An ignoramus can always be told by his actions. It happens that sometimes quite a number of that class of unfortunates assemble at certain points and by word or action insult ladies and gentlemen that pass by. This may be fun for ignorant and debased minds, but in the eyes of decent people it is looked upon as blackguardism.

A Screw Loose Somewhere.—No machine, be it a locomotive, or fine watch, will run properly if there is a screw lost. So the human body, the most wonderful of all machines, cannot be healthy and run properly if any part of it is weakened or in imperfect condition. The kidneys are more liable to get out of order than any other part of the human body, and in all cases Prof. Guilmette's French Kidney Pad effects the most wonderful cures. Such is the confidence in its merits that the proprietors guarantee it.

The speculators who, last fall and winter, ran up the price of wheat far beyond what the ratio of demand and supply justified, are likely to be pinched pretty severely before they can unload the twenty to thirty million bushels which it is estimated they still control. Already much, if not all, of the profit they made on the rise, must be lost by the fall that has occurred, despite their best efforts to keep up prices

Specialties in woolens at William Aland's Merchant Tailoring establishment not to be had elsewhere in the county.

The wheat in the ground never looked better in this county than at present, being green and quite healthy in appearance. The promise is for a very good crop. The only trouble is, our farmers do not put enough wheat into the ground these late years. If we had more wheat to sell, nothing now would more certainly bring money into this county. Enrich the ground and sow more wheat should be the coming motto of our farmers.

The most sensible remedy, and the only safe, sure and permanentcure for all diseases of the liver, blood, and stomach, including billious fevers, fever and ague, dumb ague, jaundice, dyspepsia, &c., it Prof. Guilmette's French Liver Pad, which cures by absorption. Ask your druggist for this noted cure, and *take no other*, and if he has not got it or will not get it for you, send $1.50 to French Pad Co., Toledo, O., and they will send you one post-paid by reture mail.

Mr. C. A. McKinney, of Connoquenessing township, this county, recently made a trip to the southern part of Kansas, Cherokee county, and brought back several interesting specimens of the lead-zinc ores that are found there. One shining piece contains about 90 per cent. of lead. The specimens were left at the Citizen office for inspection. The millers are now looking forward to their international exhibition, to be held this year in Cincinnati. They have permission to enter goods for exhibition free of duty at seven points on the seaboard and seven on the Northern frontier—duties to be paid if the goods are afterward retained in the country for consumption. This exhibition will be a novelty in world's fairs, and should attract at least a trade interest.

A purely vegetable medicine, containing all the virtues of calomel without any of the injurious tendencies so justly dreaded by mankind. Simmons' Liver Regulator will be found prompt to start the secretions of the liver, and give a healthy tone to the entire system, without salivation or any injurious effects. When used as a cathartic, it in no wise disorders the system, nor does it produce any nausea or sick stomach when about to purge. It is so mild in its action as not to interfere with business or pleasure.

Over two hundred farmers in this county are using the Diamond Iron Plow, and will tell you that it has *no equal*. For sale by Jackson & Mitchell.

The great forest fires which recently devastated large portions of New Jersey have placed over three hundred families in an ugly predicament. These families sustained themselves by picking and selling teaberries and whortleberries (huckleberries). The bushes were destroyed by the fires, and the berry pickers are thus left without an occupation for a year or more to come. The loss in this production in a single county is estimated at $75,000 for the present season.

For the benefit of all sufferers, be, good enough to bring the wonderful effect of St. Jacobs Oil before the public. For twelve long years my wife suffered with Neuralgia in the head and often had the most terrible pains. A few weeks ago I bought a bottle of that wonderful remedy—St. Jacobs Oil—and am perfectly astonished at its marvelous effect; half a bottle thoroughly cured my wife. I gladly would have paid any physician fifty dollars if he could have done the same; therefore I wish that everybody may learn to value this true medicine.

From an Agricultural paper we copy the following receipt. "For brown bread, one pint of sour milk, one-half cup of molasses, two cups of rye flour, a little salt and a teaspoonful of soda. Steam three hours and then brown in oven." And now as milk is an animal and not a vegetable product, as sour milk is milk partially decayed, and as the making of brown bread of it, and rye flour is quite a bright idea, let us write a reciept. "For mince pie," one pound of spoiled meat, chopped fine; one-half pound each of beets and carrots chopped fine, a little pepper and a teaspoonful of salt. Bake till nicely browned.

