The land will be first offered as a whole, but failing in selling it in that way it will be offered in small tracks, lots and surveys of which will be exhibited upon the day of sale. There are about 1100 ACRES of cleared land, divided into eight fields lying as compactly and as well as can be conceived, about one hundred acres of which is Bottom land, grass and Timothy, and the remainder in fine heart and condition and admirably adapted to the growth of Corn, Wheat, Clover, Oats and Tobacco, 27 acres of which is free low grounds and very free of water.
