LOCAL AND GENERAL.

—The drought which has prevailed in Cuba for now over five months may effect the price of sugar.

—Rev. T. W. Young has declined the call extended to him by Adams congregation in Adams county, Iowa.

—The P. & W. R. R. will sell round trip tickets to Allegheny City on Friday, good for two days, at the usual excursion rates.

—There will be a Quarter Centennial celebration of the Pastorate of Rev. James A. Clark, of the U. P. Church at Prospect, on June 10, coming.

—The correct age of Mr. Sutton Harper, late of Concord township, whose death notice was in last weeks CITIZEN, was 55 years and 14 days. He died on April 25, 1884.

—Communion at Mt. Chestnut U. P. Church on Sunday the 1st of June. Rev. J. A. Shrader will assist. Sermon on Sunday morning at 11 A. M., and also at 7:30 P. M.

—We direct attention to the card of Mr. Kiskaddon, of Freeport, who has farms, mills, coal lands, etc., in Western Pennsylvania, for sale. He is in Freeport every Monday and Pittsburgh every Tuesday, his only office days. Send for printed list.

—Last Friday was pay day at the office of the Phillips Bros, Agnew Agt. in this town, and Mr. Powers, the clerk, informs us that since the office was established here last fall, he has paid out over $55,000, and that they now have ninety-nine men on their pay-roll.

—Two men named Adam Mickley and Edward Lehner, were badly injured at Evans City, last Friday, by the fall of a roof upon which they were working. The roof was composed of large timbers and was too heavy for its supports. Lehner is said to have received severe internal injuries and is completely paralyzed. Mickley had a leg broken in three places, a spike driven into it and a gash made in his throat by the hatchet he had in his hand at the time.

—We are under obligations to Mr. H. P. McCollough, Secretary of the Pittsburgh Driving Park Association, for a complimentary to their Spring Running Meeting of five days, beginning with Tuesday, June 10th. There will be four or five races each day, for each of which there are a large number of entries. The fifth race of the fifth day, Saturday, June 14, is to be a "handicap hurdle" for a purse of $600, of which $100 goes to second. For further information or programme, address the Secretary.

—A blow in time saves nine when you are fighting the currant worm. The best way to kill them is to sprinkle the bushes with white hellebore. You can get it at any drug store. A full table-spoonful to a gallon of water will be enough. If hot water is used you will get the strength out of it sooner, but cold water will answer if the powder isstirred in and it is then permitted to stand an hour or so. Apply with a sprinkling can wherever you find the worms and it will soon kill them without injuring the fruit. If you would save the currant bushes you must kill the worms. If not killed they will eat the leaves off for successive seasons until the bushes are killed.

—The Pittsburgh & Western R. R. have arranged for through cars, without change, to Chicago on June 2d, to accommodate those desiring to attend the National Republican Convention in its session in that city June 3rd to 5th, inclusive. Excursion tickets will be sold at points named at following low prices for round trip: Butler, $10.50; Zelienople, $10; Harmony, $10; Evansboro, $10; Callery Junction, $10; Baldridge, $10; Millerstown, $11.60; Petrolia, $12; Parker, $12.45; Foxburg, $12.65. Tickets good to return until June 12th 1884. This route offers fastest time, and accommodations equal to any other line; ensuring speed, comfort and safety. For further particulars apply to Agent P. & W. R. R.

—It would be well for all persons to make it a rule never to attest the signature of a person with whom they are not acquainted, nor to a paper the import of which they do not know, though the contrary is the general rule. Some time last summer, over eight months ago, while the writer of this happened in the County Clerk's office, W. H. H. Riddle, Esq., came in with a man we did not know, and addressing the Clerk said that 'here was a man who wanted to make affidavit to an application for pension,' or words to that effect. Mr. Dodds administered the oath to the man, and afterwards, at Mr. Riddle's request, attested to his signature, as did also the writer of this. This alleged pension paper turned up last week as the Elliott affidavit regarding his application for license, and we write this merely as an explanation to those of our friends who may not understand the matter.

—The Bald Ridge oil district had its first oil fire and fatal accident last Friday night. The fire occurred at the Fisher Bros.' well No. 2, on the Wallace farm, and caused the death of Daniel McLafferty, an employee of the Philips Bros. The night was a very calm one, and the gas escaping from the well settled close to the surrounding ground. At about ten o'clock that night McLafferty had occasion to pass with a lighted lantern within one hundred feet of the well, when an explosion occurred which set fire to his clothes, and burned the hair from his face and head. He ran for the creek, but was overtaken and the flames extinguished, but he had breathed the flames and died in great agony next day. The flames following the explosion immediately ran to the well and set fire to the derrick, boiler house and tanks, which were soon consumed, and when the well began flowing the flames lit up the surrounding country for miles around. Trenches were dug around the wells to prevent the fire spreading to the neighboring wells, but the workmen were not able to extinguish it until next afternoon.