Tornadoes are holding high carnival in the West and Southwest. Arkansas, Missouri and Kansas seem to be particularly afflicted, and Mississippi came in for its share. Several lives were lost at Macon, in that State, and a large amount of property was destroyed. If tornadoes must get loose in Mississippi they would gain the esteem of the public by devoting their attentions exclusively to Kemper and Yazoo counties. In fact, it would be a graceful act on the part of a young and vigorous tornado having nothing better to do if it would whisk those two delectable tracts of ground high into the air and distribute them impartially among the various States of South America.

One Way to Economize.

Many a poor man, if required to account for the manner in which he has expended his income, would find bills of his family physicion for "medical services" among the leading items. In seven cases out of ten, acute diseases are the result of some neglected chronic disease. Thus, fevers invariably results from diseased conditions of the blood and liver, and a timely use of alterative, or blood-purifying, and cathartic remedies would have averted the prostrating illness, that often leaves the system irreparably injured. Dr. Pierce's Golden Medican Discovery and Pleasant Purgative Pellets are the best alterative and cathartic medicines yet compounded. Full directions are given for administering them, together with an accurate description of the symptoms demanding their use. They will not cure all human ills (as some medicines are advertised to do,) but they will cure the diseases for which they are compounded and recommended.

Butler Presbytery—Spring Meeting.

The Presbytery of Butler met at Butler, Pa., April 27th. Rev. Samuel Williams was elected Moderator, and Rev. James A. Menaul, temporary clerk.

Rev. S. M. Glenn was received from the Presbytery of Erie, and he is to be installed as pastor of Centreville church on the 4th of June, at 2 o'clock, p. m.; J. R. Coulter to preach and preside. W. J. McConkey to charge the pastor, and L. D. Decker, the people.

A committee appointed for the purpose at the Fall meeting, reported that they had organized a church at New Hope, Butler county.

A committee, consisting of Rev. Messrs. Williams, Walker and Marshall, and Elder H. H. Vincent, was appointed to organize a church at North Liberty, on the 4th Monday of June, at 2 o'clock, p. m.

A committee, consisting of Rev. Messrs. Glenn, Marshall and Decker, and Elder J. W. Anderson, was appointed to organize a church at North Washington on the 3d Tuesday of May, at 2 o'clock, p. m.

Sessions that have not yet furnished to the committee on Beneficence (Rev. W. T. Wylie, chairman,) a complete roll of their congregations, including each member of every family, and indicating whether they are communicants, adherents or children, were directed to do so without delay.

The pastoral relation between Rev. R. M. Davis and the church of Harlansburg was dissolved, and Mr. Davis was dismissed to the Presbytery of Shenango. The charge at Rich Hill having given him a call, that church and Leesburg will constitute his charge.

The twelve churches that failed to report full payment of pastors' salaries were directed to report on this subject at the June meeting.

A committee, consisting of Rev. W. J. McConkey, Rev. James A. Menaul and Elder J. W. Anderson, was appointed to confer with the officers of the Women's Presbyterial Missionary Society and make arrangements for a Missionary meeting during sessions of the June meeting.

The Sabbath Schools of the Presbytery were recommended to use the Helps furnished by our Board of Publication.

Mr. J. W. Anderson, engaged under the direction of the Presbytery's committee on Colportage, reported having entered upon his work, and he is commended to the churches for their cordial co-operation in distributing the Literature of our Board.

The Sessions of all the churches were urged to take measures for introducing a copy of the Foreign Missionary into every family, and are to report the result of their efforts at the June meeting.

The assessment for the General Assembly's Fund was paid by all the churches.

Rev. A. W. Lawrence was released from the pastoral charge of Pleasant Valley church, and leave was granted him to labor without the bounds of the Presbytery.

Rev. James T. Patterson was dismissed to the Presbytery of Allegheny.

At a call meeting, April 13th, Rev. W. D. Patton was relieved from the charge of the church of Amity, and was dismissed to the Presbytery of Platte, Missouri.

Rev. Ephraim Ogden and Elder Charles McCafferty, were appointed principal Commissioners to the General Assembly, and Rev. I. D. Decker and Elder W. D. Brandon, alternates.

A communication from the Sabbath committee of the Synod of Erie was presented to the Presbytery, and an overture in regard to the better observance of the Lord's day was sent to the General Assembly by our Commissioners

The next meeting of Presbytery was appointed at Pine Grove, on the 4th Tuesday of June, at 11 o'clock, a. m.

