The Susquehanna Seminary.

At the late Wyoming Annual Conference of the Methodist Episcopal Church, held at Brooklyn, Pa., on the 27th of July, definite action was taken on the subject of the proposed Seminary which has been agitated in this part of the Conference for some months past, and so often brought to the attention of our readers. After full discussion the project was adopted, we understand, *unanimously*, and it was resolved to go forward to the speedy accomplishment of the undertaking. The name at the head of this article was selected as that by which the new institution is to be known, and it will be located somewhere in the Valley, the most beautiful, picturesque and healthful of any in the State, after which it is appropriately called. A Board of Commissioners was appointed, to meet on the 13th of September, visit the different places where facilities have been tendered for the establishment of the Seminary, examine the various sites offered, and determine the location.

The Commissioners are, Rev. George Peck, D. D., of Wilkes-Barre; Rev. N. Rounds, of Honesdale, Pa.; Rev. D. A. Shepard, of Kingston, Pa.; Hon. Amasa Dana, of Ithaca, N. Y.; Rev. J. M. Snyder, of Newark, N. Y.; Urbane Burrows, Esq., of Gibson, Pa., and William Maclure, Esq., of Deposit, N. Y.

Rev. H. R. Clarke, late Minister of the Court Street M. E. Church in this village, was appointed Agent for the Seminary and will soon enter upon the duties connected with the appointment.—*Binghamton Democrat.*

PENNSYLVANIA.—The Native American State Convention nominated the following State ticket: For Judge of the Supreme Court, Jacob Broom of Philadelphia; for Canal Commissioner, David McDonald; for Surveyor General, Kimber Cleaver; and Joseph Reigel for Auditor General. The convention adopted an address to the people, in which the President and his Cabinet are bitterly assailed.

TRIAL FOR MURDER.—The evidence for the defense in the case of Thurston, now on trial for murder, will close to night. Fourteen Physicians, many of them from Insane Hospitals in various arts of the country, have been examined, each of whom pronounced him "*an insane man.*" It is claimed on the part of the prosecution that his insanity is "feigned." I will send you the verdict of the jury, as soon as rendered.—*N. Y. Tribune*, Aug. 16th.

PENNSYLVANIA.—The State Prohibitory Liquor Law Convention met at Lancaster, on the 9th inst. The meeting convened in the "Big Tent." There were over three thousand persons present, and great enthusiasm prevailed. James Black, Esq., of Lancaster, presided, and addresses were delivered by Rev. P. Coombe, W. H. Van Wagner, Rev. E. W. Jackson, and others.

"I DIGEST!" such is the true meaning of the word "Pepsin," or of the two Greek words from which it is derived. This is the significant and appropriate title of the true Digestive fluid or Gastric Juice, prepared by Dr. J. S. Houghton of Philadelphia, from the fourth stomach of the Ox, for the cure of Indigestion and Dyspepsia. It is nature's own remedy for an unhealthy stomach. No art of man can equal its curative powers. It renders Good Eating perfectly consistent with health. See the figure of the ox in another part of this paper.

PATENT Self-sharpening YANKEE FEED CUTTERS.

THIS Cutter is superior to any now in use, for strength, durability and simplicity of construction; it cuts faster, and is the only self-sharpening Hay, Straw, and Corn Stalk Cutter ever made. It has but *one straight knife*, which any person can grind and set with ease; but in ordinary cases is ground in the machine. Thousands have already been sold, and the demand is daily increasing. In most cases an examination is sufficient to convince one of its superiority. No one after a short trial would part with it for any other.

Dr. Keeler's Sarsaparilla.

Ladies suffering with obstructions, sallow complexions, jaundice, nervousness, are speedily cured by this great purifyer of the human body.

Testimonials from Physicians, and hundreds of others, can be shown, all speaking of the value of this remedy. It is just what it is represented to be, the greatest, cheapest purifyer of the blood and invigorator of the system now before the public. Dose small, bottle large. Price $1, or $5 half dozen.

