, who raised a pole over one hundred feet high, to which was attached a flag, on which was inscribed in large letters, "SCOTT, GRAHAM, AND THE CONSTITUTION."

☞ Col. Benton, speaking of Franklin Pierce, says he "was not indicated by, and his nomination was a fraud upon the American people."

The foregoing is Hon. Thomas H. Benton's opinion of the democratic presidential nominee. If the intelligent of the whole party would but speak, as they think and believe, we have no doubt his opinion would be generally endorsed.

THE SECRETARY OF THE NAVY.—A letter from Washington, in the Norfork *Herald*, announces the return to the seat of government of the Secretary of the Navy, and says:

"Mr. Kenneby is making an able and popular Secretary. He evinces extraordinary judgment, tact, and decision; and his comprehensive grasp, in the general and the detail, of the wants, necessities, and government of the Navy, surprises and pleases every one. No gentleman at the head of the Navy Department, for many years past, has shown higher or abler qualities, and given such evidence of a successful and honorable administration.

Here is one of Prentice's very last and very best hits:

We feel that we can now go forward to our destination with nothing to obstruct our progress—[Washington Union.

We suppose you can. The New York papers say that "the obstructions at Hell-Gate have been all removed.'—*Louisville Jour.*

CONGRESS.—Messrs. Fuller and Wright are again candidates for Congress in the Luzerne District, the latter opposed very strongly by men of his own party.

In Columbia and Montour, and also in Northampton county, the Democracy are divided.

Locofoco Testimony

Read the following from the Bedford *Gazette*, a Locofoco paper, and see why these facts exist:

"Incompetency and mismanagement in the Canal Board has filled the State with trouble—outside influences have been the lower behind the throne—and discontent prevails in every county in the State—so much so, indeed, that it is evident the people are determined to abolish the Canal Board if reformation does not soon take place."

Never were words more truthfully spoken. It remains now for the people—the tax payers—the men interested in economy, reduction of debt and lightened taxation—to say wether they will continue to elect Locofocos to the Canal Board, or whether they will introduce a Whig into it to act as a check upon the corrupt practices and desires of the majority. This is an important subject. It comes home to every tax-payer in the land. We commend it to all men of all parties believing that in this they will be willing to disregard party obligations, vote for the interests of the State, and elect a Whig one of the Canal Commissioners of the State.

ANOTHER SCIENTIFIC WONDER—IMPORTANT TO DYSPEPTICS.—Dr. J. S. Houghton's *Pepsin*, the true Digestive Fluid or Gastric Juice, prepared from Rennet or the fourth stomach of the Ox, after directions of Baron Liebig, the great physiological Chemist, by J. S. Houghton, M. D. Philadelphia. This is truly a wonderful remedy for Indigestion, Dyspepsia, Jaundice, Liver Complaint, Constipation and Debility, curing after Nature's own agent, the Gastric Juice. Pamphlets, containing Scientific evidence of its value, furnished by agents gratis.—See notice among the medical advertisements.

This is a most remarkable providence. In the short space of two weeks, these three little brothers have been called away in death, and these parents deprived of all their children. Seldom does God afflict so severely. Such events are well fitted to enforce the direction of the Apostle: "Set your affection on things above and not on things on the earth."—[COM.
