THE GREAT CLOTHING EMPORIUM OF THE UNION.—Philadelphia possesses the most up-on-Hill-clothing establishment in the country. It is splendid as regards the palatial structure in which the immense business of the establishment is conducted, and it is equally splendid in respect to its great facilities and vast resources. But to its patrons its chief attractions are, first, the elegance of the garments for Gentlemen and Youths, manufactured there; secondly, the beauty and durability of the materials, and the superior excellence of the fit, and thirdly, the moderate prices at which the goods are sold. We refer, in this description, to nonesoever than the Brown Stone Clothing Hall of Rockhill & Wilson, Nos. 603 and 605 Chestnut Street, above 6th, Philadelphia. [Ap 12,'61-1y.
