Distilling and Flouring Mill

FOR SALE OR RENT.

THE subscribers offer as above their establishment recently built and located on the York turnpike road, fourteen miles from the city of Baltimore and within one mile of the Baltimore and Susquehanna R. R. at Cockeysville. Or they will sell upon low terms the Distillery fixtures, consisting of steam boiler, stills, pumps, copper worm, pipes and fermenting tubs all arranged in the best manner for an operation of 100 to 200 bushels per day. Or a practical Distiller or Miller would be taken into co-partnership to work the concern. For a particular description they refer to Col. Wm. M.
