Subscriptions by letter directed to GEORGE YOUNG, President, No 48 South Third St., will be promptly attended to

THE PUBLIC PETROLEUM COMPANY

Pledged every subscriber to the success of this company, because it owns one of the finest and most valuable farms in the oil region, and because it has 400 wells, they are yielding an equal share of all the profits.

TWO WELLS NOW GOING DOWN,

of which are nearly complete and give every indication of striking RICH VEINS, as already several FINE VEINS OF OIL HAVE BEEN STRUCK. It is confidently believed that BIG OILS have the company which is commencing oil from the first week.

Oil is a matter of large value, it is to be able to strike that nearly each drill hole, and scarcely been to discover one that did not, as on Saturday morning, leaving out a little over 300 shares yet to be taken.

The Land and producing interests of the Public Petroleum Company are situated in the heart of the oil region, among and Clarion counties including portions of the well known Callihan, Fox, Sandy Creek, Cherry Run, Cherry tree Run, the Clarion river and Church Run, so well known and so rapidly developed

EAST SANDY CREEK.

No. 1 consists of a tract of 50 acres, to be simply known as the Sigworth Farm, situated on East Sandy Creek. There are two runs, both tributaries of East Sandy Creek, passing through it. A large portion of it is best boring territory, and there is room enough for a dozen or a hundred wells on this farm. It is about one mile from the Hasel Run well, which is said to flow two hundred barrels per day. There are two large oil veins upon it, one at a depth of 125 feet, the other at a depth of 300 feet, and it is the opinion of many that it will be a Rockefeller farm.

BEAVER RUN.

No. 2 consists of 150 acres, more or less, in Richland township, Venango county, Pa. It is situated adjoining the well known Beaver Run farm. This farm has an abundance of Petroleum oil on it. The greater part of it is in the western Sand. Beaver Run passes directly through it. Several oil companies are organized near Beaver Run, and have struck large flows of oil. Beaver Run is now in possession of responsible parties, and is being developed. Two wells will be sunk immediately without delay.

CLARION RIVER

[illegible] on the Clarion river, about one mile below the [illegible] of the Clarion River above the Allegheny River.

[illegible] Farm is located, and it is all susceptible of great value. Well [illegible] on this property.

CHERRY RUN

No. 3 consists of one-sixteenth working interest in a lease on Cherry Run, Venango county, Pa., on which there is one well going down. It has reached the depth of three hundred feet, and promises to be a good well. In a short time the Company will be receiving oil from this interest also. There are good producing wells both above and below this lease.

The books for subscription open at the office of the Company, No. 532 Walnut Street, Room No. 11.

Subscriptions, by letter through Post Office, should be directed to the office of GEORGE YOUNG, No. 48 South Third Street, and will receive prompt attention.

Remittances can be made by draft, express, or registered letter. Government Bonds and Securities taken in payment for shares.

NEW PHOTOGRAPH AND AMBROTYPE GALLERY.

WE, the undersigned, respectfully inform our friends and the public generally, that we have opened a

New Sky-Light PICTURE GALLERY.

In the new second story over the frame buildings located a few doors south of the Post Office, and nearly opposite A. W. Bentz's store, South Hanover street.—We have constructed this Gallery according to our taste, and flatter ourselves in saying we have far the best arranged light in town. To aged, infirm and delicate persons, we will say this Gallery is much easier of access than any in this place, being located on the second story, and the story beneath being low, there is not such a tower of steps to ascend.

Having procured the assistance of an experienced operator, and purchased the best and latest improved apparatus, we are prepared to produce pictures equal to any other establishment, not excelled by New York or Philadelphia. Such as

Extra Whole Size Photographs, Cartes De Visite, Ambrotypes and Ferrotypes,

We shall also introduce a new picture to this vicinity in such unthought demand in the cities, called the

GEM PHOTOGRAPH.

One dozen taken at one sitting at the low price of $1.50 per dozen. Pictures inserted in Lockets, Rings, and Pins, and copied or enlarged from old Daguerreotypes, Ambrotypes, &c., &c. Also, for sale a fine lot of Picture Frames and Albums. We hope, by a strict attention to business and a desire to please, to receive our share of the public patronage. Do not forget the place, a few doors south of the Post Office, South Hanover Street.