Dr. Keeler's Syrup.

The beauty and efficacy of this remedy is universally acknowledged by every one who has used and seen it. It will positively cure bronchitis, hoarseness, coughs, colds, pains in the chest, pluriay, catarrhs, asthma, whooping cough, croup, and all diseases of the pulmonary organs arising from cold.

Its action is speedy, positive and salutary, combining in a high degree expectorant, sedative, diaphoretic and tonic, and will cure hoarseness in a few hours. The dose is small, taste so pleasant that children will desire it, and is just what physicians and families require, a steady, skilfully prepared and medicinally effective remedy.

For testimonials, real genuine ones, see circulars around each bottle and Dr. Keeler's Almanacs. It is in quantity, to say nothing of quality, the cheapest remedy extant. Price 50 cents per bottle.

Dr. Keeler's Rheumatic Lotion

Is, without doubt, the most salutary and powerful excitant, sedative, rebefacient remedy yet discovered, and will be found an invaluable remedy for rheumatism, stiffness of joints, bruises, pains of the head, chest, back, and extremities.

This valuable medicine combines the most powerful Pain Killing remedies known. It is not greasy, and does not stain, is a liquid, volatile, penetrating soothing and healing, producing an action in the absorbant vessels, and promotes healthy secretions, consequently it reduces swellings in a short time. It combines more virtues than any similar remedy before the public, and will cure more complaints in a shorter time than any other article coming from Jew or Gentile.

Try it, ye afflicted; and throughout the wide world proclaim its virtues. It is guaranteed to relieve, or the money will be refunded. Price only 25 cents per bottle.

Dr. Keeler's Liver and Sanative Pills

Are gradually supplanting all others in the estimation of the public. They are the best tonic purgative known, and always remove constipation, indigestion, jaundice, liver complaints, foul stomachs, headaches, billiousness, piles, and for all disorders where a tonic laxative purgative is required to change diseased action.

Females, students, professional men, and all others who lead a sedentary life, who are troubled with constipation or indigestion from inactivity, will find these pills the most effectual and pleasant of any yet discovered. Their action is spent in part upon the liver, moving more actively that sluggish organ, adapting its secretions to more healthy purposes, and carrying away morbid humors. They give tone to the stomach, strengthen instead of weakening, occasion no pain in their action, and by their sanative influence on the Liver and secretions leave the bowels relaxed long after their effects have passed away. Forty pills in a box and as a general rule two pills a dose. Made from vegetable extracts prepared in vacuo. There is no mineral ingredient in their composition.

Country merchants and traders will find these pills not only to give general satisfaction, but salable throughout all sections of the country. Retail price 25 cents per box.

Dr. Keeler's Cordial Carminitive.

The Ne Plus Ultra of medical discoveries and the most certain and speedy remedy for diarrhœa, dysentery, cholera morbus, cholera infantum, cholic, griping pains, flatulency and for derangements of the stomach and bowels arising from teething, food, cold, etc.

Words and language fail in promulgating the blessing which this remedy affords, and thousands of hearts and homes have been made glad, and to rejoice too, that a remedy has been found so speedy and powerful in removing disease. It brings health and drives disease away; is more precious to mothers than gold or diamonds.

☞ Only 25 cents per bottle, sufficient to cure 9 out of 10 cases, and it is guaranteed to cure 99 in every 100 cases. Think of this, mothers, fathers and friends.

☞ Ship owners, captains of vessels, planters, farmers, &c., will be supplied with it, and nothing asked for it if it fails to give satisfaction in every case. Will you take it on these terms, and save the lives of those you control?

Dr. Keeler's Vermifuge Syrup.

This remedy is a certain specific in destroying all varieties of Worms. Children like it, the dose is small, and each bottle contains four times the quantity of worm medicines. Every representation touching these medicines will be found true.—Try it. Price 25 cents.
