Shriner's Balsamic Cough Syrup.

THE GREAT COUGH REMEDY!

Four years' experience in almost every form of Pulmonary Disease, has proved to the undoubted satisfaction of all who have become acquainted with this great remedy, that it is far superior to any other remedy in the world for all diseases of the

BREAST, THROAT & LUNGS,

This syrup is purely a Vegetable Compound. It is pleasant to take, and never does injury. But owing to its purifying qualities, must do good under any circumstances. Its effects are truly wonderful, soothing, calming, and allaying the most violent coughs; purifying: strengthening and invigorating the whole system, calming and soothing the nerves; aiding and facilitating expectoration, and healing the

DISEASED LUNGS.

Thus striking at the root of disease and driving it from the system.

If properly and perseveringly used, it never fails to cure

Coughs and Colds, Consumption, Bronchitis Asthma, Spitting of Blood, Bleeding at the Lungs, Difficulty of Breathing, Pain and Weakness of the Breast, Hoarseness, Whooping Cough, &c.

READ CAREFULLY THE FOLLOWING EVIDENCE.

LIBERTY, Frederick Co. Md.
Oct 16, 1849.

MR. SHRINER—At your request I have examined the composition of your "Balsamic Cough Syrup," and from my knowledge of the ingredients, and having witnessed its good effects, I can recommend it to the public as a valuable compound for Coughs, Colds, and all chronic pulmonary affections.

THOS SIM, M D

UNIONTOWN, Dec 23, 1852

Mr W E SHRINER—Dear Sir—I have given your "Balsamic Cough Syrup" a fair trial and am happy to say that I have never tried anything that relieved me so soon. I have also given it in my family with the same good effect in every instance. It is certainly a most excellent remedy, and ought to be in every family. The exceeding low price at which it is sold places it within reach of all.

Pardon the liberty I have taken in thus giving my experience in the use of the *Syrup* unsolicited by you. Respectfully yours

H P JORDON

LIBERTY, Frederick Co Md.,
Nov 6th 1849.

Mr SHRINER—Dear Sir—I have been afflicted with a disease of the throat for a number of years, and for eighteen months past have been such troubled with a cough, during which time I have tried many of the popular remedies for such diseases, without finding any lasting benefit. At your suggestion I was induced to try your "Balsamic Cough Syrup," and I am happy to inform you that I find it to be superior to any I have taken. From my knowledge of its ingredients, and my experience of its efficacy, I take pleasure in recommending it to to the public for the purposes specified in your circular.

W ROBY, Pastor
[Methodist Protestant Church.

LOUDEN Co, Va, June 10th, 1850

Mr SHRINER—Dear Sir—I received your communication in due time after it was mailed and now take up my pen to reply to your enquiries in regard to the effects of your "Balsamic Cough Syrup."

For fifteen months previous to last March, I was troubled with an affection of the throat, which originated from severe cold and cough, trie caused me much difficulty in speaking. I tried several preparations professing to be remedies, but they all failed to produce the good desired. My throat grew worse and worse, so much so that my friends became alarmed, and I became fearful lest it should terminate in Bronchitis. While home last Spring in Philadelphia, I heard of many astonishing cures performed by the use of your "Balsamic Cough Syrup" and having overcome my prejudices against patent medicine, resolved to try it, and used two bottles; I found myself entirely cured. I feel prepared to say that I believe it to be a superior remedy to any before discovered: certain it is superior to any I have ever used.

Yours respectfully
THEOPHILUS BURTON,
Minister of Meth Protestant Church

For the Carroltonian.

Mr Editor—The unparalleled success which has attended the use of "Shriner's Cough Syrup" in all cases that have come under my observation, and the very gratifying effects of its use in my own family induces me to offer this testimony in its favor.

About three months since Mrs Evans was taken with a very severe cold, which in a short time settled on her breast, causing the most distressing cough, pain in the breast, &c. The usual remedies were made use of, but she continued to grow worse, until it was deemed prudent to call in the family physician, who attended her for some time without and apparent benefit. Finally through the persuasion of friends, we were induced to make a trial of "Shriner's Cough Syrup." I procured a bottle, and she commenced taking it on Sunday, and by Thursday was entirely relieved.

The obstinacy of the case, and the promptness of the relief afforded, causes me to think this one of the greatest remedies of the kind in use.

Yours, &c.,
LEVI EVANS.
