PHILADELPHIA MARKETS.

MONDAY, July 20, 1868

FLOUR.—Quietness continues to reign in the Flour market, which is without change in any of its important features The demand is still confined to the wants of the home consumers, and prices of all grades excepting choice brands of spring and winter wheat family, are weak and drooping; sales of a few hundred barrels at $7,50@8,25 for superfine $8,25@9,25 for extra; $9,50@11,25 for common and strictly choice spring wheat extra family, $10@12 for Pennsylvania and Ohio do. do., and $12@14 for fancy brands, according to quality. Rye Flour commands $9,25@9,50 per bbl. Nothing doing in Corn Meal.

GRAIN.—The Wheat market is remarkably flat, and we again reduce our quotations 5c per bus. Notwithstanding this decline buyers refuse to operate to any extent, as they anticipate heavy receipts of new within the next four weeks; sales of 3,000 bus Pennsylvania, Ohio, and prime new Delaware red at $2,30@2,35. Rye is lower sales of Pennsylvania at $1,00@1,70. Corn is strong and moderately active; sales of 400 bus yellow at $1,20, 3,500 bus. Western mixed at $1,17@1,18. 10,000 bus do on private terms and 800 bus damaged at $1,08. Oats are without material change; sales of 3,000 bus at 85@88c for Pennsylvania, and 80@90c for Southern. No change to notice in Barley or Malt.

The following are the receipts of Flour and Grain at this port to-day:

Flour, bbls.	850
Wheat, bus.	2,700
Corn, bus.	4,060
Oats, bus.	2,750

Philadelphia Cattle Market.

MONDAY, July 20—Evening.

BEEF CATTLE.—Receipt, 1,115 head. There was an increased movement to-day in this department of trade, and with light receipts holders succeeded in realizing a advance of ½c for the choice lots of Western and Pennsylvania, at which advance buyers took hold with considerable freedom, but the offerings were not all taken up, and the market closed quiet but firm. The closing prices were; for choice 9a10½c; prime 7½a8½c, and prime cattle per lb gross.

COWS AND CALVES.—Receipt, 200 head. The injury, both from the milkmen and for the supply of the wants of private families, was good, and prices were well maintained; sales of springers at $45a65, and cows and calves at $50a75.

SHEEP.—Receipts, 4,000 head. With inferior descriptions the market was abundantly supplied, but there was very little demand, and sales to any extent could only be effected at a material concession from present asking rates, while choice lots were in limited supply, and wanted at full prices: sales at 4½c per lb gross, according to quality.

HOGS.—Receipts, 3,000 head. There was no falling off in the demand for this description of stock, and prices were well maintained. Buyers were out in goodly numbers, and they manifested a lively interest in the traffic; sales at the Avenue and Union Drove Yards were reported at $13a14 per 100 lbs net, the latter rate for prime corn fed.

A NEW REMEDY IN CONSUMPTION.—A Physician who had Consumption for several years with frequent bleedings of the lungs, cured himself with a medicine unknown to the profession, when his case appeared hopless. He is the only physician who has used it in his own person, or who has any knowledge of its virtues, and he can ascribe the degree of health he now enjoys to nothing but the use of his medicine; and nothing but utter despair and entire extinction of all hope of recovery, together with a want of confidence in all others induced him to hazard the experiment. To those suffering with any disease of the Lungs he proffers a treatment he confidently believes will eradicate the disease. Price $1,50 per bottle or $8 a half dozen, sent by express. Send for circular or call on DR. E. BOYLSTON JACKSON,

No. 250 North Tenth Street, Philadelphia.

A GOLDEN DAY

has dawned for all who desire to resume in age one of most glorious gifts of youth—the magnificent black or brown tinge which renders the hair an irresistible element of personal attraction.

INSTANTANEOUS BEAUTY

springs from the application of but one hair dye in the world. That chemical elixer contains the vita principle and the coloring matter with which nature nourishes the most beautiful of the silken fabrics wherewith she adorns the

Need it be said that this wonder of civilization is

WHAT EVERY HORSEMAN WANTS.

A good, cheap, and reliable liniment. Such an article is

DR. TOBIAS'
Venetian Horse Liniment

In Pint Bottles at One Dollar.

For Lameness, Cuts, Galls, Colic, Sprains, &c., warranted cheaper than any other. It is used by all the great horsemen on Long Island course. It will not cure Ring-Bone nor Spavin, as there is no Liniment in existence that will. What it is stated to cure it positively does. *No owner of horses will be without it after trying one bottle.* One dose revives and often saves the life of an overheated or driven horse. For Colic and Bellyache it has never failed. Just as sure as the sun rises, just so sure is this valuable Liniment to be the Horse Embrocation of the day. Use it one and all. Hoofland's German Bitters.

We intended to have called attention to Hoofland's German Bitters advertised in our columns. This Bitters, as perhaps everybody is aware, is as much a staple article with the drug store as flour is with the grist mills, and call for it where you will, you cannot go amiss. There is no better medicine before the public, it contains no alcoholic ingredient, and commends itself to temperance people, who seek to *avoid, whatever intoxicates or leads to intemperance.* Most people resort to tonics in the spring of the year, *Hoofland's stands at the head of them all, and is potent at any time of the year.* Those who would come out in the spring with *a cleansed and invigorated system* should begin its use now.

The above is the unsolicited statement of the Editor "PATRIOT," Waukegan Ills.

HOOFLAND'S GERMAN TONIC.

Combines all the ingredients of the Bitters, with *pure* Santa Cruz Rum, orange, anise, &c. It makes a delightfully pleasant preparation, and is used for the same disease as the Bitters, in cases where some Alcoholic Stimulus is necessary.

Principal Office, 631 *Arch Street, Philadelphia, Pa.*

Sold by all Druggists.

NOTICE TO CLAIMANTS—A large number of claims for damages under the Act of Assembly for the relief of persons who suffered loss during the war to suppress the late rebellion having been placed in my hands, I desire to inform all having claims under said Act that I am now prepared to put the claims in proper form for presentation to the Board of Commissioners.

As the proof required for the authentication of the claims depends very much upon the different circumstances attending the losses or damages, I would suggest that claimants should call and see me before bringing their witnesses, in order that I may be able to give them proper information preparatory to making out their claims. This Bill covers all damages done to personal property or real estate either by the Union forces or the rebel army.

LOOK OUT DRY GOODS MEN.

TO THE PUBLIC.

I have just returned from the East with my Spring Stock, and as usual, I am selling Good a little cheaper than any other Dry Goods House in town. I do not think it necessary to occupy a column of newspaper to keep up my reputation for selling cheap Goods, nor do I wish to resort to clap trap to gull the public. All I ask of them is to call and examine for themselves, and it not satisfied with the prices, not to buy. Remember the stand No. 32 North Hanover street, next door to Dr. Kieffer's, and Miller & Bowers Hardware Store.
