WONDERFUL DISCOVERY!

Vegetable Rheumatic Liniment.

INVENTED AND PREPARED BY SAMUEL REED, CARLISLE, PA.

THIS Liniment was prepared principally for the Rheumatism, (and is the only external remedy known) but it has been found experimentally TO CURE PAINS OF EVERY KIND—sick head ache, pains in the back, arising from acute and chronic pains to which the human system is liable. This Liniment does not require constant application for weeks or months to effect a cure; but on the contrary, one or two applications, or one or two Bottles skilfully used, has been found an effectual remedy in removing the most violent pains. Patients have used it or retiring to rest, and in the morning have awoke freed entirely from the attack of pains, arising from colds or other causes. The subscriber has the assurance that no one after having used the Liniment, will pronounce it a "Humbug,"—an application appropriately applied to the very many *quack nostrums* which imposters have put upon the afflicted in the shape of Patent Medicines.—The persons named below are referred to, who may be consulted personally, in relation to the curative properties of "the Liniment." A majority of them have been cured of Rheumatism, chronic and inflammatory, others of pains of different kinds.

Thomas J. Stevens,	Elizabeth Whisler,
Wesley Miles,	Rachel Baker,
Rachel Crop,	Levi Patton,