J. R. Coulter, S. C.

Meeting of Trustees of Butler M. E. Camp Grounds.

The Board of Trustees of the Butler M. E. camp ground convened at Mr. J. P. McKee's, according to arrangement, and decided to commence as soon as possible to make all necessary preparations for the camp-meeting, which will commence on Thursday August 19, and close on Monday night, August 30. The Trustees intend to erect a large tabernacle, covering the main auditorium, so as to protect the people who attend the meeting from rain, in case of wet weather; also making good seating accommodations for the the comfort of the people. They are erecting a good hotel on the ground, with the intention of making it comfortable and pleasant for boarding and ladging. It will be managed by a competent person and at reasonable rates. There are a great many lots taken on the new ground, as it is intended for a permanent place of worship, and a great many of the lot-holders will erect permanent board cottages. The desire is to have uniformity in the frontage of all permanent cottages erected, but not to interfere with those who wish to erect canvass or muslin tents.

All are invited to come and bring their families and friends. A number of prominent ministers are expected to be present. Every effort will be made to make the meeting a success. It is intended to have everything comfortable for all who may come. The expense of purchasing and fixing up the grounds will be heavy, and the Trustees will ask the small sum of ten cents from each adult entering the grounds and five cents for each horse, the amount thus raised to be applied to the payment of the grounds and improvements. After all debts are paid no admission fee will be charged. Any person not able to pay, will be admitted free.

The grounds are located three miles west of Butler, in a pleasant locality, about eighty rods from William Martin's, on the Butler and Whitestown road. Plenty of good water and good road leading to the grounds.

Persons desiring lots should call on J. P. McKee, Butler. C. Harper, Sec'y.
J. P. McKee, President.

COOPER—April 24, 1880, at Saxon Station, this county, Mrs. Christiana Cooper, wife of Samuel Cooper and daughter of Mr. William Lardin, of Clinton township, aged 49 years and 6 months.

GRAHAM—At his residence, in Jefferson township, this county, on Tuesday morning, 4th inst., Joseph Graham, Esq., aged 86 years and 20 days.

—Joseph Graham was among the very oldest citizens of this county, living in it nearly all his life. He was a soldier in the war of 1812, and has been an active, useful and industrious man all his life. More than forty years ago he was elected a Commissioner of the county, in which position he served with integrity and fidelity to the people. As a neighbor he was kind and obliging. Recently we recorded the death of a younger brother, Daniel Graham, Esq., of Brady township, and Mr. Patrick Graham, of Jefferson township, is now, we believe, the only brother left of a large and much respected family.

BORO. ORDINANCE.

An Ordinance relating to Licensing Hacks and other Conveyances, carrying passengers within the borough of Butler:

Section 1. Be it ordained by the Town Council of the borough of Butler, and it is hereby ordained by authority of the same. That from and after the passage and legal publication of this Ordinance, it shall not be lawful for any person, not a permanent resident of said borough, owning, driving or in any way exercising any control over any Hack or Hacks Omnibus or Omnibuses, Carriage or Carriages, or any Vehicle or Vehicles of any kind whatsoever, to run any such conveyance or conveyances for transportation of passengers for money from and to points within the borough, or from a point in said borough to a point outside of said borough, without first procuring a license from the Chief Burgess, or in his absence or inability, from the President of the Town Council; for which he, she, or they shall pay the sum of $10 for each and every day for each vehicle with two or more horses or mules, and the sum of $5 for each vehicle with one horse or mule.

Sec. 2. Any body offending against this Ordinance shall be subject to a fine of $25, for each day such violation continues, to be enforced by arrest, trial and sentence of Chief Burgess or a Justice of the Peace; and on default to pay the fine imposed, to be committed to the Lockup for a period not exceeding 48 hours. Any person conspiring with or in any way aiding or abetting non-residents to evade the provisions of this Ordinance, shall be liable to arrest, and upon conviction, as in case of non-residents, shall be liable to like fine and punishments as non-residents.

Sec. 3. The officer arresting such offender, and Magistrate shall be entitled to fees same as for similar services, to be collected from the parties; and such Magistrate shall have power to compel attendance of witnesses by subpœna or attachment.

Sec. 4. This Ordinance shall not apply to conveyances in use for the transportation of the United States Mail. M. J. REIBER,
F. M. Eastman, Clerk. Pres't.
A. L. REIBER, Chief Burgess.
